## **INDEPENDENT AUDITOR'S REPORT**

Plan Administrator and Participants  
ABB Puerto Rico CODA Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of ABB Puerto Rico CODA Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ABB Puerto Rico CODA Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Certified Public Accountants

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABB Puerto Rico CODA Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABB Puerto Rico CODA Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Certified Public Accountants

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ABB Puerto Rico CODA Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABB Puerto Rico CODA Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2024 and Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## A. PLAN DESCRIPTION:

- (1) *General.* The ABB Puerto Rico CODA Profit Sharing Plan (the Plan) is a defined contribution plan covering all full-time and part-time employees of ABB Installation Products Caribe LLC, the Plan Sponsor and Industrial C&S of P.R., LLC, a Participating Employer. The Plan Sponsor and the Participating Employer are affiliated entities in Puerto Rico. Eligibility, participation, enrollment, contributions, vesting, forfeitures, loans, withdrawals, distributions, and other plan provisions are described in detail in the Plan document. The trustee of the Plan is Banco Popular Trust Division, Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company), manages the plan's investments and serves as custodian of the Plan. Principal Financial Group (Principal) provides record-keeping services to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (2) *Contributions by Participants and Employer.* An eligible covered employee may elect to authorize pre-tax contributions in an amount equal to any whole percentage of compensation up to 50% each payroll period, subject to statutory limitations. After tax contributions are permitted. The Plan provides that covered employees hired or rehired who have met the requirements to be eligible to participate in the Plan and who have not made a voluntary deferral election will be automatically enrolled in the Plan. As part of automatic enrollment, the participant shall be deemed to have made a before-tax deferral election of 3% of compensation. The deemed election may be changed or revoked by the covered employee at any time subsequent to automatic enrollment. For eligible covered employees, the Company matches 50% of a participant's before-tax contributions up to 8% of compensation, subject to statutory limitations. The Plan allows for participant directed investments and rollover contributions.
- (3) *Non-Elective Contributions.* Employees of the Participating Employers who are eligible to participate in the Plan are eligible to receive a non-elective contribution equal to 3% of eligible compensation regardless of whether the participant makes pre-tax contributions to the Plan. Non-elective contributions amounted to approximately \$1,096,100 in 2024.

In addition, effective January 1, 2023 the plan was amended to allow a true-up matching contribution for eligible participants. True-up contributions amounted to approximately \$27,400 in 2024.

- (4) *Participant Accounts.* Each participant's account is credited with the participant's and employer's contributions, allocation of earnings (loss) on the account and allocation of administrative expenses. Allocations of earnings (loss) and expenses are based upon the market activity and fees of the investment options selected by the participant. Each participant may change the amount and allocation of his or her contribution or reallocate existing balances among funds.
- (5) *Investments.* Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds, and a stable value collective trust fund as investment options for participants.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(Continued)

## A. PLAN DESCRIPTION (CONTINUED):

- (6) *Vesting.* All participants are vested 100% in the amounts credited to their employer contribution account. A participant in the Plan whose employment terminates for any reason before his or her death, is entitled to receive the vested portion of his or her employer contributions account, adjusted for plan earnings or losses thereon. A participant is entitled to receive 100% of the participant's own contributions, adjusted for plan earnings or losses thereon.
- (7) *Forfeitures.* Under the provisions of the Plan, unvested employer contributions are subject to forfeiture at the time a participant has a separation of employment and receives a lump sum distribution. Otherwise, unvested contributions are subject to forfeiture when the participant incurs a five-year period of severance. Unallocated forfeitures and related earnings, if any, can reduce future employer contributions or pay for administrative expenses. The Plan held forfeitures of \$3,304 and \$5,018 at December 31, 2024 and 2023, respectively.
- (8) *Notes Receivable from Participants.* Participants with vested benefits are permitted to borrow directly from their account. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested benefit, after excluding non-elective employer contributions, for a period of up to five years (20 years for the purchase of a principal residence). Participants may not have more than one outstanding loan at any time. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate in effect on the first business day of the month in which the loan is granted. The rate does not change for the life of the loan. Loan repayments credited to a particular account of a participant are reinvested in proportion to the participant's most recent investment directive. Participant loans are recorded at amortized cost and are presented as "notes receivable from participants" on the statements of net assets available for benefits. There were 328 and 237 participants with loans outstanding as of December 31, 2024 and 2023, respectively. Interest rates range from 3.25% to 9.50% and maturity dates range from 2025 to 2043.

Loan origination fees are reported as administrative expenses.

- (9) *Payments of Benefits.* An employee who terminates employment for any reason with a vested balance exceeding \$5,000 may elect to have his vested balance distributed as a lump sum or in installments. A lump sum distribution is required if the vested balance is \$5,000 or less. A participant who becomes totally and permanently disabled becomes 100% vested in the employer matching and non-elective contributions and will be considered as terminated. In-service distributions and hardship withdrawals are made in accordance with applicable plan provisions.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(Continued)

**A. PLAN DESCRIPTION (CONTINUED):**

- (10) *Administration.* The Plan Sponsor is responsible for general administration of the Plan and interpretation and execution of the Plan's provisions. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. The Plan provides that all reasonable expenses of administration may be paid from the assets of the Plan. However, certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:***Basis of Presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (GAAP).

*Use of Estimates in Preparation of Financial Statements*

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the Plan for investments in the mutual funds and the collective trust fund, are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

*Contributions*

Contributions from the Plan Sponsor and participants are accrued as they become obligations of the Plan Sponsor, in the period in which they are deducted, in accordance with salary deferral agreements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(Continued)

**B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Participants pay certain administrative expenses including costs for loans and distributions.

*Excess Contributions Payable*

Amounts payable to participants for contributions in excess of amounts allowed by the Puerto Rico tax regulations are recorded as a liability with a corresponding reduction to contributions.

*Payment of Benefits*

Benefits are recorded when paid.

**C. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE:**

D. FAIR VALUE MEASUREMENTS:

The Plan values its investments at fair value. Fair value is the price received to transfer an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Measuring fair value involves a hierarchy of valuation inputs used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follows: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable inputs in which little or no market data exists, therefore requiring a company to develop its own valuation assumptions. At December 31, 2024 and 2023 all the plan assets are classified as Level 1. The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(Continued)

**D. FAIR VALUE MEASUREMENTS (CONTINUED):**

*Mutual funds:* Fair value represents the net asset value, based on quoted market prices in active markets, of units held by the Plan at year end.

*Stable Value Collective Trust Fund (the Fund):* The Goldman Sachs Stable Value Collective Trust seeks to earn current income while preserving capital and maintaining principal stability. The Fund invests in fixed income instruments. The issuer of the contract agrees, subject to contract conditions, to make payments representing redemptions from the Fund for participant-initiated benefit payments at book value. This benefit responsiveness feature is designed to allow the Fund to maintain participant balances at book value while the impact of market fluctuations on investor account balances is smoothed via periodic adjustments to the crediting rate. In 2024, the Fund's gross crediting rate was approximately 3%.

The methods described above may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**E. RISKS AND UNCERTAINTIES:**

Investments of the Plan are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**F. PARTIES-IN-INTEREST:**

Banco Popular de Puerto Rico, as trustee; Principal Trust Company and its affiliates, as record keeper, administrator, trustee and custodian of plan assets; ABB Inc. U.S. Investment Subcommittee and ABB Inc. U.S. Pension and Benefit Committee, as those charged with governance, are each considered parties-in-interest to the Plan.

Transactions with parties-in-interest also include fees paid during the year for trustee, accounting, and other services, as well as contributions paid to the Plan by the Plan Sponsor and loans made to participants. All of these transactions are exempted from prohibited transaction rules under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(Continued)

**G. TERMINATION:**

Although it has not expressed any intent to do so, the Board of Directors of the Plan Sponsor may terminate the Plan, in whole or in part, or permanently discontinue contributions thereunder for any reason at any time. In the case of such termination or permanent discontinuance of contributions thereunder, the participants become fully vested in their accounts, except to the extent the law or regulations may preclude such vesting in order to prevent discrimination in favor of highly compensated employees.

**H. TAX STATUS:**

The Plan obtained its latest determination letter on March 5, 2025 (requested on April 15, 2024) in which the Puerto Rico Treasury Department stated that the Plan, as then designed, and related trust were in compliance with the applicable requirements of the Puerto Rico Internal Revenue Code of 2011 (PRIRC), as amended.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. As of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The plan administrator and plan sponsors believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the PRIRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, as long as the Plan is qualified under Puerto Rico income tax laws and regulations, participants will not be taxed on salary-deferred contributions or on investment earnings on such contributions at the time such contributions and investment earnings are received by the custodian but will be subject to tax thereon at such time as they received distributions from the Plan.

**I. DATE OF MANAGEMENT REVIEW:**

Management has evaluated subsequent events through September 23, 2025, the date which the financial statements were available for issue and determined that no events have occurred subsequent to December 31, 2024 that would require adjustment to, or disclosure in, the financial statements.
