INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Teamsters Local Union 676 and Employers Annuity Fund

Opinion

We have audited the accompanying financial statements of Teamsters Local Union 676 and Employers Annuity Fund, an employee benefit plan subject to Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Net Assets Available for Benefits (modified cash basis) as of December 31, 2024 and 2023 and the related Statement of Changes in Net Assets Available for Benefits (modified cash basis) for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the Net Assets Available for Benefits of Teamsters Local 676 and Employers Annuity Fund (modified cash basis) as of December 31, 2024 and 2023, and the Changes in its Net Assets Available for Benefits (modified cash basis) for the years ended December 31, 2024 and 2023, in accordance with modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audits in accordance with the auditing standards generally accepted in the United States of American (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local 676 and Employers Annuity Fund and meet our other ethical responsibilities, in accordance with the relevant requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local 676 and Employers Annuity Fund's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local Union 676 and Employers Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union 676 and Employers Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information and the Schedule of Administrative Expenses are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following brief description of Teamsters Local 676 and Employers Annuity Fund (Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General:

Effective as of January 1, 2014 the Plan is a defined contribution, multiemployer collectively bargained profit-sharing plan that has been established by the Union and certain Employers for the exclusive benefit of Participants and their Beneficiaries. Prior to January 1, 2014, the Plan was a multiemployer collectively bargained money purchase pension plan. All benefits, rights and features protected by Section 411 (d)(6) of the Internal Revenue Code of 1986, as amended (the Code) and Section 204 (g) of the Employee Retirement Income Security Act of 1974, as amended (ERISA), shall be preserved with respect to benefits attributable to work performed prior to January 1, 2014. The Plan was established pursuant to an Agreement and Declaration of Trust effective May 1, 1994. The operation and administration of the Plan are the responsibility of the Board of Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

The amount to be contributed to the Plan for a participant is determined by the collective bargaining agreement covering the individual participant.

Benefits:

A participant's accumulated share is payable, subject to certain provisions, upon retirement, termination of covered employment or death.

The benefit consists of the participant's account balance.

Participants accounts:

Each participant's account is credited with the employer contributions received on behalf of the participant and is adjusted for an allocation of (a) Plan earnings and (b) allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participants' accumulated share is determined, for purposes of providing retirement benefits, on the modified cash basis of accounting. Participants are fully and immediately vested in those accounts.

See Independent Auditors' Report.

TEAMSTERS LOCAL 676 AND EMPLOYERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Participant-Directed Investment Program:

The Plan has adopted a participant-directed investment program. Under the program, participants are allowed to invest their funds in various investment funds administered by John Hancock Retirement Plan Services, LLC. Administrative expenses of the Plan are deducted from the individual's account.

Vesting:

A participant is entitled to one hundred percent of the balance in his account at all times.

Distributions:

Distributions will be made to individuals upon one of the following occurrences:

1. The employee retires on or after attaining age sixty-five (65) his normal retirement age;
2. The employee suffers total disability and separates from the service of an employer because of such total disability;
3. The employee retires on or after attaining age fifty-five (55);
4. The employee retires on or after completing thirty (30) years of membership in Local 676;
5. The employee retires on or after completing thirty (30) years of employment in which he/she was credited with employer contributions (or entitled to such credits under law); or
6. The employee separates from service (other than due to retirement, death or total disability) and experiences a twelve (12) month period in which; (i) no employer contributions are allocated to his/her account; and (ii) the participant has not been employed, available for employment, or seeking employment, within the Union's jurisdiction.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting:

The accompanying financial statements are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis, revenues are recognized when collected rather than when earned and expenses are recognized when paid rather than when incurred. Investments are reported at fair value.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

The Plan presents in the Statement of Changes in Net Assets the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

See Independent Auditors' Report.

TEAMSTERS LOCAL 676 AND EMPLOYERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See Independent Auditors' Report.

Note 3. Fair Value Measurements (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If currently eligible)</u>	<u>Redemption Notice Period</u>
Met Life Group Annuity Contract No. 25053	\$1,129,098	N/A	Daily	12 Months

Met Life Group Annuity Contract No. 25053	\$1,348,387	N/A	Daily	12 Months

In determining the reasonableness of the methodology used to value the common/collective trust, the Trustees of the plan have engaged an investment advisory firm John Hancock Retirement Plan Services, LLC to monitor the valuation methods employed to compare this to other similarly situated investments.

Note 4. Funding Policy

Employer contributions to the Plan are determined by collective bargaining agreements between the Associated General Contractors of New Jersey, Local No. 676 and Contributing Employers.

Note 5. Plan Termination

The Trustees may terminate the Plan at any time. It is the present intention of the Trustees to continue the Plan indefinitely. In the event of the termination of the Plan for any reason, the assets of the Plan shall be liquidated and allocated to the exclusive benefit of the participants and other persons entitled to benefits from the Plan.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 6. Federal Tax Status

The IRS has determined and informed the Plan by a letter dated February 9, 2016, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, there for believe that the Plan is qualified, and is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Subsequent Events

In preparing these financial statements, the Fund has evaluated events and transactions for potential recognition or disclosure through October 10, 2025, the date the financial statements were available to be issued.

Note 8. Plan Amendments

The Plan was amended effective January 1, 2023 to change the required distribution date as provided under the SECURE Act 2.0. The SECURE Act 2.0 amendment states that a participant who attains age 72 after December 31, 2022 has required beginning distribution date of age 73. In the year of 2033 the required beginning distirubtion date will increase to age 75.

Note 9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported int he statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 10. Plan Transfers

In 2024, it was discovered that a participating employer had been incorrectly reporting employees to the Plan. The employer was submitting contributions for individuals to the Plan when, in fact, they should have been sent to the Teamsters Pension Trust Fund of Philadelphia and Vicinity. Similarly, contributions intended for the Plan were mistakenly reported and sent to the Teamsters Pension Trust Fund of Philadelphia and Vicinity. Plan counsel reviewed the matter and determined that it was not a prohibited transaction. The Third Party Administrator reviewed these errors, and the investment advisors and custodian calculated the resulting lost investment earnings. Their analysis determined that the Plan owed the Teamsters Pension Trust Fund of Philadelphia and Vicinity \$1,450,926 in employer contributions, along with \$283,975 of lost investment earnings. Conversely, the analysis also determined that the Teamsters Pension Trust Fund of Philadelphia and Vicinity owed the Plan \$286,383 in employer contributions and \$114,998 in lost investment earnings. After reconciling these amounts, it was discovered that the Teamsters Pension Trust Fund of Philadelphia and Vicinity overpaid their liability to the Plan in the amount of \$168,976. This excess will be returned to them in 2025.
