## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
MemorialCare Medical Group Savings and Retirement Plan  
Fountain Valley, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MemorialCare Medical Group Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MemorialCare Medical Group Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrative Committee of  
MemorialCare Medical Group Savings and Retirement Plan  
Fountain Valley, California

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MemorialCare Medical Group Savings and Retirement Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MemorialCare Medical Group Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Administrative Committee of  
MemorialCare Medical Group Savings and Retirement Plan  
Fountain Valley, California

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MemorialCare Medical Group Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MemorialCare Medical Group Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Administrative Committee of  
MemorialCare Medical Group Savings and Retirement Plan  
Fountain Valley, California

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA 103(a)(3)(C).

# MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Note 1: Description of Plan

The following description of the MemorialCare Medical Group Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all employees of MemorialCare Medical Group (the "Company"). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code ("IRC") and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan initially became effective on January 1, 1995.

Employees who have attained the age of 18 are eligible to enroll in the plan on their first day of employment, as there is no minimum hour requirement to become a plan participant. An employee under the age of 18 can enroll in the plan on the day they reach the age of 18.

#### Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax compensation. Participants may also contribute amounts representing distributions from other qualified plans ("rollovers"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

During 2024, the Plan operated as a safe harbor plan and the Company matched 100% of the participant's deferral up to 4% of compensation, up to the applicable IRS compensation limit. The contributions are made on a per payroll basis, with a true up adjustment made in the following year. The Company may also make discretionary profit sharing and matching contributions. For the year ending December 31, 2024, the Company did not make any discretionary contributions.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately 100% vested in their contributions, Company safe harbor contributions, plus actual earnings thereon.

# MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Note 1: Description of Plan (Continued)

#### Vesting (Continued)

The Company's discretionary matching and profit-sharing contributions and earnings thereon will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The vesting percentage for a participant who is an employee on or after the date the participant reaches normal retirement age (as defined by the Plan) will be 100% vested in employer contributions.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant account. All loans shall bear an interest rate equal to the prime rate plus 1%, which shall remain fixed throughout the duration of the loan. Principal and interest is paid ratably through payroll deductions. Each participant may have up to two loans outstanding at a time. For participant loans that become delinquent, the amount of the unpaid loan principal plus any accrued unpaid interest will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

#### Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments or an annuity. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding \$1,000 will be immediately distributed in a lump-sum payment. All vested account balances exceeding \$1,000, up to \$5,000, will be immediately rolled into another tax deferred account. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship. Active employees who attain age 59 1/2 are permitted to withdraw at any time any part of his or her vested account.

## MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

#### Note 1: Description of Plan (Continued)

##### **Forfeited Accounts**

At December 31, 2024 and 2023, forfeited non-allocated accounts totaled \$5,322 and \$5,068, respectively. Forfeitures are retained in the Plan and may be used to reduce future employer contributions or to pay plan expenses. There were no forfeitures used to pay Plan expenses or reduce employer contributions for the year ended December 31, 2024.

#### Note 2: Summary of Accounting Policies

##### **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income are recorded on a cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable that are deemed by the Plan administrator to be in default are treated as distributions based on the terms of the Plan document.

##### **Payment of Benefits**

Benefits are recorded when paid.

## MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

#### Note 2: Summary of Accounting Policies (Continued)

##### Plan Fees and Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

##### Date of Management's Review

Events occurring after December 31, 2024 have been evaluated for possible adjustments to the financial statements or disclosures as of October 10, 2025, which is the date the financial statements were available to be issued.

#### Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market: Short-term money market instruments are reported at fair value based on quoted market prices.

**MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 3: Fair Value Measurements (Continued)**

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024:

INVESTMENTS	Fair Value Measurements Using Input Type			Total
	Level 1	Level 2	Level 3	
Money market	\$ 7,820,384	\$ -	\$ -	\$ 7,820,384
Mutual funds	155,155,959	-	-	155,155,959
Total investments at fair value	<u>\$ 162,976,343</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 162,976,343</u>

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

INVESTMENTS	Fair Value Measurements Using Input Type			Total
	Level 1	Level 2	Level 3	
Money market	\$ 7,326,305	\$ -	\$ -	\$ 7,326,305
Mutual funds	130,851,829	-	-	130,851,829
Total investments at fair value	<u>\$ 138,178,134</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 138,178,134</u>

In regards to the classification of investment options offered by the Plan, there were no reclassifications in or out of levels 1, 2 or 3 during the years ended December 31, 2024 and 2023.

**Note 4: Certified Investment Information**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

## MEMORIALCARE MEDICAL GROUP SAVINGS AND RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

#### **Note 4: Certified Investment Information (Continued)**

- Non-interest bearing cash, investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2024, as shown on the supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

#### **Note 5: Party-In-Interest Transactions**

The Plan allows for transactions with certain parties who may perform investment or recordkeeping services for the Plan. The plan also issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

#### **Note 6: Plan Termination**

Although it has not expressed any intent to do so, the sponsoring Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any employer contributions.

#### **Note 7: Tax Status**

The Plan uses a pre-approved plan document, which received an advisory letter from the IRS, dated June 30, 2020, stating that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
