INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Advisory Committee of the
HHG Companies, Inc. 401(k) Profit Sharing Plan
Irving, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HHG Companies, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the HHG Companies, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to all employees of HHG Companies, Inc., (the Company or Plan Sponsor) who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company oversees the governance of the Plan. The Company determines the appropriateness of the Plan's investment offerings and monitors the Plan's investment performance.

Eligibility: Employees may enter the Plan upon completion of six months of service and attainment of age 21. Entry dates are the first day of each month following the date the employee meets the eligibility requirements.

Contributions: Each calendar year, participants may contribute elective deferrals up to the lesser of the Federal limits or 60% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum compensation deferral during 2024 was $23,000. For participants age 50 and older as of December 31, 2024, an additional catch-up provision of $7,500 was allowed during 2024. Participants may also contribute amounts representing distributions from other qualified plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an interest-bearing cash option. At its discretion, the Plan Sponsor may make matching contributions. During the year ended December 31, 2024, the Plan was amended to make participants eligible for matching contributions if they are participating in the Plan and are making contributions. Matching contributions are calculated throughout the course of the Plan year and remitted to the Plan subsequent to year-end.

Participant Accounts: Each participant's account is credited or charged with the participant's contribution and allocations of (a) the Plan Sponsor's matching and nonelective contribution and, (b) Plan earnings (losses), an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings (losses) or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested interest in their account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

Forfeitures: Upon termination of employment, participants forfeit non-vested balances. Non-vested balances are available to be used to reduce future Plan Sponsor contributions or pay Plan related expenses. At December 31, 2024 and 2023, forfeited nonvested accounts totaled $29,043 and $20,963, respectively. For the year ended December 31, 2024 forfeitures of $19,537 were used to pay plan administrative expenses.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting Plan Sponsor contributions plus actual earnings thereon is based on years of service. Employees who die or are disabled are 100% vested. A participant is 100% vested after six (6) years of credited service. The vesting schedule is determined as follows:

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Payment of Benefits: On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the vested value of the participant's account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding $5,000 in the Plan until the later of April 1 of the year succeeding the year in which age 70-1/2 is attained or termination of employment. Premature payments may also be obtained, subject to the limitations imposed by the Internal Revenue Code (IRC). Terminated participants with vested account balances less than $1,000 will have their account balance distributed as soon as administratively feasible. Terminated participants with account balances greater than $1,000, but less than $5,000 will have their account rolled into an Individual Retirement Account (IRA).

Hardship Distributions: Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions are set forth in the Plan document. A participant's right to make deferrals to the Plan will be suspended for six (6) months after the receipt of a hardship withdrawal.

Administrative Expenses: The Plan Sponsor pays for some of the administrative expenses for operating the Plan. Generally, those expenses include the cost of audit and certain administration fees. The Plan permits the payment of Plan-related expenses to be made from Plan assets. These expenses will be allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of plan participants. The Plan permits the payment of expenses which are incurred by or attributable to a particular individual based on the use of a particular plan feature to be assessed against an individual participant's account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those assets.

Estimates: The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator U.to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make repayments and the Plan Administrator considers the participant receivable to be in default, the loan balance is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payments of Benefits: Benefits are recorded when paid.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events: The Plan has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued, and has determined that no events or transactions require recognition or disclosure in these financial statements.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE

Information on the Plan’s investment assets as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan’s financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (FMTC), the trustee of the Plan. The Plan Administrator has obtained a certification from FMTC that information provided to the Plan Administrator by the FMTC related to the investment assets is complete and accurate. Accordingly, as permitted by Section 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the Plan’s investment assets which appear throughout the financial statements and ERISA-required supplemental schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures, in conformity with GAAP, the Plan discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The fair value hierarchy is categorized into three (3) levels based on the inputs as follows:

Level 1: Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The fair value of mutual funds and interest-bearing cash is determined using Level 1 inputs.

Level 2: Valuations based on quoted prices in markets that are not active or quoted prices for similar assets or liabilities in active markets or for which all significant inputs are observable, either directly or indirectly, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Valuations based on inputs that are unobservable in the market and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2024	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 622,253	$ --	$ --	$ 622,253
Mutual funds	6,741,402	--	--	6,741,402
Total Plan assets at fair value	$ 7,363,655	$ --	$ --	$ 7,363,655

December 31, 2023	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 606,146	$ --	$ --	$ 606,146
Mutual funds	5,440,249	--	--	5,440,249
Total Plan assets at fair value	$ 6,046,395	$ --	$ --	$ 6,046,395

NOTE 5. TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit-sharing plan with a cash or deferral arrangement adopted by the Plan is acceptable under the IRC Section 401. The Plan has not received an opinion letter specific to the Plan itself; however, management believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's policy is to recognize tax positions in the financial statements when it is more likely than not the position will be sustained upon examination by the tax authorities. As of December 31, 2024, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2024, the Plan's annual tax filings for the prior three (3) years are open for audit by the IRS.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions.

NOTE 7. PARTY IN INTEREST TRANSACTIONS

Certain investments are shares of registered investment funds managed by Fidelity Investments Institutional, the Plan's recordkeeper. FMTC was the Plan's investment trustee. These transactions qualify as party-in-interest transactions.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits between the financial statements and Form 5500 as of December 31:

	2024	2023
Net assets available for benefits per the financial statements	$ 7,675,756	$ 6,225,102
Less: Participant contribution receivable	(23,324)	(25,861)
Less: Plan Sponsor contribution receivable	(243,030)	(207,553)
Add: Excess contributions payable	82,623	85,670
Net assets available for benefits per the Form 5500	$ 7,492,025	$ 6,077,358

The following is a reconciliation of the net increase per the financial statements and net increase per the Form 5500, for the year ended December 31, 2024:

Net increase per the financial statements	$ 1,450,654
Add: Change in participant contribution receivable	2,537
Less: Change in Plan Sponsor contribution receivable	(35,477)
Less: Change in excess contributions payable	(3,047)
Net increase per the Form 5500	$ 1,414,667

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such investments. The Plan's provisions as well as those of ERISA and the participants' investment preferences dictate the Plan's concentrations of credit risk and market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 10. EXCESS CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS of $82,623 and $85,670 are recorded as liabilities in the accompanying statements of net assets available for Plan benefits as of December 31, 2024 and 2023, respectively. The Plan distributed the excess contributions to the applicable participants in the subsequent year.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Advisory Committee of the
HHG Companies, Inc. 401(k) Profit Sharing Plan
Irving, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HHG Companies, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the HHG Companies, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to all employees of HHG Companies, Inc., (the Company or Plan Sponsor) who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company oversees the governance of the Plan. The Company determines the appropriateness of the Plan's investment offerings and monitors the Plan's investment performance.

Eligibility: Employees may enter the Plan upon completion of six months of service and attainment of age 21. Entry dates are the first day of each month following the date the employee meets the eligibility requirements.

Contributions: Each calendar year, participants may contribute elective deferrals up to the lesser of the Federal limits or 60% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum compensation deferral during 2024 was $23,000. For participants age 50 and older as of December 31, 2024, an additional catch-up provision of $7,500 was allowed during 2024. Participants may also contribute amounts representing distributions from other qualified plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an interest-bearing cash option. At its discretion, the Plan Sponsor may make matching contributions. During the year ended December 31, 2024, the Plan was amended to make participants eligible for matching contributions if they are participating in the Plan and are making contributions. Matching contributions are calculated throughout the course of the Plan year and remitted to the Plan subsequent to year-end.

Participant Accounts: Each participant's account is credited or charged with the participant's contribution and allocations of (a) the Plan Sponsor's matching and nonelective contribution and, (b) Plan earnings (losses), an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings (losses) or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested interest in their account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

Forfeitures: Upon termination of employment, participants forfeit non-vested balances. Non-vested balances are available to be used to reduce future Plan Sponsor contributions or pay Plan related expenses. At December 31, 2024 and 2023, forfeited nonvested accounts totaled $29,043 and $20,963, respectively. For the year ended December 31, 2024 forfeitures of $19,537 were used to pay plan administrative expenses.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting Plan Sponsor contributions plus actual earnings thereon is based on years of service. Employees who die or are disabled are 100% vested. A participant is 100% vested after six (6) years of credited service. The vesting schedule is determined as follows:

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Payment of Benefits: On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the vested value of the participant's account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding $5,000 in the Plan until the later of April 1 of the year succeeding the year in which age 70-1/2 is attained or termination of employment. Premature payments may also be obtained, subject to the limitations imposed by the Internal Revenue Code (IRC). Terminated participants with vested account balances less than $1,000 will have their account balance distributed as soon as administratively feasible. Terminated participants with account balances greater than $1,000, but less than $5,000 will have their account rolled into an Individual Retirement Account (IRA).

Hardship Distributions: Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions are set forth in the Plan document. A participant's right to make deferrals to the Plan will be suspended for six (6) months after the receipt of a hardship withdrawal.

Administrative Expenses: The Plan Sponsor pays for some of the administrative expenses for operating the Plan. Generally, those expenses include the cost of audit and certain administration fees. The Plan permits the payment of Plan-related expenses to be made from Plan assets. These expenses will be allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of plan participants. The Plan permits the payment of expenses which are incurred by or attributable to a particular individual based on the use of a particular plan feature to be assessed against an individual participant's account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those assets.

Estimates: The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator U.to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make repayments and the Plan Administrator considers the participant receivable to be in default, the loan balance is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payments of Benefits: Benefits are recorded when paid.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events: The Plan has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued, and has determined that no events or transactions require recognition or disclosure in these financial statements.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE

Information on the Plan’s investment assets as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan’s financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (FMTC), the trustee of the Plan. The Plan Administrator has obtained a certification from FMTC that information provided to the Plan Administrator by the FMTC related to the investment assets is complete and accurate. Accordingly, as permitted by Section 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the Plan’s investment assets which appear throughout the financial statements and ERISA-required supplemental schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures, in conformity with GAAP, the Plan discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The fair value hierarchy is categorized into three (3) levels based on the inputs as follows:

Level 1: Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The fair value of mutual funds and interest-bearing cash is determined using Level 1 inputs.

Level 2: Valuations based on quoted prices in markets that are not active or quoted prices for similar assets or liabilities in active markets or for which all significant inputs are observable, either directly or indirectly, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Valuations based on inputs that are unobservable in the market and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2024	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 622,253	$ --	$ --	$ 622,253
Mutual funds	6,741,402	--	--	6,741,402
Total Plan assets at fair value	$ 7,363,655	$ --	$ --	$ 7,363,655

December 31, 2023	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 606,146	$ --	$ --	$ 606,146
Mutual funds	5,440,249	--	--	5,440,249
Total Plan assets at fair value	$ 6,046,395	$ --	$ --	$ 6,046,395

NOTE 5. TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit-sharing plan with a cash or deferral arrangement adopted by the Plan is acceptable under the IRC Section 401. The Plan has not received an opinion letter specific to the Plan itself; however, management believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's policy is to recognize tax positions in the financial statements when it is more likely than not the position will be sustained upon examination by the tax authorities. As of December 31, 2024, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2024, the Plan's annual tax filings for the prior three (3) years are open for audit by the IRS.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions.

NOTE 7. PARTY IN INTEREST TRANSACTIONS

Certain investments are shares of registered investment funds managed by Fidelity Investments Institutional, the Plan's recordkeeper. FMTC was the Plan's investment trustee. These transactions qualify as party-in-interest transactions.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits between the financial statements and Form 5500 as of December 31:

	2024	2023
Net assets available for benefits per the financial statements	$ 7,675,756	$ 6,225,102
Less: Participant contribution receivable	(23,324)	(25,861)
Less: Plan Sponsor contribution receivable	(243,030)	(207,553)
Add: Excess contributions payable	82,623	85,670
Net assets available for benefits per the Form 5500	$ 7,492,025	$ 6,077,358

The following is a reconciliation of the net increase per the financial statements and net increase per the Form 5500, for the year ended December 31, 2024:

Net increase per the financial statements	$ 1,450,654
Add: Change in participant contribution receivable	2,537
Less: Change in Plan Sponsor contribution receivable	(35,477)
Less: Change in excess contributions payable	(3,047)
Net increase per the Form 5500	$ 1,414,667

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such investments. The Plan's provisions as well as those of ERISA and the participants' investment preferences dictate the Plan's concentrations of credit risk and market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 10. EXCESS CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS of $82,623 and $85,670 are recorded as liabilities in the accompanying statements of net assets available for Plan benefits as of December 31, 2024 and 2023, respectively. The Plan distributed the excess contributions to the applicable participants in the subsequent year.
