INDEPENDENT AUDITOR'S REPORT

To the Insurance Plan Committee of
Manufacturer & Business Association

Opinion

We have audited the accompanying financial statements of Manufacturer & Business Association Welfare Benefit Plan (“Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets (deficit) available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets (deficit) available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets (deficit) available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets (deficit) available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

(continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Manufacturer & Business Association Welfare Benefit Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Effective December 31, 2023, the SMC Business Councils Dental Insurance Plan and the SMC Business Councils Vision Insurance Plan were merged into the Plan.

General

The Plan is a Manufacturing & Business Association (“Association”) sponsored group insurance plan that provides accident and disability, dental, vision, life, accidental death, and dismemberment benefits for employees and dependents of the Association’s member companies. Eligibility of each covered employee is determined by the employer member.

Members or subscribers of the Plan must be members of the Association.

Members remit premium payments to CW Breitsman Associates, LLC (“CWB-A”). CWB-A is a third-party administrator that specializes in subscriber billing, collection services and payment processing services.

Benefits

The Plan has contracts with The Hartford to provide accident and disability insurance and with Delta Dental of Pennsylvania (“Delta”) and United Concordia (“United”) to provide dental insurance, and with Davis Vision (“Davis”) to provide vision insurance for employees of member companies. The Plan has no obligation to cover benefits but is obligated to pay premiums received from members to The Hartford, Delta, United, and Davis. This footnote provides only general information regarding the Plan and its operation. Please refer to the contracts with The Hartford, Delta, United, and Davis for further details.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Cash

The Plan maintains a cash account at a financial institution administered by CWB-A. This cash account is insured by the FDIC for up to \$250,000. The balance, at times, may exceed federally insured limits. Management does not believe they are exposed to any significant credit risk on cash balances.

Receivables - member employer contributions

For financial statement purposes, the Plan makes immaterial direct write-offs to record uncollectible accounts as they occur. Management believes that all accounts are collectible as of December 31, 2024 and 2023.

Payment of benefits

Benefits are paid directly by the insurance companies to eligible individuals or their health care provider.

Administrative expenses

Administrative expenses are paid by the Plan. Administrative services are provided by CWB-A, a third-party administrator.

Plan termination

Although it has not expressed an intention to do so, the Plan Administrator has the right to terminate the Plan or modify its benefits, subject to the provisions of ERISA.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 6, 2025, the date on which the financial statements were available to be issued.

WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 3 - INCOME TAX STATUS

The Plan is required to operate in conformity with the Internal Revenue Code (“IRC”) to maintain tax-exempt status. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons. Marketing fees paid from Delta to Northwest PA MAE Corp. were \$45,354 and \$50,913 for the years ended December 31, 2024 and 2023, respectively. Commissions paid from United and Davis to Manufacturer & Business Association Insurance Agency and SMC Insurance Agency, Inc. were \$74,190 and \$25,926 for the years ended December 31, 2024 and 2023, respectively. Administration fees paid from the Plan to CWB-A were \$91,440 and \$84,854 for the years ended December 31, 2024 and 2023, respectively. Receivables due from SMC Insurance Agency were \$0 and \$19,246 for the years ended December 31, 2024 and 2023, respectively, and are reported within receivables – member employer contributions on the statements of net assets (deficit) available for benefits.

(1) Bonus Paid represents an allocation of contingent compensation (cash or non-cash) payable to the named producer on all policies that were considered in determining the producer's eligibility for and/or the actual calculation of any such bonus payment. These amounts are not directly charged to your policy premium rates but represent overhead expense incurred by The Hartford.

(2) Additional Compensation represents an allocation of non-contingent compensation (cash or non-cash) payable to the named producer on all policies that were considered in determining the producer's eligibility for and/or the actual calculation of any such additional compensation. These amounts are not directly charged to your policy premium rates but represent overhead expense incurred by The Hartford.

The Hartford compensates producers for the sale and service of our products. In most cases, producers are paid a commission, which is fixed or based on a percentage of the premium. In addition, producers may be eligible for various forms of incentive compensation, including contingent commission and other non-cash awards. Incentive compensation is based upon a variety of factors that may include the level of premium written, retention and growth of premium, overall profitability, or other performance measures. Some of our producers elect not to accept some or all forms of compensation from The Hartford. Please direct specific questions about your insurance producer's compensation to your producer.
