Independent Auditor's Report

To the Plan Administrator
Group Publishing, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Group Publishing, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets as of December 16, 2024 (in liquidation) and December 31, 2023 (ongoing) and the related statement of changes in net assets (in liquidation) for the period from January 1, 2024 to December 16, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Group Publishing, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 16, 2024 and December 31, 2023 and for the period from January 1, 2024 to December 16, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
Group Publishing, Inc. Profit Sharing Plan

Emphasis of Matter

As discussed in Note 6 to the financial statements, the plan sponsor of Group Publishing, Inc. Profit Sharing Plan terminated the Plan effective October 24, 2024, and management determined that liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the GAAP.

To the Plan Administrator
Group Publishing, Inc. Profit Sharing Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Note 1 - Plan Description

The following description of Group Publishing, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan was terminated effective October 24, 2024. Accordingly, the description below are provisions of the Plan prior to termination. See Note 6 for additional information.

General

The Plan is a defined contribution plan established on January 1, 1984. The Plan is available to most employees age 18 years or older, except leased employees, temporary employees, and seasonal employees. All other employees are eligible to make pretax contributions to the Plan after completing one month of service. The entry date for eligible participants is the first day of each month following or coinciding with obtaining eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Group Publishing, Inc. (the "Company") sponsors the Plan. The board of directors of the Company administers the Plan. American United Life Insurance Company (AUL) serves as custodian, manages plan assets, and maintains the Plan's records. AUL offers plan participants a variety of investment options through various pooled separate accounts and a group annuity contract. Individual accounts are invested in the various investment options at the direction of the participants.

Contributions

Each year, participants may contribute up to the maximum Internal Revenue Service (IRS) pretax compensation limits. The Plan includes a provision to enroll eligible participants automatically at a 6 percent deferral rate, which increases 1 percent each year up to 10 percent of eligible annual compensation unless they have elected otherwise.

The Company may make discretionary nonelective contributions at the option of the Company's board of directors. Employees are eligible to receive employer discretionary nonelective contributions if they are employed on the last day of the plan year and have completed one year of service (defined as the completion of 1,000 hours of service). Participants who terminate during the plan year due to death, disability, or retirement are also eligible to receive employer discretionary nonelective contributions. There were no employer discretionary nonelective contributions during the period from January 1, 2024 to December 16, 2024. The Company may also make matching contributions equal to a discretionary percentage to be determined by the Company for each payroll period. Employees are eligible to receive employer matching contributions after completing one month of service. For the period from January 1, 2024 to December 16, 2024, the Company made a matching contribution of 50 percent of elective deferrals up to 4 percent of eligible compensation. Matching contributions are funded each pay period.

The Plan permits rollover contributions from other qualified retirement plans.

The Plan also allows participants to choose to contribute on a pretax basis or to contribute on an after-tax basis into a Roth 401(k) account. Provided the requirements are met, withdrawals of Roth contributions are tax free. A participant's combined pretax and Roth 401(k) contributions cannot exceed the maximum annual amount allowed by law.

Contributions to the Plan were not permissible following October 24, 2024 (see Note 6).

December 16, 2024 and December 31, 2023

Note 1 - Plan Description (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings (or losses) and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

The Company's contributions, if any, vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	- %
1	33
2	66
3 or more	100

A participant's account becomes 100 percent vested upon death, attaining normal retirement age (the age of 62 or, if later, the fifth anniversary date of the first day of the plan year during which the participant entered the Plan) while an employee, retirement due to disability, or termination of the Plan.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balances. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 5.50 to 5.75 percent, which are commensurate with local prevailing rates determined quarterly by the plan administrator. The notes receivable have a maximum term of 5 years unless such note receivable is for the purchase of the participant's primary residence, in which case the repayment period may not exceed 30 years from the date of the origination. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of a participant from employment, the participant's note receivable shall continue to be payable in accordance with the provisions of the participant's note receivable or be due in full.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may take a partial distribution.

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment with the Company. The Plan also provides for hardship withdrawals for defined hardship events. Furthermore, the Plan allows for terminated participant vested account balances of \$1,000 or less to be automatically distributed and balances of \$1,000 to \$5,000 to be automatically rolled out of the Plan. The IRS has required minimum distributions once a participant reaches a specific age during the previous plan year and is no longer employed by the Company.

Forfeitures

If, at the time of termination of employment, the participant is not 100 percent vested, the nonvested portion (forfeitures) of the participant's account shall be placed in a separate account. Forfeitures can be used to pay plan expenses or reduce employer contributions or shall be allocated to participants in the same manner as the employer's contribution.

December 16, 2024 and December 31, 2023

Note 1 - Plan Description (Continued)

Party-in-interest Transactions

Certain plan assets are in pooled separate accounts managed by AUL. AUL is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

The Plan provides for notes receivable to participants, which are party-in-interest transactions that are exempt from the prohibited transaction rules.

Termination

Upon termination of the Plan, participants became 100 percent vested in their account balances. See Note 6 for additional information.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 6 to the financial statements, the plan sponsor terminated the Plan effective October 24, 2024. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2023 from the going-concern basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

The pooled separate accounts are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments. The group annuity contract is measured at fair value based on the fund's underlying assets, as reported by the asset manager. See Note 4 for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible. For the period from January 1, 2024 to December 16, 2024, participant notes receivable balances of approximately \$94,000 were written off as deemed distributions due to the termination of the Plan (See Note 6).

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Company.

December 16, 2024 and December 31, 2023

Note 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 18, 2025, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

AUL (the "Custodian") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements are based solely on information certified by the Custodian.

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

December 16, 2024 and December 31, 2023

Note 4 - Fair Value Measurements (Continued)

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2023:

	Assets Measured at Fair Value on a Recurring Basis at December 31, 2023			
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Group annuity contract	\$ 245,387	\$ -	\$ 245,387	\$ -
Investments measured at NAV - Pooled separate accounts:				
Retirement year-based investments (1)	14,337,225			
Equity investments (2)	3,684,984			
Fixed-income investments (3)	261,007			
Total investments at fair value	<u>\$ 18,528,603</u>			

- (1) This class represents investments in actively managed pooled separate accounts with investments in both equity and debt securities. The investments may include common stock, corporate bonds, U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures.
- (2) This class represents investments in actively managed pooled separate accounts that invest primarily in equity securities, which may include common stocks, options, and futures.
- (3) This class represents investments in actively managed pooled separate accounts that invest in a variety of fixed-income investments, which may include corporate bonds, both U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures.

Note 5 - Tax Status

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Note 6 - Termination - Liquidation Basis

Effective October 24, 2024, the plan sponsor elected to terminate the Plan. The Plan adopted the liquidation basis of accounting during the period from January 1, 2024 to December 16, 2024. Under the liquidation basis of accounting, assets are recorded at the amount expected to be collected and liabilities are recorded at amounts expected to be paid during the course of liquidation.

Liquidation of assets through distributions to participants with account balances occurred by December 16, 2024.
