(1) Name: **HEATHERINGTON & FIELDS**

(2) EIN: **73-1479528**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Imperial, LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Imperial, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Imperial, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Imperial, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Imperial, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment

information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IMPERIAL, LLC RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1 – Description of Plan

The following description of the Imperial, LLC Retirement Savings Plan (The “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

- (a) *General.* Effective May 1, 1994, Imperial, LLC (“Employer”) adopted the Imperial, LLC Retirement Savings Plan to provide retirement benefits for its eligible employees. The Plan was based on a prototype plan of Principal Life Insurance Company (“Principal”), the Plan’s contract administrator and custodian. On August 14, 2018, the Plan’s assets were transferred to a group annuity contract of another investment provider, Transamerica Retirement Solutions, LLC (“Transamerica”), who assumed the duties of custodian and record keeper. USI Consulting Group (USI) was appointed as the Plan’s third-party administrator. Pursuant to a resolution of the Employer’s Board of Directors, the Plan was amended and restated in its entirety, effective January 1, 2019, by the adoption of a USI volume submitter plan.

The Plan is a 401(k) salary deferred thrift plan under which both participants and the Employer make contributions to the participants’ accounts held in their name under a Discretionary Trust Agreement between the Employer and the Plan’s Trustees. Two Trustees oversee governance of the Plan and determine the appropriateness of the Plan’s investments and monitor investment performance. Transamerica holds and manages the assets of the Plan, maintains participant account records, and makes benefit payments and distributions to Plan participants.

- (b) *Eligibility.* The Plan covers all employees of Imperial, Inc., with the exception of union, leased, and non-resident alien employees who have completed one year of service. An employee becomes eligible for entry and participation in the Plan as an active member on the earliest quarterly date (January 1, April 1, July 1, or October 1) after they meet the entry requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (c) *Contributions.* Participants may make elective deferral contributions to the Plan up to 100% of their pretax annual compensation, including bonuses, overtime pay, and commissions. The law limits the amount a participant can contribute in any tax year. The limit for 2024 was \$23,000. The Employer’s matching contributions, if any, are discretionary and are determined generally on an annual basis. Effective May 1, 2021, the Employer began making 75% matching contributions (0.75% for every 1%) of a participant’s elective deferral contributions up to a maximum of \$1,500 for the year.

The Plan does not provide for any other discretionary Employer contributions, such as profit-sharing contributions.

Participants who have attained age 50 before the end of the Plan year are able to make catch-up contributions up to a maximum of \$7,500 annually. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans, subject to the consent of the plan administrator.

Participants have the right to direct the investments within their plan accounts. They may allocate their investments among a variety of investment options, currently consisting of twenty-two pooled accounts and a guaranteed investment contract offered by Transamerica. Participants may change their future investment designations at their discretion. In addition, participants may transfer their existing balances to other funds. The Employer chose Transamerica Retirement Solutions' automated allocation and rebalancing service, PortfolioXpress, as the Plan's Qualified Default Investment Alternative (QDIA). Accounts of participants who do not affirmatively elect investment options for their account will be invested in an asset allocation mix assuming a "moderate" risk preference and retirement at age 65. Participants may opt out of the QDIA at any time.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate or choose a different percentage of participation, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated investment portfolio until changed by the participant.

- (d) *Participant Accounts.* Each participant's account is credited with participant contributions, Employer matching contributions, and allocations of plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (e) *Vesting.* Participants are immediately vested in their elective deferral contributions and earnings thereon. Vesting in the matching Employer contributions account is based on continuous years of service, as follows:

Years of Service	Percent Vested
1	0
2	20
3	40
4	60
5	80
6 or more	100

For vesting purposes, completion of 1,000 hours or more is considered one year of service. A Participant's matching Employer contributions account and Employer profit sharing contributions account become fully vested on 1) completion of six years of service; 2) reaching retirement, death, or disability; 3) the date the employee reaches age 65; or 4) termination of the Plan.

- (f) *Payment of benefits.* Upon termination, death, retirement, or other reasons, a participant will receive a distribution equal to the value of his or her vested account balance, as defined in the Plan, in the form of a lump-sum distribution or in installments over varying periods. Hardship withdrawals are available, subject to restrictions as defined by the Plan. If, at the time a participant is terminated, their account balance is less than \$5,000, it will be automatically distributed to the participant in a lump sum payment of cash within a reasonable period of time after termination of employment. Participants should refer to the summary plan description for more information.
- (g) *Notes receivable from participants.* Participants may borrow from their fund accounts a minimum of \$500; however, the maximum amount of the loan cannot exceed the lesser of 1) \$50,000 reduced by the highest outstanding plan loan balances during the year preceding the date of the loan, or 2) the greater of 50% of the value of the participant's vested interest in his accounts, reduced by any outstanding loan balance on the date the new loan is made. The loans are secured by the balance in the participants' accounts. The maximum repayment term for any loan is 5 years, with principal and interest repaid by salary deductions in equal payments each pay period. The interest rate charged is the prevailing rate as determined by the Plan administrator and is reevaluated on a quarterly basis.
- (h) *Forfeited accounts.* Forfeitures of the nonvested portion of terminated participants' accounts are not allocated to active participants' accounts. Forfeitures may first be used to pay Plan administrative expenses. Any forfeitures not used to pay administrative expenses are applied to reduce the earliest Employer matching contributions made after the forfeitures are determined. During 2024, forfeited participants' accounts were used to reduce Employer contributions by \$42,894 and pay plan expenses of \$5. At December 31, 2024, and 2023, there were unused forfeitures of \$85 and \$424, respectively.

Note 2 – Significant Accounting Policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Date of Management's Review

Subsequent events were evaluated through October 8, 2025, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully-benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurement

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024, and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant's loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits and administrative expenses

Benefits are recorded when paid.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value.

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2024, and 2023.

Pooled Separate Accounts valued at Level 1 are invested exclusively in one underlying mutual fund, and whose total value is based on the net asset value ("NAV") of shares of the mutual fund held by the PSA held by the plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$ 14,113,161</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,113,161</u>
Total assets at fair value	<u><u>\$ 14,113,161</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 14,113,161</u></u>

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$ 11,860,216</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,860,216</u>
Total assets at fair value	<u><u>\$ 11,860,216</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 11,860,216</u></u>

Note 4 – Guaranteed Investment Contract with Insurance Company

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Financial Solutions, LLC (Transamerica). The contract is a general account product fully guaranteed by the general account assets of Transamerica. Transamerica is contractually obligated to repay the principal and the specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract Value, as reported to the Plan by Transamerica, represents contributions made under the contract plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. There are no reserves against the contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but it may not be less than the minimum rate stated in the contract. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events could limit the Plan’s ability to transact at contract value with Transamerica. Such events include, but are not limited to, the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events that causes a significant withdrawal from the plan, (c) a significant decline in creditworthiness of Transamerica, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Examples of such events include (a) an uncured breach of the Plan’s investment guidelines, (b) a material amendment to the contract without the issuer’s consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value events, which would limit the Plan’s ability to transact at contract value with the Plan participants or the issuer, is probable.

Note 5 – Information Certified by the Plan’s Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Transamerica Life Insurance Company, Inc., Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.:

	December 31,	
	2024	2023
Investments	\$ 14,485,116	\$ 12,144,618
Cash	\$ 21,842	\$ 6,766
Notes Receivable from participants	\$ 438,211	\$ 258,207

	Year Ended
	December 31, 2024
Investment income:	
Net appreciation in fair value of investments	\$ 1,376,608
Interest	28,334
Other	1,467
	<u>\$ 1,406,409</u>

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 6 – Related Party Transactions

Certain Plan investments are shares of mutual funds held in pooled separate accounts managed by Transamerica, the Plan custodian. These transactions qualify as exempt party-in-interest transactions.

The party-in-interest transactions above are exempt from the prohibited transactions rules of ERISA.

Note 7 – Income Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income examination for years prior to 2021.

Note 8 – Plan Termination

The Employer may amend or terminate the Plan at any time. Any such termination or amendment shall be effective at such dates as the Employer shall determine. In the event of termination of the Plan, the value of the participants' accounts attributable to the Employer's contributions becomes fully vested to the participants.

An amendment may affect participants' interests in the Plan at the time thereof as well as future participants' interests, but may not diminish the interests of participants' accrued benefits as of the effective date of such an amendment.

Note 9 – Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: Heatherington & Fields

(2) EIN: 73-1479528

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		1,000,000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Imperial, LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Imperial, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Imperial, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Imperial, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Imperial, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment

information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**IMPERIAL, LLC RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 1 – Description of Plan

The following description of the Imperial, LLC Retirement Savings Plan (The “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

- (a) *General.* Effective May 1, 1994, Imperial, LLC (“Employer”) adopted the Imperial, LLC Retirement Savings Plan to provide retirement benefits for its eligible employees. The Plan was based on a prototype plan of Principal Life Insurance Company (“Principal”), the Plan’s contract administrator and custodian. On August 14, 2018, the Plan’s assets were transferred to a group annuity contract of another investment provider, Transamerica Retirement Solutions, LLC (“Transamerica”), who assumed the duties of custodian and record keeper. USI Consulting Group (USI) was appointed as the Plan’s third-party administrator. Pursuant to a resolution of the Employer’s Board of Directors, the Plan was amended and restated in its entirety, effective January 1, 2019, by the adoption of a USI volume submitter plan.

The Plan is a 401(k) salary deferred thrift plan under which both participants and the Employer make contributions to the participants’ accounts held in their name under a Discretionary Trust Agreement between the Employer and the Plan’s Trustees. Two Trustees oversee governance of the Plan and determine the appropriateness of the Plan’s investments and monitor investment performance. Transamerica holds and manages the assets of the Plan, maintains participant account records, and makes benefit payments and distributions to Plan participants.

- (b) *Eligibility.* The Plan covers all employees of Imperial, Inc., with the exception of union, leased, and non-resident alien employees who have completed one year of service. An employee becomes eligible for entry and participation in the Plan as an active member on the earliest quarterly date (January 1, April 1, July 1, or October 1) after they meet the entry requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (c) *Contributions.* Participants may make elective deferral contributions to the Plan up to 100% of their pretax annual compensation, including bonuses, overtime pay, and commissions. The law limits the amount a participant can contribute in any tax year. The limit for 2024 was \$23,000. The Employer’s matching contributions, if any, are discretionary and are determined generally on an annual basis. Effective May 1, 2021, the Employer began making 75% matching contributions (0.75% for every 1%) of a participant’s elective deferral contributions up to a maximum of \$1,500 for the year.

The Plan does not provide for any other discretionary Employer contributions, such as profit-sharing contributions.

Participants who have attained age 50 before the end of the Plan year are able to make catch-up contributions up to a maximum of \$7,500 annually. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans, subject to the consent of the plan administrator.

Participants have the right to direct the investments within their plan accounts. They may allocate their investments among a variety of investment options, currently consisting of twenty-two pooled accounts and a guaranteed investment contract offered by Transamerica. Participants may change their future investment designations at their discretion. In addition, participants may transfer their existing balances to other funds. The Employer chose Transamerica Retirement Solutions' automated allocation and rebalancing service, PortfolioXpress, as the Plan's Qualified Default Investment Alternative (QDIA). Accounts of participants who do not affirmatively elect investment options for their account will be invested in an asset allocation mix assuming a "moderate" risk preference and retirement at age 65. Participants may opt out of the QDIA at any time.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate or choose a different percentage of participation, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated investment portfolio until changed by the participant.

- (d) *Participant Accounts.* Each participant's account is credited with participant contributions, Employer matching contributions, and allocations of plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (e) *Vesting.* Participants are immediately vested in their elective deferral contributions and earnings thereon. Vesting in the matching Employer contributions account is based on continuous years of service, as follows:

Years of Service	Percent Vested
1	0
2	20
3	40
4	60
5	80
6 or more	100

For vesting purposes, completion of 1,000 hours or more is considered one year of service. A Participant's matching Employer contributions account and Employer profit sharing contributions account become fully vested on 1) completion of six years of service; 2) reaching retirement, death, or disability; 3) the date the employee reaches age 65; or 4) termination of the Plan.

- (f) *Payment of benefits.* Upon termination, death, retirement, or other reasons, a participant will receive a distribution equal to the value of his or her vested account balance, as defined in the Plan, in the form of a lump-sum distribution or in installments over varying periods. Hardship withdrawals are available, subject to restrictions as defined by the Plan. If, at the time a participant is terminated, their account balance is less than \$5,000, it will be automatically distributed to the participant in a lump sum payment of cash within a reasonable period of time after termination of employment. Participants should refer to the summary plan description for more information.
- (g) *Notes receivable from participants.* Participants may borrow from their fund accounts a minimum of \$500; however, the maximum amount of the loan cannot exceed the lesser of 1) \$50,000 reduced by the highest outstanding plan loan balances during the year preceding the date of the loan, or 2) the greater of 50% of the value of the participant's vested interest in his accounts, reduced by any outstanding loan balance on the date the new loan is made. The loans are secured by the balance in the participants' accounts. The maximum repayment term for any loan is 5 years, with principal and interest repaid by salary deductions in equal payments each pay period. The interest rate charged is the prevailing rate as determined by the Plan administrator and is reevaluated on a quarterly basis.
- (h) *Forfeited accounts.* Forfeitures of the nonvested portion of terminated participants' accounts are not allocated to active participants' accounts. Forfeitures may first be used to pay Plan administrative expenses. Any forfeitures not used to pay administrative expenses are applied to reduce the earliest Employer matching contributions made after the forfeitures are determined. During 2024, forfeited participants' accounts were used to reduce Employer contributions by \$42,894 and pay plan expenses of \$5. At December 31, 2024, and 2023, there were unused forfeitures of \$85 and \$424, respectively.

Note 2 – Significant Accounting Policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Date of Management's Review

Subsequent events were evaluated through October 8, 2025, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully-benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurement

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024, and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant's loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits and administrative expenses

Benefits are recorded when paid.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value.

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2024, and 2023.

Pooled Separate Accounts valued at Level 1 are invested exclusively in one underlying mutual fund, and whose total value is based on the net asset value ("NAV") of shares of the mutual fund held by the PSA held by the plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total

Note 4 – Guaranteed Investment Contract with Insurance Company

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Financial Solutions, LLC (Transamerica). The contract is a general account product fully guaranteed by the general account assets of Transamerica. Transamerica is contractually obligated to repay the principal and the specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract Value, as reported to the Plan by Transamerica, represents contributions made under the contract plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. There are no reserves against the contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but it may not be less than the minimum rate stated in the contract. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events could limit the Plan’s ability to transact at contract value with Transamerica. Such events include, but are not limited to, the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events that causes a significant withdrawal from the plan, (c) a significant decline in creditworthiness of Transamerica, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Examples of such events include (a) an uncured breach of the Plan’s investment guidelines, (b) a material amendment to the contract without the issuer’s consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value events, which would limit the Plan’s ability to transact at contract value with the Plan participants or the issuer, is probable.

Note 5 – Information Certified by the Plan’s Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Transamerica Life Insurance Company, Inc., Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.:

	December 31,	
	2024	2023
Investments	\$ 14,485,116	\$ 12,144,618
Cash	\$ 21,842	\$ 6,766
Notes Receivable from participants	\$ 438,211	\$ 258,207

	Year Ended
	December 31, 2024
Investment income:	
Net appreciation in fair value of investments	\$ 1,376,608
Interest	28,334
Other	1,467
	<u>\$ 1,406,409</u>

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 6 – Related Party Transactions

Certain Plan investments are shares of mutual funds held in pooled separate accounts managed by Transamerica, the Plan custodian. These transactions qualify as exempt party-in-interest transactions.

The party-in-interest transactions above are exempt from the prohibited transactions rules of ERISA.

Note 7 – Income Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income examination for years prior to 2021.

Note 8 – Plan Termination

The Employer may amend or terminate the Plan at any time. Any such termination or amendment shall be effective at such dates as the Employer shall determine. In the event of termination of the Plan, the value of the participants' accounts attributable to the Employer's contributions becomes fully vested to the participants.

An amendment may affect participants' interests in the Plan at the time thereof as well as future participants' interests, but may not diminish the interests of participants' accrued benefits as of the effective date of such an amendment.

Note 9 – Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
