## INDEPENDENT AUDITOR'S REPORT

October 7, 2025

To the Plan Administrator of the  
Hearth Management, LLC Retirement Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Hearth Management, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hearth Management, LLC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions Voya Retirement Insurance and Annuity Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024 and the period from April 19, 2023 to December 31, 2023, and Transamerica Financial Life Insurance Company for the period from January 1, 2023 to April 18, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Hearth Management, LLC Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hearth Management, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

## INDEPENDENT AUDITOR'S REPORT

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hearth Management, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hearth Management, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Other Matter - Supplemental Schedules Required by ERISA (Continued)**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# HEARTH MANAGEMENT, LLC RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### 1. DESCRIPTION OF PLAN

The following brief description of the Hearth Management, LLC Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a qualified defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code, sponsored by Hearth Management, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Eligibility**

Employees meeting certain eligibility criteria are eligible to participate in the Plan and receive discretionary employer matching contributions upon completion of two consecutive months of service. Participants enter the Plan on the first day of the month coinciding with or next following the date requirements are met.

#### **Administration**

The Company sponsors the Plan. Effective April 19, 2023, Transamerica Financial Life Insurance Company (Transamerica) and Transamerica Retirement Solutions were replaced as the Plan's custodian and record-keeper, respectively, by Voya Retirement Insurance and Annuity Company (Voya). Rimkus, Marciano & Associates, Inc. (RM&A) is the Plan's third-party administrator. The trustee of the Plan is the Chief Financial Officer of the Company.

#### **Contributions**

Participants are permitted to make tax deferred contributions of up to the maximum amount allowed by the Internal Revenue Code (IRC). The Company makes discretionary matching contributions equal to 40% of the participant's elective deferral, up to a maximum of 6% of the participant's eligible compensation. Discretionary matching contributions totaled \$37,542 and \$126,023 for the years ended December 31, 2024 and 2023, respectively. Participants may direct contributions among investment options held by the custodian of the Plan's assets. Participants may change their investment allocation on a daily basis.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings or losses on all contributions, and (c) administrative expenses. Allocations are based on the number of participants or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## 1. DESCRIPTION OF PLAN (Continued)

### Vesting

Participants are immediately vested in their elective contributions and actual earnings thereon. Employees are vested in the discretionary employer contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	33%
3	66%
4	100%

### Forfeitures

Forfeitures of non-vested account balances may be used to reduce Company matching contributions or to pay administrative expenses of the Plan. Forfeitures including gains thereon, totaled \$20,571 and \$27,352 during 2024 and 2023, respectively. The balance of unallocated forfeited non-vested accounts totaled \$48,173 and \$27,602 at December 31, 2024 and 2023, respectively. There were no forfeitures used to reduce Company matching contributions or pay administrative expenses during 2024 or 2023.

### Benefit Payments

Upon termination of service due to death, resignation, disability or retirement, the value of the participant's account may be paid in a single lump-sum check or rolled over to another qualifying investment plan.

### In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon attainment of age 59 ½.

### Hardship Withdrawals

Hardship withdrawals from the Plan are permitted under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

### Administrative Expenses

Administrative expenses of the Plan are made from Plan assets, with the expenses being allocated amongst all accounts of participants in the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Excess Contributions Payable

Amounts payable to participants totaling \$16,252 and \$20,792 for the years ended December 31, 2024 and 2023, respectively, for contributions in excess of amounts allowed by the IRS are recorded as accounts payable. The Plan distributed the 2024 and 2023 excess contributions prior to March 15, 2025 and 2024, respectively.

### Payment of Benefits

Benefit payments are recorded when paid.

### Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at fair value using the net asset value practical expedient. The Plan's investment in the guaranteed investment contract is fully benefit-responsive contracts reported at contract value as reported by Voya. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

## 3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Voya, the custodian for the year ended December 31, 2024 and for the period from April 19, 2023 to December 31, 2023 and by Transamerica, the custodian for the period from January 1, 2023 to April 18, 2023, and is included in the financial statements and accompanying supplemental schedule:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ <u>4,403,053</u>	\$ <u>4,581,734</u>
Investments, at contract value	\$ <u>23,093</u>	\$ <u>18,461</u>
Net appreciation in fair value of investments	\$ <u>443,799</u>	\$ <u>537,241</u>
Dividends and interest	\$ <u>835</u>	\$ <u>3,406</u>
Schedule of Assets (Held at End of Year)	Schedule I	

#### **4. FAIR VALUE MEASUREMENTS**

The Plan measures its fair value investments using the net asset value practical expedient. As such, the fair value hierarchy disclosures are not required. There has been no change in methodology used at December 31, 2024 and 2023.

The following is a description of the valuation methodology used for assets measured at fair value.

*Pooled separate accounts:* valued at fair value using the NAV per share practical expedient. The pooled separate accounts are valued using Accumulation Unit Value (AUV). AUV represents the underlying fund's daily performance, plus any applicable dividend income, less the daily separate account charge. The investment strategies of the pooled separate account funds are to invest in underlying funds with the goal of producing favorable long-term returns and growth, depending on the overall fund objectives. There are no restrictions on redemption of the pooled separate accounts. There are no unfunded commitments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **5. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES**

During 2023, the Plan entered into a traditional fully benefit-responsive investment contract with Voya under a guaranteed general account contract. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made, plus investment income, less funds used to pay retirement benefits and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investments at contract value. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Certain non-routine employer-initiated events might limit the Plan's ability to transact at contract value. The Plan administrator believes that any events that might subject the fully-benefit responsive investment contract to a market value adjustment would not be significant to the Plan's asset valuation.

#### **6. PARTY-IN-INTEREST TRANSACTIONS**

Transamerica and Transamerica Retirement Solutions served as the custodian and record-keeper, respectively, for the period from January 1, 2023 to April 18, 2023. Voya served as the custodian and record-keeper for the period from April 19, 2023 to December 31, 2023 and for the year ended December 31, 2024. As such, transactions between the custodians and record-keepers qualify as party-in-interest transactions.

## 7. PARTIAL TERMINATION OF THE PLAN

During 2023, the Company entered into an Operations Transfer Agreement for three senior living facilities. As a result, employees were terminated from the Company and transferred to the reciprocal party under the Operations Transfer Agreement at various times throughout the year. In total, the participants who were terminated and transferred amounted to more than 20% of plan participants; accordingly, the plan sponsor determined that a partial plan termination had occurred. All participants who were affected by the terminations and transfer were fully vested in their account balances. During 2024, the criteria for reporting a partial plan termination were not met.

## 8. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and the Plan. In the event the Plan terminates, participants will become fully vested in their accounts, regardless of length of service.

## 9. TAX STATUS

The Plan adopted a pre-approved plan offered by RM&A. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 10. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

## 11. DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2023, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. While the contributions were remitted to the Plan during 2023, the correction of lost earnings was not performed until 2024. On October 15, 2024, late remittances pertaining to the 2023 Plan year were corrected outside of the Department of Labor Voluntary Fiduciary Correction. There were no delinquent participant contributions for the year ended December 31, 2024.

## 12. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 7, 2025, which is the date the financial statements were available to be issued.
