## INDEPENDENT AUDITOR'S REPORT

October 7, 2025

To the Board of Trustees of the  
New York State Nurses Association Benefits Fund  
Bridge to Medicare Health Reimbursement Arrangement Plan:

### **Opinion on the 2024 Financial Statements**

We have audited the accompanying financial statements of the New York State Nurses Association Benefits Fund Bridge to Medicare Health Reimbursement Arrangement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of benefit obligations and net assets available for benefits as of December 31, 2024, and the related statement of changes in benefit obligations and net assets available for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of benefit obligations and net assets available for benefits of the New York State Nurses Association Benefits Fund Bridge to Medicare Health Reimbursement Arrangement Plan as of December 31, 2024, and the changes in its benefit obligation and net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New York State Nurses Association Benefits Fund Bridge to Medicare Health Reimbursement Arrangement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Responsibilities of Management for the 2024 Financial Statements (Continued)**

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New York State Nurses Association Benefits Fund Bridge to Medicare Health Reimbursement Arrangement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New York State Nurses Association Benefits Fund Bridge to Medicare Health Reimbursement Arrangement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# **NEW YORK STATE NURSES ASSOCIATION BENEFITS FUND BRIDGE TO MEDICARE HEALTH REIMBURSEMENT ARRANGEMENT PLAN**

## **NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

---

### **1. DESCRIPTION OF PLAN**

The following description of the New York State Nurses Association (NYSNA) Benefits Fund Bridge to Medicare Health Reimbursement Arrangement (HRA) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### **General**

The Plan was established on June 1, 2021. The Plan is a health reimbursement arrangement that eligible NYSNA retirees may use to pay the cost of certain medical, hospital, prescription drug, dental or vision benefits that are excluded from a retiree’s gross income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Prior to June 1, 2021, certain NYSNA retirees who were employed by participating employers (as defined below) participated in the NYSNA Benefits Fund Bridge to Medicare Program (the “BTM Program”), which was terminated, effective May 31, 2021. All assets, liabilities, and benefit obligations related to the BTM Program were transferred to the Plan.

In accordance with the Plan agreement, the Plan terminated all benefits to participants effective January 1, 2023, followed by a run-out period to submit eligible claims for reimbursement, which expired May 1, 2023. As of December 31, 2024, the Plan has not adopted a formal amendment for the termination of the Plan. Accordingly, as of December 31, 2024 and 2023, there were no active participants covered by the Plan. See Note 4 for further detail regarding Plan termination.

#### **Plan Eligibility**

In order to receive benefits under the Plan, a retiree must be an eligible retiree from one of two categories; a NYSNA retiree who participated in the BTM Program on May 31, 2021, or a NYSNA retiree who, on or after June 1, 2021, retires from full-time active service with a participating employer at age 60 or older (but less than age 65) with at least 20 combined years of covered employment with a participating employer.

The Plan establishes an HRA account for each eligible participant. Participants are eligible to receive reimbursement for any medical expenses that are excludable from gross income, as defined, including premiums and expenses related to COBRA, medical, pharmaceutical, dental and vision claims, up to a maximum amount established by the Plan’s trustees. The arrangement is administered by Marshall & Sterling Employees Benefits – Flex.

### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain amounts reported in the financial statements. Actual results could differ from those estimates, and such differences may be significant.

### **Cash**

The Plan's cash consists of an interest-bearing operating checking account. The Plan maintains cash balances at a financial institution that may, at times, exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash.

### **Benefit Payments and Insurance Premiums**

Benefit payments to participants, including COBRA premium payments are recorded when paid. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with benefit payments.

Benefit payments administered by the third-party claims processor are recorded when submitted to the Plan by a claims processor for reimbursement. Benefit claims paid by the third-party claims processor prior to year end that are not reimbursed by the Plan as of year-end are typically recorded as a benefit payable and are not recorded as benefit payments until the Plan reimburses the third-party claims processor.

### **Administrative Expenses**

The Plan, the New York State Nurses Association Pension Plan (the "Pension Plan") and the New York State Nurses Association Benefits Fund (the "Benefits Fund") incur certain administrative expenses which are common to the Plan, the Pension Plan, and the Benefits Fund. These common administrative expenses were allocated to the Plan based upon actual usage.

## **3. TAX STATUS**

The Plan is separate from the New York State Nurses Association Benefits Fund (the "Benefits Fund"), but it is under the same trust and the same Board of Trustees as the Benefits Fund. The trust established under the Benefits Fund to hold the Benefits Fund's assets has received an exemption letter from the Internal Revenue Services (IRS) dated December 13, 2002, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC) and, therefore, the trust's net investment income is exempt from federal income taxes. The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Benefits Fund has been amended and restated since receiving the determination letter. However, the Benefits Fund management believes the Benefits Fund and the Plan are currently designed and being operated in compliance with the applicable requirements of the IRC.

The Benefits Fund received a notice from the IRS dated February 19, 2024 regarding the automatic revocation of its tax-exempt status, retroactive May 15, 2023, due to the failure to file Form 990 for its 2020, 2021, and 2022 tax years. The Benefits Fund applied for retroactive reinstatement of its tax-exempt status under Revenue Procedure 2014-11, with all required elements completed and submitted by April 14, 2024. As a result, the Benefit Fund's application was processed and accepted by the IRS and a retroactive reinstatement was granted.

### **3. TAX STATUS (Continued)**

The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **4. PLAN TERMINATION**

Pursuant to a Memorandum of Agreement (MOA) and resolutions approved by the Board of Trustees of the Plan in December 2022, benefits provided under the Plan ceased on January 31, 2023, followed by a run-out period to submit eligible claims for reimbursement which expired on May 1, 2023. Based on the run-out period activity and in accordance with the MOA, the Plan has net assets available for benefits of approximately \$1,689,000 as of December 31, 2024. Pursuant to the MOA, the Board of Trustees of the Plan shall determine a use for these residual assets consistent with the purpose of the Plan. For the year ended December 31, 2024, the Plan has continued operations and has not adopted a formal amendment for the termination of the Plan.

In the event of termination, the Plan will distribute payments to satisfy all obligations of the Plan. Any remaining surplus will be distributed in an equitable manner as determined by the Trustees to cover the obligated benefits for the participants subject to the provisions set forth in ERISA.

### **5. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 7, 2025, which is the date these financial statements were available to be issued.
