INDEPENDENT AUDITOR'S REPORT

To the Trustees
Riverton Motor Company
401(k) Profit Sharing Plan
South Jordan, Utah

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Riverton Motor Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Riverton Motor Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Riverton Motor Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Riverton Motor Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Riverton Motor Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Riverton Motor Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Riverton Motor Company 401(k) Profit Sharing Plan (the Plan) provides only general information regarding the Plan in place as of December 31, 2024. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single employer defined contribution plan for all full-time employees with 1 year and 1,000 hours of service and at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to defer up to 100% of their salaries or the maximum amount allowed by the IRS, whichever is less. The maximum allowed by the IRS was \$23,000 and \$22,500 (\$30,500 and \$30,000 for participants age 50 or older), for the years ended December 31, 2024 and 2023, respectively. The employer matches 50% of participants' contributions, not to exceed 4% of total wages on a discretionary basis.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

There is no vesting for the first year of service. After the first year, participants vest 20% per year of service and are 100% vested after six years of service for the employer match contributions and earnings on the employer match. Participants are always fully vested in their elective deferrals and the earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. Interest rates are based on the rates available locally for similar commercial loans. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

At termination or retirement, accounts less than \$5,000 will automatically be paid in a lump sum roll over to an IRA unless the participant has requested a lump sum distribution or a rollover to another IRA or retirement plan. For accounts more than \$5,000 a participant may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account, or monthly installments from several different options.

Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan Agreement to discontinue the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will be 100% vested and nonforfeitable.

RIVERTON MOTOR COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 1 DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

The un-vested amounts forfeited by withdrawing participants are used to offset administrative expenses and reduce the employer matching contributions. For the years ended December 31, 2024 and 2023, employer contributions were reduced by \$0 for both years from forfeited accounts. Administrative expenses were offset by \$19,455 and \$1,015 from the forfeitures account during Plan years 2024 and 2023, respectively. The forfeitures account balance was \$414 and \$0 for years ended December 31, 2024 and 2023, respectively.

Plan Amendments

The plan was not amended during the years ended December 31, 2024 and 2023.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on a modified cash basis of accounting. Under that basis the underlying cash basis statements have adjusted securities to fair value. All Plan contributions are recorded when received and all benefit payments and expenses are recorded when paid. That basis differs from generally accepted accounting principles because the Plan has not recognized contributions receivable from participants, benefit payments in process have not been recorded and administrative expenses incurred but not paid have not been recognized.

The collective investment trust (CIT) is a stable value fund for which the net asset value (NAV) is based on the contract value. Investments held by a CIT are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan custodian Principal determined that the pooled separate accounts and the collective investment trust would no longer be valued using the net asset value (NAV) as a practical expedient. Current regulations have removed these types of assets from the definition of NAV as a practical expedient for valuing and placed them into the fair value hierarchy. See Note 3 for discussion of fair value measurements.

RIVERTON MOTOR COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk

The Plan maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash and cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of at least one significant unobservable input for the asset and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurement

The pooled separate accounts invest mainly in stocks, mutual funds and fixed securities. The NAV of these investments is determined in a manner similar to that of a mutual fund. The NAV is made available to investors and prospective investors on Principal's website and is the basis for current transactions resulting in a readily determined published value on the measurement date.

The collective investment trust is an investment for which the NAV is based on the contract value of its underlying assets. The NAV of these investments is determined in a manner similar to that of a mutual fund. The NAV is made available to investors and prospective investors on Principal's website and is the basis for current transactions resulting in a readily determined published value on the measurement date.

**RIVERTON MOTOR COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)**

NOTE 3 FAIR VALUE MEASUREMENTS (Continued)

The mutual fund is an investment for which a quoted market price is available on an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Investment Assets at Fair Value as of December 31, 2024			
	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 10,054,241	\$ 10,054,241	\$ -	\$ -
Collective investment trust	123,121	123,121	-	-
Mutual fund	274,978	274,978	-	-
Total investments at fair value	\$ 10,452,340	\$ 10,452,340	\$ -	\$ -

	Investment Assets at Fair Value as of December 31, 2023			
	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 8,576,806	\$ 8,576,806	\$ -	\$ -
Collective investment trust	143,269	143,269	-	-
Mutual fund	212,924	212,924	-	-
Total investments at fair value	\$ 8,932,999	\$ 8,932,999	\$ -	\$ -

The valuation techniques used to measure fair value of the investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 4 COLLECTIVE INVESTMENT TRUST

The Stable Value Fund (Fund) is in a collective investment trust and is a fully benefit-responsive investment. Principal maintains the contributions for this investment in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Fund is included in the statements of net assets available for benefits at NAV based on contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The value of the Fund at December 31, 2024 and 2023 was \$123,121 and \$143,269, respectively. For fully benefit-responsive investment contracts, earnings on the underlying assets are factored into the next computation of the crediting rate reset. The crediting interest rate was 2.86% and 2.86% at year end December 31, 2024 and 2023, respectively.

**RIVERTON MOTOR COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)**

NOTE 4 COLLECTIVE INVESTMENT TRUST (Continued)

The Fund has investments in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The issuer of synthetic investment contracts in the Fund guarantees a minimum 0% crediting rate, this crediting rate is based on an agreed-upon formula with the issuer that is generally reset on a monthly basis with a one month look back for the portfolio statistics. Certain market value events or other conditions may occur that may limit the ability of the Fund to transact at contract value with the issuers of investment contracts. In the normal course of business such events would not limit the ability of the Fund to transact at contract value with participants in the Fund.

Certain events, such as amendments to the plan documents (including complete or partial plan termination or merger with another plan), bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, would limit the Plan's ability to transact at contract value with Principal. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTE 5 INFORMATION PREPARED AND CERTIFIED BY THIRD PARTY ADMINISTRATOR

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Principal Life Insurance Company.

- (1) The investment assets of the Plan.
- (2) The Plan's investment transactions and related income and loss.
- (3) The Plan's notes receivable from participants and associated transactions.

NOTE 6 TAX STATUS

The Internal Revenue Service has determined and informed the third party administrator by a letter dated June 30, 2020 that the "Non-standardized Pre-Approved Profit Sharing Plan with CODA" is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's advisors believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the trust, which forms a part of the Plan, is exempt from federal taxes. No provision for income taxes has been included in the Plan's financial statements.

The modified cash basis of accounting requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**RIVERTON MOTOR COMPANY
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)**

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

The third party administrators charge fees for the services they provide. Administrative fees for these services were \$58,987 and \$44,941 for the years ended December 31, 2024 and 2023, respectively. These expenses were paid out of Plan assets. The Plan sponsor pays the other significant costs of the plan that are not paid out of available forfeitures. There were no administrative fees payable at year end December 31, 2024 and 2023.

Plan investments are in accounts administered by the Principal Life Insurance Company. Principal is the custodian of the Plan assets, Edward Jones provides consulting services, K&C, CPAs provides audit services, therefore, these transactions qualify as party-in-interest.

NOTE 9 NONEXEMPT TRANSACTIONS

During the year ended December 31, 2024 there were unintentional delays by the Plan in submitting employee contributions of \$395, these amounts were submitted 104 days late. Any lost gains on these Plan amounts will be paid by the Plan Sponsor and credited to the participants' accounts upon correction.

These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 8, 2025 which is the date the financial statements were available to be issued.
