INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
All Aboard America! Holdings, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of All Aboard America! Holdings, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of All Aboard America! Holdings, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of All Aboard America! Holdings Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about All Aboard America! Holdings Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of All Aboard America! Holdings Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about All Aboard America! Holdings Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

NOTE A - GENERAL DESCRIPTION OF THE PLAN

Plan Summary

All Aboard America! Holdings, Inc. 401(K) Plan (the "Plan"), is a defined contribution plan for the benefit of the employees of All Aboard America Holdings, Inc. and subsidiaries ("the Company"). All employees who have been credited with 90 days of service and have attained the age of 21 are eligible to participate in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following is a brief general description of the Plan. For more detailed plan information, see the plan document.

Contributions

Participants may contribute a specific percentage or dollar amount to the Plan as a salary deferral. There are two types of salary deferrals. Pre-Tax 401(k) deferrals and After-Tax Roth 401(k) deferrals, as defined in the Plan, were limited to \$23,000 for 2024. Participants aged 50 or older may elect to defer additional amounts (called "catch-up contributions"), up to \$7,000 for 2024, to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan provides for the Company to make safe harbor matching contributions, as well as other discretionary contributions. For 2024, the Company's safe harbor matching contribution was 100% of the participant's contributions limited to 4% of the participant's wages. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the contributions and an allocation of the Company's contributions, if any, and Plan earnings, and charged with an allocation of administrative expenses. The plan sponsor, All Aboard America Holdings, Inc. absorbs all other costs of the plan. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants have a 100% vested interest at all times in their elective deferrals, contributions, rollovers, and employer safe harbor contributions plus actual earnings thereon. The Plan operates under the safe harbor provisions of the Code. In accordance with the safe harbor rules, all Company contributions made under the safe harbor provisions are 100% vested immediately. To satisfy these requirements, the Company makes a mandatory, fully vested employer contribution to the accounts of all eligible participants. Participants of Lux Leasing, LLC will be 100% vested at all times in their matching contributions.

NOTE A - GENERAL DESCRIPTION OF THE PLAN - Continued

Vesting-continued

Notwithstanding the preceding description of vesting, the participant or their designated beneficiary is 100% vested in the participant's entire account balance upon retirement at normal retirement age, disability as defined by the Plan or death of the participant.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$123 and \$116, respectively. These accounts will be used to reduce future employer contributions. Forfeitures in the amount of \$1,343 were used to offset the employer match for the Plan in 2024.

Corrective Distributions

Excess contributions payable to participants are recorded for contributions in excess of amounts allowed by the IRS. The Plan is required to return contributions received in excess of IRC limits. There were no corrective distributions payable to participants at December 31, 2024 and 2023, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES - Continued

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See note I for discussion of fair value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in the net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from these estimates.

NOTE C – NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The notes are secured by the balance in the participant's account and bear interest rates equal to 1 percentage point above the prime rate. Interest rates range between 4.25% and 9.5% with maturities at various dates through 2029. Principal and interest are paid ratably through payroll deductions.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE E – TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The Plan obtained its latest determination letter dated June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Company and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE F – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator requested that no auditing procedures be performed on investment information and related activity. Empower Trust Company, LLC (Empower), the trustee, has certified that the investment assets, investment transactions and investment income included in the accompanying financial statements, notes to financial statements and supplemental schedule are complete and accurate as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

ALL ABOARD AMERICA! HOLDINGS, INC. 401(K) PLAN
Notes to Financial Statements
December 31, 2024 and 2023

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan held investments managed by Empower. Empower is the current trustee and recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan to Empower were \$105,150 for the year ended December 31, 2024. Fees paid by the Plan to other known parties-in-interest totaled \$83,483 for the year ended December 31, 2024. The Plan incurred audit fees in the amounts of \$16,000 for the year ended December 31, 2024. The audit fees were paid by All Aboard America Holdings, Inc. the Plan's sponsor.

NOTE I – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for identical or similar assets or liabilities in active or inactive markets, observable inputs other than quoted prices or inputs derived from or corroborated by observable market data by correlation or other means and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE I – FAIR VALUE MEASUREMENTS - Continued

The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are considered to be actively traded.

Collective Investments Trust Funds

The collective investment trust funds are measured at net asset value (NAV) as the practical expedient to estimate fair value. NAV as provided by the fund’s management is based on the fair value of the underlying investments held by the fund less its liabilities. Participants may make daily fund transactions. While the Fund’s Trustee will attempt to maintain sufficient liquidity to meet all withdrawal requests, it is possible that such requests will exceed the Fund’s available liquidity requiring the Fund’s Trustee to defer honoring the withdrawal request. Exchanges of the collective investment trust fund held by the Plan at December 31, 2024 into directly competing investments, as defined, are not permitted. Exchanges must be directed into a non-competing investment for a period of 90 days before being moved to a competing investment. There are no unfunded commitments as of December 31, 2024, for the collective trust fund.
