# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

Financial Statements and Supplemental Schedule

Year Ended December 31, 2024

**WIPFLI**

## Independent Auditor's Report

To the Plan Administrator  
Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements*

We have performed audits of the accompanying financial statements of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements

### Note 1: Description of Plan

The following description of the Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan sponsored by Ledyard National Bank (the "Sponsor") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

#### Eligibility and Participation

Substantially all employees are eligible for participation in the Plan after attaining age 18 or older. Upon meeting the eligibility requirements, employees may enter the Plan on the first day of each month. Each year, the Sponsor makes a 3% non-elective safe harbor employer contribution regardless if the employee elects a deferral. To be eligible to receive discretionary profit sharing contributions, employees must complete at least 1,000 hours of service during the year and be employed as of the last day of the year.

#### Contributions

Participants may elect to defer up to 100% of compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Service ("IRS"). Participants are automatically enrolled at 3% contribution rate unless specified otherwise. Participants who were automatically enrolled in the Plan also receive an automatic increase of 1% occurring annually at the beginning of the Plan year until a 6% contribution rate is attained. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans ("rollovers"). Participants may elect to make Roth contributions to the Plan.

The Sponsor makes a non-elective safe harbor employer contribution, and may make a discretionary profit sharing contributions to the Plan. The Sponsor non-elective safe harbor employer contributions were \$381,563 in 2024. The discretionary profit sharing contribution in 2024 was \$131,776.

#### Investment Options

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA, and therefore, provides that participants may choose to direct their contributions and all of their account balances among the Plan's investment alternatives. All investments are participant directed.

## Notes to Financial Statements

### Note 1: Description of Plan (Continued)

#### Participant Accounts

Participant accounts are credited with the participant's contributions, the Sponsor's contributions, and allocations of investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances, as defined by the Plan. The balance to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions, safe harbor non-elective, and actual earnings (losses) thereon. Vesting in the Sponsor's discretionary profit sharing contribution portion of a participant's account is based on the number of years of services as follows:

<i>Years of Service</i>	<i>Vesting %</i>
Less than two years	0 %
Less than 3 years	20 %
Less than 4 years	40 %
Less than 5 years	60 %
Less than 6 years	80 %
6 or more years	100 %

Upon a participant's death, total disability, or attainment of normal retirement age 65, a participant's accrued benefit is 100% vested.

#### Forfeitures

Forfeitures are portions of participant account balances that participants surrender by terminating employment prior to becoming fully vested. These forfeitures are used to pay administrative expenses or reduce Sponsor contributions. Unallocated forfeitures totaled \$8,575 and \$37 as of December 31, 2024 and 2023, respectively. During 2024, the Sponsor contributions were reduced by \$8,480 from forfeited nonvested accounts.

### **Note 1: Description of Plan (Continued)**

#### **Payment of Benefits**

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, monthly installments for a period not to exceed the joint life expectancy of the participant and their beneficiary, or a combination of these payment options. Participant accounts with values of less than \$1,000 will be paid in a lump-sum distribution as soon as administratively feasible after termination of employment. If the participant account is greater than \$1,000, but is less than \$7,000, and the participant has not elected a rollover into an eligible retirement plan or a cash distribution, the plan administrator will distribute the balance into an individual retirement account as soon as administratively feasible after termination of employment. Under certain circumstances participants may qualify to receive a hardship distribution. In-service distributions from the participant's elective contribution portion of their account are permitted once a participant reaches the age 59 1/2.

#### **Notes Receivable From Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes are repaid over a period not to exceed ten years for primary residence loans and five years for all other loans. The notes are secured by the balance in the participant's account and bear interest at a commercially reasonable fixed interest rate. The interest rates on all notes outstanding at December 31, 2024 ranged from 5.25%-10.50%. Principal and interest are paid ratably through payroll deductions.

#### **Secure 2.0**

The SECURE 2.0 Act of 2022 ("SECURE 2.0") signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. The plan has adopted the requirement minimum distribution at age 73 effective January 1, 2023, and is in process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2026.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

## Notes to Financial Statements

---

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Use of Estimates in Preparation of Financial Statements**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant to be in default, the participant loan balance is reduced and the benefit payment is recorded based on the terms of the plan document.

#### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

#### **Administrative Expenses and Revenue Credits**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Certain expenses directly attributable to the participant's transactions are deducted from the participant's account. Investment related expenses are included in net appreciation in fair value of investments. Revenue credits are calculated quarterly by Fidelity and used to reimburse the Plan for administrative expenses. No revenue credit was received for the year ended December 31, 2024. As of December 31, 2024, the revenue credit account balance was \$61,178.

#### **Subsequent Events**

The Plan has evaluated subsequent events through October 1, 2025, which is the date the financial statements were available to be issued.

### Note 3: Fair Value Measurements

GAAP specifies a three-tier fair value hierarchy, which prioritizes the inputs used in estimating fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds are held by the Plan are deemed to be actively traded.

*Money market fund:* Valued using \$1 as the NAV.

*Common collective trust:* Valued as determined by the issuer of the common collective trust using NAV per share measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2024			Total
	Level 1	Level 2	Level 3	
Money market funds	\$ -	\$ 453,779	\$ -	\$ 453,779
Mutual funds	19,493,806	-	-	19,493,806
Investments measured at NAV (a)				214,868
<b>Total assets at fair value</b>				<b>\$ 20,162,453</b>

# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

## Notes to Financial Statements

### Note 3: Fair Value Measurements (Continued)

	2023			Total
	Level 1	Level 2	Level 3	
Money market funds	\$ -	\$ 411,285	\$ -	\$ 411,285
Mutual funds	20,511,668	-	-	20,511,668
Investments measured at NAV (a)				464,263
Total assets at fair value				\$ 21,387,216

(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Fidelity Advisor Stable Value Fund ("Stable Value Fund") is a common collective trust with underlying investments in fully benefit-responsive investment contracts. The objective is to maintain safety of principal while generating a level of current income exceeding that of a money market. The Stable Value Fund seeks to maintain a stable \$1.00 unit value although there is no guarantee it will be able to do so. The Stable Value Fund invests in traditional and synthetic guaranteed income contracts with various crediting formulas. The Stable Value Fund manager may limit withdrawals in order to maintain sufficient liquidity.

Investments in the common collective trust can be purchased and sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

### Note 4: Information Prepared and Certified by the Trustee

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivables from participants for the year ended December 31, 2024, was obtained or derived from information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the Trustee of the Plan.

### Note 5: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Sponsor contributions.

# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

## Notes to Financial Statements

---

### **Note 6: Tax Status**

The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax exempt from federal and state income taxes.

### **Note 7: Party-in-Interest Transactions**

Certain investments are managed by Fidelity. These transactions, notes receivables from participants, and administrative expenses qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under ERISA regulations.

### **Note 8: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## Independent Auditor's Report

To the Plan Administrator  
Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements*

We have performed audits of the accompanying financial statements of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

### Note 1: Description of Plan

The following description of the Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan sponsored by Ledyard National Bank (the "Sponsor") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

#### Eligibility and Participation

Substantially all employees are eligible for participation in the Plan after attaining age 18 or older. Upon meeting the eligibility requirements, employees may enter the Plan on the first day of each month. Each year, the Sponsor makes a 3% non-elective safe harbor employer contribution regardless if the employee elects a deferral. To be eligible to receive discretionary profit sharing contributions, employees must complete at least 1,000 hours of service during the year and be employed as of the last day of the year.

#### Contributions

Participants may elect to defer up to 100% of compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Service ("IRS"). Participants are automatically enrolled at 3% contribution rate unless specified otherwise. Participants who were automatically enrolled in the Plan also receive an automatic increase of 1% occurring annually at the beginning of the Plan year until a 6% contribution rate is attained. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans ("rollovers"). Participants may elect to make Roth contributions to the Plan.

The Sponsor makes a non-elective safe harbor employer contribution, and may make a discretionary profit sharing contributions to the Plan. The Sponsor non-elective safe harbor employer contributions were \$381,563 in 2024. The discretionary profit sharing contribution in 2024 was \$131,776.

#### Investment Options

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA, and therefore, provides that participants may choose to direct their contributions and all of their account balances among the Plan's investment alternatives. All investments are participant directed.

## Notes to Financial Statements

---

### Note 1: Description of Plan (Continued)

#### Participant Accounts

Participant accounts are credited with the participant's contributions, the Sponsor's contributions, and allocations of investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances, as defined by the Plan. The balance to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions, safe harbor non-elective, and actual earnings (losses) thereon. Vesting in the Sponsor's discretionary profit sharing contribution portion of a participant's account is based on the number of years of services as follows:

<i>Years of Service</i>	<i>Vesting %</i>
Less than two years	0 %
Less than 3 years	20 %
Less than 4 years	40 %
Less than 5 years	60 %
Less than 6 years	80 %
6 or more years	100 %

Upon a participant's death, total disability, or attainment of normal retirement age 65, a participant's accrued benefit is 100% vested.

#### Forfeitures

Forfeitures are portions of participant account balances that participants surrender by terminating employment prior to becoming fully vested. These forfeitures are used to pay administrative expenses or reduce Sponsor contributions. Unallocated forfeitures totaled \$8,575 and \$37 as of December 31, 2024 and 2023, respectively. During 2024, the Sponsor contributions were reduced by \$8,480 from forfeited nonvested accounts.

### **Note 1: Description of Plan (Continued)**

#### **Payment of Benefits**

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, monthly installments for a period not to exceed the joint life expectancy of the participant and their beneficiary, or a combination of these payment options. Participant accounts with values of less than \$1,000 will be paid in a lump-sum distribution as soon as administratively feasible after termination of employment. If the participant account is greater than \$1,000, but is less than \$7,000, and the participant has not elected a rollover into an eligible retirement plan or a cash distribution, the plan administrator will distribute the balance into an individual retirement account as soon as administratively feasible after termination of employment. Under certain circumstances participants may qualify to receive a hardship distribution. In-service distributions from the participant's elective contribution portion of their account are permitted once a participant reaches the age 59 1/2.

#### **Notes Receivable From Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes are repaid over a period not to exceed ten years for primary residence loans and five years for all other loans. The notes are secured by the balance in the participant's account and bear interest at a commercially reasonable fixed interest rate. The interest rates on all notes outstanding at December 31, 2024 ranged from 5.25%-10.50%. Principal and interest are paid ratably through payroll deductions.

#### **Secure 2.0**

The SECURE 2.0 Act of 2022 ("SECURE 2.0") signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. The plan has adopted the requirement minimum distribution at age 73 effective January 1, 2023, and is in process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2026.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

## Notes to Financial Statements

---

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Use of Estimates in Preparation of Financial Statements**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant to be in default, the participant loan balance is reduced and the benefit payment is recorded based on the terms of the plan document.

#### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

#### **Administrative Expenses and Revenue Credits**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Certain expenses directly attributable to the participant's transactions are deducted from the participant's account. Investment related expenses are included in net appreciation in fair value of investments. Revenue credits are calculated quarterly by Fidelity and used to reimburse the Plan for administrative expenses. No revenue credit was received for the year ended December 31, 2024. As of December 31, 2024, the revenue credit account balance was \$61,178.

#### **Subsequent Events**

The Plan has evaluated subsequent events through October 1, 2025, which is the date the financial statements were available to be issued.

### Note 3: Fair Value Measurements

GAAP specifies a three-tier fair value hierarchy, which prioritizes the inputs used in estimating fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds are held by the Plan are deemed to be actively traded.

*Money market fund:* Valued using \$1 as the NAV.

*Common collective trust:* Valued as determined by the issuer of the common collective trust using NAV per share measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ -	\$ 453,779	\$ -	\$ 453,779
Mutual funds	19,493,806	-	-	19,493,806
Investments measured at NAV (a)				214,868
<b>Total assets at fair value</b>				<b>\$ 20,162,453</b>

# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

## Notes to Financial Statements

### Note 3: Fair Value Measurements (Continued)

	2023			Total
	Level 1	Level 2	Level 3	
Money market funds	\$ -	\$ 411,285	\$ -	\$ 411,285
Mutual funds	20,511,668	-	-	20,511,668
Investments measured at NAV (a)				464,263
<b>Total assets at fair value</b>				<b>\$ 21,387,216</b>

(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Fidelity Advisor Stable Value Fund ("Stable Value Fund") is a common collective trust with underlying investments in fully benefit-responsive investment contracts. The objective is to maintain safety of principal while generating a level of current income exceeding that of a money market. The Stable Value Fund seeks to maintain a stable \$1.00 unit value although there is no guarantee it will be able to do so. The Stable Value Fund invests in traditional and synthetic guaranteed income contracts with various crediting formulas. The Stable Value Fund manager may limit withdrawals in order to maintain sufficient liquidity.

Investments in the common collective trust can be purchased and sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

### Note 4: Information Prepared and Certified by the Trustee

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivables from participants for the year ended December 31, 2024, was obtained or derived from information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the Trustee of the Plan.

### Note 5: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Sponsor contributions.

# Ledyard National Bank Employees' Savings & Profit Sharing Plan and Trust

## Notes to Financial Statements

### **Note 6: Tax Status**

The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax exempt from federal and state income taxes.

### **Note 7: Party-in-Interest Transactions**

Certain investments are managed by Fidelity. These transactions, notes receivables from participants, and administrative expenses qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under ERISA regulations.

### **Note 8: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
