INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Boilermakers Local 5, Zone 5 CBA Scholarship Fund

Opinion

We have audited the financial statements of the Boilermakers Local 5, Zone 5 CBA Scholarship Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements presents fairly, in all material respects, the net assets available for benefits of the Boilermakers Local 5, Zone 5 CBA Scholarship Fund as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Boilermakers Local 5, Zone 5 CBA Scholarship Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boilermakers Local 5, Zone 5 CBA Scholarship Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements is in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Boilermakers Local 5, Zone 5 CBA Scholarship Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boilermakers Local 5, Zone 5 CBA Scholarship Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at end of year and reportable transactions attached to Schedule H are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statement as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description is provided for general information purposes only. Participants should refer to the Plan document and the Summary Plan Description for more complete information.

General: The Boilermakers Local 5, Zone 5 CBA Scholarship Fund (the “Plan”) is a multiemployer collectively bargained welfare plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan operates as a trust to provide scholarships and stipends to active, retired and deceased members and their children. The plan covers participants who were covered employees of participating employers under collectively bargained agreements with Boilermakers Local Lodge No. 5 Union (the “Union”).

Plan Administration: The administration of the Plan is the responsibility of a Board of Trustees comprised of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights.

Benefits: The Plan provides scholarship benefits to active, retired and deceased participants of the Plan and to their covered dependents.

Funding: Employers make contributions for covered participants based upon hours worked. The contribution rate is determined by the collective bargaining agreement in effect at the time.

Plan Termination: The Plan document provides that upon the termination of the Plan, any monies remaining after the payment of all expenses and obligations shall be paid or used for the participants in such manner as will, in the Trustees’ opinion, best effectuate the purpose of the Plan.

Other: Although they have not expressed any intention to do so, the Trustees have the right under the Plan to modify benefits provided to participants. The Plan may be terminated only by joint agreement between the contributing employers and the Union, subject to the provisions set forth in ERISA.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements were prepared on the accrual basis of accounting.

Use of Estimates: The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Employer Contributions: The amounts of employer contributions receivable and employer contribution income do not include any estimates of amounts due from employers where remittance reports were not received by the Plan office nor any amounts due but unpaid as a result of payroll audits.

Valuation of Investments: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest bearing cash is reported at cost, which approximates fair value and is in Level 1 of the fair value hierarchy.

Current Expected Credit Losses: The Plan has adopted Accounting Standards Update (ASU) No. 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. The core principles of ASU 2016-13 (the “ASU”) significantly change the way organizations recognize credit losses by replacing the incurred loss model with an expected loss model. The financials assets held by the Plan that are subject to the ASU are accounts receivables.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

The Plan assesses credit losses on accounts receivable on a regular basis to determine the allowance for doubtful accounts. Given the nature of the Plan's financial assets and historical loss experience, the adoption of the ASU did not have a significant impact on the financial statements.

NOTE 3 – CONCENTRATION OF CREDIT RISK

Financial instruments that subject the Plan to concentration of credit risk include cash and short-term investments. While the Plan attempts to limit any financial exposure, its cash deposit balances may, at times, exceed federally insured limits.

NOTE 4 – TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to be qualified pursuant to Section 501(c)(3) of the Internal Revenue Code and, accordingly, the trust's net income is exempt from income taxes. The Plan's management believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

NOTE 5 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's transactions with the Union and Boilermakers Local Lodge No. 5 Welfare Plan for the year ended December 31, 2024 are summarized as follows:

	<u>Totals</u>	<u>Union</u>	<u>Welfare Plan - Contributions</u>
Beginning balances	\$ 19,076	\$ 19,076	\$ 0
