## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Peer Foods Group, Inc. Profit Sharing & 401(k) Plan  
Chicago, Illinois

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN (the Plan)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PEER FOODS GROUP, INC. PROFIT SHARING AND 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1—PLAN DESCRIPTION**

Peer Foods Group, Inc. Profit Sharing and 401(k) Plan (the Plan) is a defined contribution plan designed to operate under the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all eligible domestic employees of Peer Foods Group, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan provides only summary information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

**ELIGIBILITY**

Each employee is eligible to make pre-tax deferrals to the Plan and receive Company discretionary matching contributions after completion of three months of service. Each employee shall become eligible for the Company discretionary profit-sharing contribution on the first day of the year after the employee completes one year of service.

**CONTRIBUTIONS**

Each year, participants may elect to contribute up to 100% of pre-tax annual compensation as defined in the Plan to a maximum of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023. Participants who are at least age 50 may make additional "catch-up" contributions of \$7,500 for each of the years ended December 31, 2024 and 2023. Participants may also rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Based on the discretion of the Board of Directors, the Company may, subject to certain limitations, make a matching contribution to the Plan for each participant in accordance with the terms of the Plan Document. For the years ended December 31, 2024 and 2023, the Company made a matching contribution of 100% of a participant's salary deferral, not to exceed \$1,000 for each eligible participant.

The Company may also elect to make a discretionary profit-sharing contribution. The discretionary profit-sharing contribution was \$500,000 for the years ended December 31, 2024 and 2023.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, and an allocation of the Company's discretionary profit-sharing contribution, if applicable, and Plan earnings. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING**

Participants are 100% vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1—PLAN DESCRIPTION (Continued)**

**PAYMENT OF BENEFITS**

Upon termination of service due to retirement, disability or death, a participant may elect to receive a lump-sum payment. Upon termination of service prior to retirement, disability or death, the participants may elect to receive, based on their account balances as of the last day of the calendar quarter following termination, the vested portion of their accounts in a lump-sum payment. Participants may receive distributions of their elective deferral contributions plus actual earnings thereon under certain financial hardship circumstances.

**FORFEITURES**

Forfeitures of participants' Company matching accounts can be applied to pay recordkeeping administrative expenses of the Plan if so directed by the Plan Administrator. Any amounts not used to pay administrative expenses may be allocated as of the last day of each Plan Year as an additional employer matching contribution if the forfeitures are from employer matching contribution accounts, or allocated as an additional employer profit-sharing contribution if the forfeitures are from employer profit-sharing accounts. The allocations are made in the same manner as regular matching and/or profit-sharing contributions are allocated. If a participant is rehired before he or she incurs five consecutive one-year breaks in service, any amounts forfeited will be restored to his or her matching account and profit-sharing account. For the years ended December 31, 2024 and 2023, forfeitures totaled \$29,347 and \$32,850. Forfeitures allocated to participants for the years ended December 31, 2024 and 2023 were \$34,208 and \$22,612. For the years ended December 31, 2024 and 2023, forfeitures used to pay for Plan expenses were \$-0- and \$248. Forfeitures available for future use are \$15,398 and \$20,259 as of December 31, 2024 and 2023.

**NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared using the accrual basis of accounting.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

The Plan's investments at December 31, 2024 and 2023 are held by Fidelity Management Trust Company (Fidelity), the Plan's trustee. All investments are valued at fair value as of December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

---

---

**NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

INVESTMENT VALUATION AND INCOME RECOGNITION (Continued)

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Dividends and interest are recognized when received. Net appreciation (depreciation) on investments held represents the change in fair value of the investments from the beginning of the Plan Year (or date the investments were purchased, if later) to the end of the Plan Year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Expenses of the Plan, to the extent that the Company does not pay such expenses, may be paid out of the assets of the Plan.

**NOTE 3—FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

**NOTE 3—FAIR VALUE MEASUREMENTS (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities (if any) measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Level 1 Fair Value Measurements*

Mutual funds are valued at quoted net asset values of the shares held by the Plan at year-end.

Common stocks are valued at closing price reported on the active market on which the individual securities are traded.

*Level 2 and Level 3 Fair Value Measurements*

There are no Level 2 and Level 3 fair value measurements as of and for the years ended December 31, 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

<u>Assets at Fair Value as of December 31, 2024</u>

**NOTE 3—FAIR VALUE MEASUREMENTS (Continued)**

In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Money market funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. NAV is determined by each fund's trustee based on the fair value of the underlying securities held less liabilities held by the fund. This practical expedient is not used when it is determined to be provable that the fund will sell the investment for an amount different than the reported NAV. Plan transactions (issuance and redemptions) may occur daily. There are no restrictions on a participant's ability to redeem investments. However, withdrawals prompted by certain events (e.g., termination of the managed income portfolio, changes in laws and regulations) may restrict a participant's ability to redeem the investment at its NAV.

**NOTE 4—INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, as trustee of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

- a. Investments, as shown in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- b. Investment income, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- c. The schedule of assets (held at end of year) as of December 31, 2024, as shown on Schedule H - Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 5—NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow up to 50% of their vested account balance, with a maximum loan amount of \$50,000. Repayments of principal and interest are made in equal monthly installments over the specified loan period (generally five years) through payroll deductions. Interest rates are determined by following procedures that consider the rates issued by lending institutions under similar circumstances.

**NOTE 6—RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. In addition, the majority of the expenses of the Plan are paid by the Company.

Plan investments are managed by the trustee of the Plan. The Plan's third-party administrator is Fidelity. Fidelity is considered a party-in-interest.

NOTES TO FINANCIAL STATEMENTS

**NOTE 7—PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. If the Company should decide to terminate the Plan, participants would become 100% vested in the Company (employer) contributions portion of their accounts.

**NOTE 9—TAX STATUS**

The Plan is a Volume Submitter Defined Contribution Plan (Volume Submitter Plan) designed by Fidelity Management & Research Co. The Volume Submitter Plan was adopted by the Company on April 1, 2010. The Volume Submitter Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective January 17, 2022, the Company adopted a Pre-Approved Defined Contribution Plan designed by Fidelity Management & Research Co. The Pre-Approved Defined Contribution Plan obtained its latest opinion letter on June 30, 2020. The Company has not applied for its own determination letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

**NOTE 9—TAX STATUS (Continued)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 10—RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 11—SUBSEQUENT EVENTS**

Management has evaluated subsequent events through September 24, 2025, the date which the financial statements were available for issuance. There were no subsequent events which require disclosure.
