Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Northwestern Counseling & Support Services 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Northwestern Counseling & Support Services 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Northwestern Counseling & Support Services 403 (b) Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note B to the financial statements, the Northwestern Counseling & Support Services 403(b) Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northwestern Counseling & Support Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Northwestern Counseling & Support Services 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Northwestern Counseling & Support Services 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, it is inappropriate to, and we do not express an opinion on these supplemental schedule.

Northwestern Counseling & Support Services 403(b) Plan
FINANCIAL STATEMENTS
December 31, 2024

NOTE A DESCRIPTION OF PLAN

The following description of the Northwestern Counseling & Support Services 403(b) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company except:

- Employees who normally work fewer than 20 hours per week
- Non-resident aliens
- Students performing services described in Code Section 3121(b)(10)
- Employees who are eligible to participate in another plan of the employer
- Employees covered by a collective bargaining agreement

Employees are eligible for deferral contributions as of their first day of employee with the Company. Employees are eligible for matching contributions and non-elective employer contributions after one year of eligible service (at least 1,000 hours). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participant contributions to the Plan are made in the form of salary deferrals of up to 100% of qualified compensation, as described in the Plan document, subject to IRS dollar limitations. The Company contributes 3% of gross wages for all eligible employees of the Plan. In addition, the Company will match an additional 1%-4% based on years of service.

Participant Accounts

Each participant's account is credited with allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, which is immediate.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer contributions are vested using a 3-year cliff.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 2.0%.

NOTE A DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$32,490 and \$31,097, respectively. These accounts may be used to reduce subsequent administrative fees and employer contributions. The amount of forfeitures used to offset employer contributions in 2024 and 2023 were \$38,042 and \$39,489, respectively.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note D for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Allowance for Doubtful Accounts

The plan considers allowance for doubtful accounts to be amounts that would not be collectible by the plan. All participant loans are secured by vested participant balances. Therefore, there is no allowance for doubtful accounts at December 31, 2024 and 2023.

Excluded Contracts and Accounts

The plan administrator has elected to exclude certain contracts and accounts from plan assets in accordance with DOL FAB 2009-02 due to the fact that:

- The contract or account was issued to a current or former employee before January 1, 2009;

 FINANCIAL STATEMENTS
 December 31, 2024

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contract or account before January 1, 2009;
- All the rights under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
- The individual owner of the contract is fully vested in the contract or account.

NOTE C INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified by the custodian, Fidelity Management Trust Company.

Participant directed investments at fair value:

| | <u>2024</u> | <u>2023</u> |
|--|-------------|-------------|
| Interest-bearing Cash | \$ 205,700 | \$ 203,585 |
| Notes Receivable from Participants | 696,993 | 671,262 |

| Interest on Notes Receivable from Participants | 65,899 | 49,681 |
| Interest and Dividends | 983,625 | 1,552,960 |

NOTE D FAIR VALUE MEASUREMENTS

The Plan has implemented Fair Value Measurements. This established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

 FINANCIAL STATEMENTS
 December 31, 2024

NOTE D FAIR VALUE MEASUREMENTS (continued)

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2024 and 2023. As required by accounting principles, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

| <u>Description</u> | December 31, 2024 | Quoted Price In Active Markets For Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
|--------------------|----------------------|---|---|--|
| Mutual Funds | <u>\$36,198,581</u> | <u>\$ 36,198,581</u> | <u>\$ -</u> | <u>\$ -</u> |

| <u>Description</u> | December 31, 2023 | Quoted Price In Active Markets For Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
|--------------------|----------------------|---|---|--|
| Mutual Funds | <u>\$31,756,125</u> | <u>\$ 31,756,125</u> | <u>\$ -</u> | <u>\$ -</u> |

NOTE E PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

FINANCIAL STATEMENTS

NOTE F TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable volume submitter letter from the Internal Revenue Service dated August 7, 2017. The Plan sponsor believes that the Plan is operated and in compliance with the applicable regulations.

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended December 31, 2016, remain open for potential examination by the Department of Labor, generally for six years after they were filed.

NOTE G RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H ADMINISTRATIVE EXPENSES AND PARTY IN INTEREST TRANSACTIONS

Certain administrative expenses are paid by the sponsor on behalf of the Plan. Administrative expenses for record keeping paid by the Plan for the years ended December 31, 2024 and 2023 were \$30,517 and \$29,860, respectively.

Certain plan investments are managed by Fidelity investments. Fidelity Management Trust company is the custodian for the plan and performs record keeping services for the plan and therefore these transactions qualify as party in interest transactions. Fidelity investments received direct compensation of \$30,517 for record keeping. Fidelity investments also received indirect compensation.

NOTE I SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 21, 2025, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2024, have been incorporated into these financial statements herein.
