Responsibilities of Management for the Financial Statements

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgement and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Multi-Benefit Trust Fund's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Multi-Benefit Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TEAMSTERS MULTI-BENEFIT TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - PLAN DESCRIPTION

The Teamsters Multi-Benefit Trust (the “Plan”) was established and is maintained pursuant to collective bargaining agreements between the participating unions of the International Brotherhood of Teamsters and various employers signatory to these collective bargaining agreements. The Plan is a multiemployer welfare plan providing medical, dental, vision, chiropractic, counseling, legal, death and accidental death and dismemberment benefits to eligible active employees and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Active employees are eligible for those benefits specified in their collective bargaining agreement. Dependents of eligible active employees are also eligible for certain benefits.

Continuation of health care benefits to persons who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA), has been adopted by the Plan.

The Plan documents include detailed rules for each situation. Participants should refer to the Plan Agreement and any amendments regarding specific provisions of the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Presentation

The financial statements of the Fund are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America. The use of the accrual basis recognizes revenue when earned or otherwise available and benefits and expenses are recognized when incurred.

Employer Contributions

Employer contributions are reported on the financial statements on the accrual basis. Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year.

Deferred Contributions

Deferred contributions represents employer and participant contributions received prior to year end for participant benefit coverage after year end.

Employer Payroll Compliance Program

Employer remittance reports were accepted as submitted, without examination or verification of employers’ payroll records. The system of internal control provides for examination of employers’ records by the Plan’s independent auditors under a separate employer payroll compliance program.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

If available, quoted market prices are used to value investments. Many factors are considered in arriving at that fair value. In general, however, U.S. Government Securities and Certificates of Deposits are valued based on yields currently available on comparable securities of issuers with similar credit ratings. Purchases and sales of securities are recorded on a trade-date basis. Investment in mutual funds are valued at quoted market prices, which represents the net asset value. Interest income is recorded on the accrual basis.

FASB Accounting Standards Codification (ASC) 820, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). ASC 820 emphasizes that fair value is a market-based measurement that should be determined based on the assumptions market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, ASC 820 establishes a fair value hierarchy that distinguishes between (1) market participant assumptions developed based on market data obtained from sources independent of the Plan (observable inputs) and (2) the Plan's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). Valuation techniques used to measure fair value shall maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels, as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Plan has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide information on an ongoing basis.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets which are not active;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. Unobservable inputs reflect the Plan's own assumptions that market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances, which might include the Plan's own data. However, market participant cannot be ignored and, accordingly, the Plan's own data used to develop unobservable inputs are adjusted if information is reasonably available without undue cost and effort that indicates that market participants would use different assumptions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

The methods of valuation described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in valuation methodologies used at December 31, 2024 and 2023.

U.S. government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

Certificate of Deposits: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yield currently available on comparable securities of issuers with similar credit ratings.

The plan does not have any Level 3 investments and there were no significant transfers between Level 1 and Level 2 investments during the year ended December 31, 2024.

The fair value hierarchy of ASC 820 gives the highest priority to Level 1 and the lowest priority to Level 3 inputs.

The following table summarizes the valuation of the Plan's investments in accordance with ASC 820 fair value hierarchy as of December 31, 2024, and 2023:

	Level 1	Level 2	Level 3	Balance at 12/31/24

	<u>\$ -</u>	<u>\$ 12,615,342</u>	<u>\$ -</u>	<u>\$ 12,615,342</u>

Use of Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

TEAMSTERS MULTI-BENEFIT TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 - PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. The Plan will remain in effect as long as there are employers who are obligated under any collective bargaining agreements to make contributions to the Plan. In the event of termination, the Trustees shall first satisfy, or make provisions to satisfy, the obligations of the Plan. Any remaining Plan assets shall be paid or used for the continuance of one or more of the benefits provided under the Plan. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

NOTE 4 - INCOME TAXES

The Internal Revenue Service issued a favorable determination pursuant to Internal Revenue Code Section 501 (c) (9), and accordingly, the trust's net investment income is exempt from income taxes. The Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code. Generally Accepted Accounting Principles requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2022.

NOTE 5 - SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

The Fund's cash and cash activities are with US Bank. The accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At times, such cash balances may be in excess of the insurance limit.

NOTE 6 - SIGNIFICANT TRANSACTIONS WITH PERSONS KNOWN TO BE PARTIES IN INTEREST

The Fund has contracted for administrative services with Benefit Program Administration. The administrative fees paid for the years ended December 31, 2024 and 2023 was \$382,142 and \$403,506, respectively.

The fund also contracts with investment managers, consultants, attorneys, and auditors who are all known to be parties in interest.

NOTE 7 - RELATED PARTY TRANSACTIONS

As of December 31, 2024 and 2023, the Plan had a balance due from the Teamsters Local Union No. 572 Retirement Benefit Plan ("Retirement Plan") of \$37,475 and \$27,021 respectively. The December 31, 2024 balance is a result of certain combined health and welfare and pension contributions being remitted and deposited in the related Retirement Plan's bank account. The contributions are separated and the contributions are periodically transferred to the Plan.

NOTE 8 – RISKS AND UNCERTAINTIES

The fund invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosures through September 26, 2025, the date the financial statements were available to be issued.
