INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee and Plan Administrator of
Solutions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Solutions 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (liquidation basis) and 2023 (going concern basis), and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan does not have sufficient accounting records and source documents relating to certain contributions withheld from payroll and remitted to the Plan and distributions to participants from the Plan. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting

As further discussed in Notes 1 and 2 to the financial statements, the Plan was terminated effective October 3, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Solutions 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established effective January 1, 2021, for the benefit of the employees of the US Logistics Solutions, Inc. (the “Company”). The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers all employees of the Company, except those who are covered by a collective bargaining agreement. Eligible employees who have attained the age of 21 and have completed two months of service may enter the Plan on the first day of the following month.

Plan Termination

In June 2024, the Company filed for Chapter 7 bankruptcy protection and terminated all employees. As a result, the Plan was amended to freeze participation and terminate the Plan effective October 3, 2024. All participants affected by the termination became 100% vested in their accounts in the Plan. The remaining balances in the Plan’s forfeiture accounts were to be applied in a specific order as dictated in the termination agreement. Substantially all of the Plan’s assets were distributed by December 31, 2024.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan subject to the maximum amount allowed by law. Participants who have attained the age of 50 before the end of the plan year may make additional catch-up contributions. The Plan allows for eligible employees or participants that were in a former employer’s qualified plan to contribute direct rollovers to the Plan in accordance with the terms of the Plan. Participants may also make in-plan Roth rollover contributions.

The Company may, at its discretion, contribute a discretionary employer matching or nonelective contribution to the Plan to be allocated to the accounts of eligible participants as described in the Plan document. Effective April 1, 2024, the Company reinstated the discretionary employer matching contribution. The Company made a discretionary employer matching contribution of 50% of the participant’s deferral contribution, excluding catch-up deferrals, up to 4% of the participant’s eligible compensation, per pay period. The Company did not make a discretionary nonelective contribution for the year ended December 31, 2024.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. In addition, participants are charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their participant and rollover contribution accounts and the appreciation or depreciation thereon. For vesting purposes, a participant must be credited with at least 1,000 hours during the plan year to qualify as one year of service and count towards vesting. Vesting in the Company's contributions plus earnings thereon is based on years of service. Participants vest 20% after two years of service and then 20% per year until they are 100% vested after six years of service. A participant is immediately vested upon death, retirement, or termination of employment due to total and permanent disability. Effective October 3, 2024, all participants in the Plan became 100% vested.

Payment of Benefits

Normal retirement age under the Plan is 65. Early retirement age is the later of the date a participant attains age 55 or the date a participant age completes five years of service after attaining age 55. Upon a participant's termination, retirement, death, or total and permanent disability, the vested funds in the participant's account are available to be distributed in lump-sum payment, equal installments, and partial withdrawals. The Plan also allows in-service withdrawals upon attaining the age 59 ½ and hardship withdrawals, subject to conditions as set forth in the Plan document.

Notes Receivable from Participants

The Plan permits participants to borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. The \$50,000 is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. A participant may elect a repayment term of up to five years for general-purpose loans or up to fifteen years if the loan is for the purchase of the participant's principal residence. Loans are secured by the balance in the participant's account and loan payments are generally made through payroll deductions. The interest rate for new loans is 2% over the prime rate published in the Wall Street Journal on the first business day of the month the loan is originated. A participant may only have one loan outstanding at any time.

Forfeitures

Forfeitures of nonvested Company contributions shall be used to reduce Company contributions or to pay Plan administrative expenses. The forfeiture balance was \$90,764 and \$195,864 at December 31, 2024 and 2023, respectively. During 2024, \$167,984 of forfeitures were used to reduce Company contributions and \$106,135 were used to pay Plan administrative expenses.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements due to the Plan termination discussed in Note 1. The adoption of the liquidation basis of accounting did not have a material impact on the Plan's financial statements.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to recordkeeping, notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Investments

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of investments are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As described in Note 5, the Plan invests in a fully benefit-responsive contract through the Empower Annuity Insurance Company of America (EAICA) Fixed Account - Series Class I (the "Fixed Account").

Contributions

Contributions from Plan participants and the Company discretionary matching contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

SOLUTIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 3 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC (Empower), the trustee of the Plan, and EAICA, an insurance company, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 (liquidation basis) and 2023 (going concern basis), the supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024, and the related investment income and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2024.

NOTE 4 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

SOLUTIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2024 or 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$66</u>			<u>\$66</u>
Total investments at fair value	<u>\$66</u>			<u>\$66</u>

<u>Description</u>	<u>2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$11,262,254</u>			<u>\$11,262,254</u>
Total investments at fair value	<u>\$11,262,254</u>			<u>\$11,262,254</u>

NOTE 5 - GUARANTEED INTEREST ACCOUNT

The Plan maintains a fully benefit-responsive investment contract with EAICA, the Fixed Account. EAICA maintains the contributions in a general account. The contract is included in the statements of net assets available for benefits at contract value, as reported to the Plan by EAICA. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

SOLUTIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 5 - GUARANTEED INTEREST ACCOUNT (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with EAICA. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemptions under ERISA.

Although the Company declared bankruptcy and the Plan was terminated during 2024, this did not limit the Plan's ability to transact at contract value with participants. The contract does not permit EAICA to terminate the agreement prior to the scheduled maturity date.

EAICA's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets, and the amortization of any capital gains and/or losses realized on the sale of invested assets. The underlying contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

At December 31, 2024 and 2023, the contract value of the Fixed Account was \$90,764 and \$597,826, respectively. The crediting rate is based on a formula agreed upon with EAICA with no minimum rate guaranteed.

NOTE 6 - TAX STATUS

The Plan has adopted a pre-approved defined contribution plan document, which obtained its latest opinion letter dated November 14, 2022, in which the Internal Revenue Service (IRS) stated that the pre-approved document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities. In general, such investments are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risks. Due to the risks associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes may materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SOLUTIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 (liquidation basis) and 2023 (going concern basis)

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in the Fixed Account managed by EAICA. EAICA is an affiliate of Empower and, therefore, qualifies as a party in interest as defined under ERISA guidelines. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction rules.

NOTE 9 - OPERATIONAL ERRORS

During 2024, 2023, 2022 and 2021, there were delays by the Company in submitting participant contributions and loan repayments in the aggregate amount of \$933,394. The Company plans to compensate the affected participants for all lost earnings resulting from the delay in remitting these contributions and loan repayments.

Management has determined that the Company improperly excluded certain amounts from eligible compensation during 2023. Management is determining the appropriate action to correct this operational error.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued.
