INDEPENDENT AUDITOR'S REPORT

October 6, 2025

To the Plan Administrator of
The Harley School DC Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Harley School DC Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE HARLEY SCHOOL DC PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. PLAN DESCRIPTION

The following brief description of The Harley School DC Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of The Harley School (the School). The Plan is administered by the School. Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF) are the insurance companies of the Plan. TIAA, FSB (for the period January 1, 2023 through July 2023) and TIAA Trust, N.A. (as of and for the years ended December 31, 2023 and 2024). TIAA and CREF maintain separate records with respect to employer contributions including any earnings (losses) thereon credited to a participant's account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to begin elective salary deferrals on the first day of employment with the School. Participants are eligible to receive employer matching contributions after completing one year of service during which the employee works 1,000 hours and is age 21 or older, unless part of an excluded group of employees.

Contributions

Plan participants, through salary reduction, may make contributions up to 100% of the annual maximum allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year, or who have worked 15 or more years for the School, are eligible to make catch-up contributions. Participants may also contribute rollover amounts from other qualified defined benefits, defined contribution plans, or 403(b) tax-sheltered annuity plans.

The School, at its discretion, may contribute a percentage of each qualifying contributing participant's salary reduction as a matching contribution. For the years ended December 31, 2024 and 2023, the School made contributions equal to 5% of eligible compensation for employees who worked less than 10 years and 8% of eligible compensation for all employees who worked more than 10 years. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the School's contribution, an allocation of the Plan's earnings/losses on all contributions, and an allocation of administrative expenses. Allocations of the Plan's earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions, School contributions, and actual earnings/losses thereon.

1. PLAN DESCRIPTION (Continued)

Benefit Payments

Vested funds are paid to participants who retire or terminate employment with the School. A participant may elect to receive either a lump-sum, partial payments, installments payments, an annuity contract (if assets were held in a custodial account) or convert to an income option (if assets are invested in an annuity contract).

Notes Receivable from Participants

Participants may borrow from their vested account balance up to the lesser of 50% of their vested account balances, or \$50,000 reduced by the highest outstanding loan balance during the preceding one-year period. A participant may borrow a minimum of \$1,000. Loans are repayable through payroll deductions, ACH agreement, or other repayment methods previously agreed upon. The terms of the loan will not be more than five years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the higher of the Moody's Corporate Bond Yield Average or effective prime lending rate plus 1%. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with IRS rules relating to hardships, which are uniformly applicable to all participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investments

Investments are reported at fair value, except for fully benefit responsive fixed annuity contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

All investments are participant directed.

Fair Value

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities that the Plan has the ability to access at the measurement date.
- Level 2 inputs are quoted market prices for markets that are not active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 inputs include pricing inputs that are unobservable for the assets and reflect certain assumptions to determine fair value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

The following is a description of the valuation methodology used for assets measured at fair value:

Non-benefit responsive fixed annuity contracts are valued based on accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

Pooled separate accounts are separate accounts of TIAA invested in real estate properties and real estate investments and are valued based on external property appraisals and values obtained from independent pricing sources. Unit values are calculated daily.

Registered investment companies and variable annuity contracts include money market and mutual funds measured at the net asset value of shares held at year end based on quoted prices in active markets.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4. There were no changes in valuation methodologies used during 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Annuity Contracts

The Plan also has fully benefit responsive fixed annuity contracts. TIAA maintains Plan contributions in separate accounts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit responsive investment contracts as contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The accounts are credited with contributions and earnings on the underlying investments and are charged for Plan withdrawals. Earnings on the underlying investments are guaranteed by TIAA at a rate of interest of 3%.

Traditional Annuity Contracts

The Plan utilizes Retirement Choice (RC) annuity contracts with TIAA, which are included in non-benefit responsive fixed annuity contracts on the statements of net assets available for benefits. TIAA maintains Plan contributions in separate accounts. RC contracts provide a floating guaranteed rate between 1-3% based on the 5-year Constant Maturity Treasury Rate less 125 basis points. Under RC contracts, lump-sum withdrawals are available from the TIAA Traditional account only within 120 days after termination of employment and are subject to a 2.5% surrender charge. All other withdrawals and transfers from the account must be paid in 84 monthly installments (7 years). After termination of employment, additional income options available include income for life, interest-only payments, and IRS required minimum distribution payments.

The Plan also utilizes Retirement Annuity (RA) contracts with TIAA, which are included in non-benefit responsive fixed annuity contracts in the statements of net assets available for benefits. TIAA maintains Plan contributions in separate accounts. RA contracts guarantee principal and a 3% minimum annual interest rate. Under RA contract terms, lump-sum withdrawals are not available. All withdrawals and transfers must be spread over 10 annual installments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest.

Benefit Payments

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants. Certain management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, certain management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by TIAA and CREF and is included in the accompanying financial statements at December 31 and for the year then ended:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ <u>30,790,959</u>	\$ <u>28,011,682</u>

	<u>\$ 21,277,265</u>	<u>\$ -</u>	<u>\$ 6,734,417</u>	<u>\$ 28,011,682</u>

During the years ended December 31, 2024 and 2023, investments classified as Level 3 within the fair value hierarchy totaling \$249,125 and \$294,017, respectively, were purchased and investments totaling \$212,495 and \$310,077, respectively, were sold.

Non-Benefit Responsive Fixed Annuity Contracts

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as level 3 in the fair value hierarchy at December 31:

<u>Type</u>	<u>2024 Fair Value</u>	<u>Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>Range</u>
TIAA Traditional Non-Benefit Responsive Fixed Annuity Contracts	<u>\$ 6,771,047</u>	Discounted cash flow and theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RC – 3.90% - 6.75% RA – 3.65% - 6.50%

Non-Benefit Responsive Fixed Annuity Contracts (Continued)

<u>Type</u>	<u>2023 Fair Value</u>	<u>Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>Range</u>
TIAA Traditional Non-Benefit Responsive Fixed Annuity Contracts	<u>\$ 6,734,417</u>	Discounted cash flow and theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RC – 4.25% - 7.00% RA – 4.00% - 6.75%

* Unobservable inputs include discount rate applied.

5. PARTY-IN-INTEREST TRANSACTIONS

TIAA and CREF are the insurance companies and issuers of the annuity contracts of the Plan. As such, transactions between TIAA and CREF and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants and plan loans qualify as party-in-interest transactions.

TIAA and CREF provides certain administrative services to the Plan pursuant to a Recordkeeping Agreement (RKA) between the Plan Sponsor and TIAA and CREF. TIAA and CREF receives revenue from mutual fund service providers for services TIAA and CREF provides to the funds. This revenue is used to offset certain amounts owed to TIAA and CREF for its administrative services to the Plan.

If the revenue received by TIAA and CREF from such mutual fund service providers exceeds the amount owed under the RKA, TIAA and CREF remits the excess to the Plan's trust on a quarterly basis. Such amounts may be used to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024 and 2023, there were excesses in the amount of \$10,795 and \$8,749, respectively, which have been presented as a reduction of administrative expenses. The Plan or Plan Sponsor may make a payment to TIAA and CREF for administrative expenses not covered by revenue sharing.

6. TAX STATUS

The Plan adopted a volume submitter plan offered by TIAA stating that the written form of the underlying specimen plan is qualified under Section 403(b) of the Internal Revenue Code. The volume submitter plan received an IRS Opinion Letter dated August 7, 2017, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would remain 100% vested in their accounts.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and the change in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2024 and 2023.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 6, 2025, which is the date the financial statements were available to be issued.
