To the Trustees  
Texas Forwarding Services, Inc. Retirement Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Texas Forwarding Services, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Texas Forwarding Services, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Texas Forwarding Services, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Texas Forwarding Services, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Texas Forwarding Services, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Texas Forwarding Services, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of an for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of Texas Forwarding Services, Inc. Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan which covers substantially all employees of Texas Forwarding Services, Inc. (the “Company”). Employees become eligible to participate in the Plan must have attained age 21 and completed one (1) year of service. The Plan is designed to meet the requirements of Internal Revenue Code Section 401(a) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Entry dates for participants are on January 1<sup>st</sup> or the date 6 months later, coincident with or next following satisfaction for the eligibility requirements.

Contributions

Participants may defer a percentage of their compensation (either as pre-tax or Roth deferral) from 0% to 100%. The Plan sponsor makes a safe harbor matching contribution in the amount equal to 100% of the participant’s elective deferrals that do not exceed 3% of the participant’s compensation for the Plan year, plus 50% of the participant’s elective deferrals that exceed 3% of the participant’s compensation for the Plan year, but do not exceed 5% of the participant’s compensation for the Plan year. In addition, each year the managing body of Texas Forwarding Services, Inc. will determine the amount of profit sharing contributions, if any, which it will contribute to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of Plan year are eligible to make catch-up contributions.

Participant Accounts

Benefits to employees of the Company consist of employer nonelective and safe harbor matching contributions, participant contributions, and earnings on investments. Participant accounts are also charged with an allocation of administrative expenses. Allocations of employer nonelective contributions, if any, are determined each year as a percentage of compensation or dollar amount per participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested under the Plan with respect to any contributions made by the participant or the Company to the Plan plus any earnings thereon.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

On termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant’s vested balance in the form of a lump-sum distribution or installments.

New Legislative Changes - Secure 2.0 Act

The Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022 (the “Act”) was signed into law on December 29, 2022. The Act includes both mandatory and optional provisions affecting retirement plans.

Although the provisions of SECURE 2.0 are phased in over several years, the Plan, a defined contribution 401(k) plan, previously adopted or already included language in its governing document that aligns with certain provisions of the Act. These provisions include, but are not limited to:

- Eligibility for Long-Term Part-Time Employees – Expanded eligibility criteria (Section 125), which the Plan already reflects.

The Plan Administrator continues to assess the impact of SECURE 2.0 and is monitoring ongoing regulatory and administrative guidance to ensure full compliance with the applicable provisions as their effective dates approach. As of December 31, 2024, the implementation of these provisions has not had a material impact on the Plan’s financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Following is a summary of the Plan’s more significant accounting and reporting policies.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for the benefit of the participants and change in those net assets.

TEXAS FORWARDING SERVICES, INC. RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Plan Benefits presents the fair value of the investment contract, as well as the adjustment of the fully benefit-responsive investment contract from fair value to contract value. The Statement of Changes in Net Assets Available for Plan Benefits is prepared using contract value for the fully benefit-responsive investment contract.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Participants may borrow, subject to certain conditions, from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest earned on participant loans was \$13,822 and \$10,874 for 2024 and 2023, respectively.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses for the Plan may be paid by the Plan to the extent not paid by the employer. Administrative expenses attributable to terminated participants are allocated among terminated employees in proportion to the amount of their account balance. Administrative expenses attributable to active participants are allocated among active employees in proportion to the amount of their account balance.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2024 and 2023. Accordingly, as permitted under such election, the Plan administrator instructed the Plan’s independent auditor not to perform any auditing procedures with respect to the following information certified by The Lincoln National Life Insurance Company, except for comparing such information certified by the custodian to information included in the Plan’s financial statements and supplemental schedules.

The following table presents the fair value of participant-directed investments in this Plan that were certified by The Lincoln National Life Insurance Company for the years ended December 31, 2024 and 2023, respectively.

The Lincoln National Life Insurance Company has also certified to the completeness and accuracy of the \$375,581 of interest, dividends and net appreciation (depreciation) in the fair market value for the aforementioned investments for the year ended December 31, 2024.

	2024

The Lincoln National Life Insurance Company has also certified to the completeness and accuracy of the 397,793 of interest, dividends and net appreciation (depreciation) in the fair market value for the aforementioned investments for the year ended December 31, 2023.

TEXAS FORWARDING SERVICES, INC. RETIREMENT SAVINGS PLAN

NOTE 4 – TAX STATUS

The Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The plan administrator and its legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The plan administrator believes that the Plan is no longer subject to income tax examination for years ended prior to December 31, 2021.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified a (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Pooled separate accounts:* Valued at net asset value (NAV) as determined by the issuing insurance company based on the fair value of the underlying assets. Although NAV is used as a practical expedient to estimate fair value, these accounts are categorized as Level 2 because NAV is not quoted on an active exchange but is primarily based on observable inputs of the underlying securities.

*Guaranteed investment contracts:* The guaranteed account is fully benefit responsive and is therefore reported at fair value (see Note 2). Fair value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's assets and liabilities recorded at fair value have been categorized based upon the fair value hierarchy in accordance with FASB ASC 820. The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023:

**NOTE 7 - GUARANTEED INVESTMENT CONTRACTS**

During 2024 and 2023, the Plan had benefit-responsive guaranteed investment contracts, the Fixed Account, with The Lincoln National Life Insurance Company. The Lincoln National Life Insurance Company maintained the contributions to the Fixed Account in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer of the guaranteed investment contracts is

TEXAS FORWARDING SERVICES, INC. RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

---

NOTE 7 - GUARANTEED INVESTMENT CONTRACTS (CONTINUED)

contractually obligated to repay the principal and specified interest rates that are guaranteed to the Plan. As described in Note 2, because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Participants ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer, including termination of the guaranteed investment contracts. The Plan administrator believes that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, was probable. The guaranteed investment contract will continue in-force until it is terminated by either the Plan or the custodian. For this reason, such contracts are referred to as "evergreen" contracts. Unlike a traditional guaranteed investment contract with a defined maturity date, the aforementioned evergreen contract does not have a specified maturity date. Therefore, unlike a traditional guaranteed investment contract, there are no known scheduled cash flows associated with this contract.

There were no valuation reserves recorded to adjust contract amounts at December 31, 2024 and 2023. The average yield and declared interest rate of the guaranteed account was 2.77% and 2.54% for the years ended December 31, 2024 and 2023, respectively. The declared interest rate may be changed by The Lincoln National Life Insurance Company from time to time, but has a guaranteed minimum rate of not less than 0%.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts.

NOTE 9 – RELATED PARTY TRANSACTION

The Plan paid administrative fees to parties-in-interest (Custodian and other service providers) totaling \$34,946 and \$30,607 for the years ended December 31, 2024 and 2023, respectively.

NOTE 10 – RECLASSIFICATION

Certain amounts in the 2023 financial statements have been reclassified to conform to the 2024 financial statement presentation. These reclassifications were made to enhance comparability and provide a clearer presentation of financial information. These reclassifications did not impact previously reported net assets available for benefits, changes in net assets, or participant account balances. These changes were made solely for presentation purposes and did not impact the financial position or results of operations of the Plan for any period presented.
