Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fyda, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fyda, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fyda, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fyda, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fyda, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fyda, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Fyda, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General:

Fyda, Inc. (the Sponsor) established the Plan effective February 2, 1969 for the benefit of all eligible employees and their beneficiaries of Fyda Freightliner Youngstown, Inc., Fyda Freightliner Pittsburgh, Inc., Fyda Freightliner Columbus, Inc., and Fyda Freightliner Cincinnati, Inc., (the Employers). The Plan is subject to the reporting and disclosure requirements, the minimum participation and vesting standards, and the fiduciary responsibility requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration:

The Plan is administered by the Sponsor. The Sponsor's powers and duties relate to the issuance of interpretative rules and regulations in accordance with the Plan document, including determination of the method and time of benefit distributions and authorization of disbursements from the Plan.

The assets of the various investment accounts are maintained and administered by Empower Annuity Insurance Company of America, the trustee, which is responsible for the custody of Plan assets and the investment of participant accounts. The Plan agreement provides that the trustee of the Plan shall hold, invest, reinvest, manage and administer all assets of the Plan for the exclusive benefit of participants and their beneficiaries.

Participation and Contributions:

All employees of the Employers, who have attained age 21 and who have completed one year of service may participate in the Plan. Eligible employees may make before-tax and after-tax contributions to the Plan. The Employers make a matching contribution equal to 50% of the first six percent of compensation that the participant contributes. Total contributions, both participant and employer, including discretionary, are subject to the limits of the Internal Revenue Code (IRC) Section 415(c). Participant contributions and employer matching contributions of certain highly compensated participants may also be limited based on contribution nondiscrimination tests described in IRC Sections 401(k) and 401(m).

Employer contributions include matching contributions and discretionary contributions. Participant contributions consist of pretax elective deferrals, after-tax contributions and rollover contributions.

Discretionary matching contributions made to the Plan are allocated as of the last day of the Plan year to the account of each participant who elects to have deferred cash contributions made under the Plan, and who is employed with the employer on the last day of the Plan year. Employer discretionary contributions are allocated to participants employed on the last day of the Plan year in the same ratio as each participant's eligible compensation bears to the total eligible compensation of all participants. There were no discretionary contributions made for the years ended December 31, 2024 and 2023.

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Investment of Contributions:

Participants elect to invest their contributions in one or more of the Plan's investment accounts. A participant may elect to change their investment elections as to future contributions and may also elect to reallocate a portion or all of their existing account balances among the available investment accounts.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. The allocation of earnings occurs through the appreciation or depreciation in the fair value of a participant's investment in each of the separate investment accounts.

Vesting and Distributions:

Each participant is immediately and fully vested in their contributions and earnings thereon. Vesting in the employers' contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Benefits are recorded when paid. Amounts credited to an individual's account are distributed at termination of employment as a lump-sum, in installments, or as an annuity. Distributions may be deferred until the participant reaches the age of 59 1/2 if the value of the distribution is not less than \$1,000.

In certain hardship situations, as described in the Plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are limited to deferred account balances and may not include any interest earned thereon.

Participant Notes Receivable:

Participants are permitted to obtain loans from the Plan. The minimum permitted loan amount is \$1,000 and the amount of any loan may not exceed 50% of the participant's vested account balance in the Plan up to \$50,000. The \$50,000 maximum loan amount is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. Interest is charged at Prime plus 1%.

Forfeitures:

The non-vested portion of a terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures that were applied to reduce the contributions of the employers to the Plan totaled \$39,475 and \$13,503 for the years ended December 31, 2024 and 2023, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation of Investments:

Investments are stated at fair value. Units of each portfolio are carried at current fair value as determined by Empower Annuity Insurance Company of America. Investment in fully benefit-responsive insurance contracts are carried at contract value as determined by the insurance company, which approximates fair value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Use of Estimates:

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through October 7, 2025, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Empower Annuity Insurance Company of America that all information relating to the Plan's investments, participant notes receivable and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the trustee, investment income and all information in the supplemental schedule is presented in reliance solely upon those certifications.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of shares held.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Assets at December 31, 2024 are comprised of the following:

	Assets at Fair Value	
	(Level 1)	Total
Registered investment companies	\$ 35,633,934	\$ 35,633,934
Investments measured at net asset value	0	13,134,882
Total investments at fair value	<u>\$ 35,633,934</u>	<u>\$ 48,768,816</u>

Assets at December 31, 2023 are comprised of the following:

	Assets at Fair Value	
	(Level 1)	Total
Registered investment companies	\$ 29,671,444	\$ 29,671,444
Investments measured at net asset value	0	10,739,390
Total investments at fair value	<u>\$ 29,671,444</u>	<u>\$ 40,410,834</u>

The following table summarizes the common/collective trust investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions or unfunded commitments for these investments. The redemption notice period is applicable only to the Plan.

	Fair Value		Redemption Frequency	Redemption Notice Period
	2024	2023		
Common/collective trusts	<u>\$ 13,134,882</u>	<u>\$ 10,739,390</u>	Daily	12 Months

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts by the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(CONTINUED)

The traditional investment contract held by the Plan provides a guarantee that the credit rate will not fall below zero percent. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan)
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

NOTE F - NONPARTICIPANT-DIRECTED INVESTMENTS

Nonparticipant-directed investments consist of forfeitures by participants, which were entirely invested in investment contracts with insurance companies and were not a significant portion of net assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FYDA, INC. 401(k) PLAN

December 31, 2024 and 2023

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company of America (Empower). Empower is the trustee of the Plan and therefore, these transactions qualify as party-in-interest.

NOTE H - INCOME TAX STATUS

The Plan was established using the Empower Retirement, LLC's (fka Great-West Trust Company, LLC) Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA plan, which, according to an opinion letter dated June 30, 2020 from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE I - ADMINISTRATIVE EXPENSES

Expenses incurred in connection with investment transactions are paid by the Plan. Professional and administrative fees and other expenses of the Plan are paid by the Employers. The Sponsor, at any time, may elect to have all such expenses paid by the Plan.

NOTE J - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE K - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
