INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Folsom Lake Auto Group 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Folsom Lake Auto Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Folsom Lake Auto Group 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Folsom Lake Auto Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Folsom Lake Auto Group 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Folsom Lake Auto Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Folsom Lake Auto Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOLSOM LAKE AUTO GROUP 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 1: Description of Plan

The following description of the Folsom Lake Auto Group 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and Adoption Agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established on January 1, 1996 covering all eligible full-time employees of the participating companies ("the Company") who have one year of service and are age twenty one or older. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA). The participating companies are Folsom Lake Ford, Inc., and PFLK, Inc. (dba Folsom Lake Kia).

Administration. The Plan has contracted with Fidelity Management Trust Company to act as trustee and custodian of plan assets, and Fidelity Investments ("Fidelity"), the dba for Fidelity Management & Research Company, to serve as the plan's administrator to manage certain operations of the plan and to process and maintain certain participant records.

Contributions. Each year, participants may contribute from 1% to 100% of included compensation, as defined in the Plan, and subject IRS annual limitations. Participants may also contribute amounts representing distributions from other qualified plans. The plan sponsor may match employee contributions at the discretion of the Board of Directors or contribute an amount which it designates as a qualified non-elective contribution. For the 2024 plan year, the plan sponsor made a matching contribution equal to 50% of each participant's deferral, with a maximum amount of \$500.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, if any, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each mutual fund investment includes internal expense ratios ranging from approximately 0.015% to 1.44%. These expenses are reflected in each fund's investment return and participants' accounts are not charged separately. Participants should refer to the mutual funds' prospectuses and the Plan's "Participant Fee Disclosure" for details of these fees.

Vesting. Participants are immediately vested in their voluntary contributions and any Company matching contributions, plus actual earnings thereon. Vesting in profit sharing contributions is based on years of service. A participant is 100% vested after six years of credited service. Participants become fully vested in the event of death, disability, retirement, or plan termination.

Forfeitures. The total non-vested portion of terminated employees' account balances are used by the plan sponsor to reduce employer matching contributions or pay expenses. During 2024, no forfeitures were generated and no forfeitures were used. As of December 31, 2024, there were \$15,484 of forfeitures available to be used to reduce employer matching contributions.

Investment Options. Upon enrollment in the Plan, a participant may direct employee contributions in various increments to the investments administered by Fidelity. Participants may change their investments daily and can choose from several available mutual funds in the Fidelity Investments portfolio of investment options.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan balances may be paid over a reasonable period of time not to exceed five years, except in the case that the proceeds of the loan are used to acquire the participant's principal residence. In this case, the maximum loan term is ten years. The loans are secured by the balance in the participant's account, and bear interest based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 1: Description of Plan (continued)

Payment of Benefits. On termination of service due to death, disability, retirement, or termination, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account as a lump sum distribution in whole or in part. All investments available in the plan allow for daily redemptions with no redemption notice period required.

Amendments. There were no amendments to the plan during the year ended December 31, 2024.

Note 2: Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments at December 31, 2024 and 2023 are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Risks and Uncertainties - The Plan provides for various investment options which are exposed to a variety of risks, including interest rate, market fluctuations, valuation, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - Plan management has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued.

Note 3: Certified Information

Fidelity Management Trust Company, the trustee of the Plan's assets, has certified as to the completeness and accuracy of the investments and participant notes receivable reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the investment activities and participant note interest reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, and all investment information reflected in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, in accordance with 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FOLSOM LAKE AUTO GROUP 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 3: Certified Information (continued)

The certified information is summarized below:

	2024	2023
Investments at fair value	\$ 10,674,662	\$ 9,629,958
Notes Receivable from Participants	211,692	187,478
Interest and dividend income	479,768	
Net appreciation in value of investments	536,119	
Interest Income from notes receivable from participants	14,519	

Note 4: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly SFAS No. 157), *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the plan at year end as reported by Fidelity Management Trust Company, the trustee of the Plan, based on quoted market prices.

FOLSOM LAKE AUTO GROUP 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 4: Fair Value Measurements (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Value
Mutual Funds	\$10,674,662	\$ -	\$ -	\$10,674,662
Total assets at fair value	\$10,674,662	\$ -	\$ -	\$10,674,662

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Value
Mutual Funds	\$ 9,629,958		\$ -	\$ 9,629,958
Total assets at fair value	\$ 9,629,958	\$ -	\$ -	\$ 9,629,958

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 6: Tax Status

The Plan uses the prototype plan document Fidelity Basic Plan Document No. 17, sponsored by FMR, LLC who received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Although the base document has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

FOLSOM LAKE AUTO GROUP 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 7: Administrative Fees

The Plan paid \$1,889 in direct administrative fees for the year ending December 31, 2024 to Fidelity for participant transaction fees. Fidelity also receives indirect record keeping compensation from the Plan's underlying mutual fund investments ranging from 0% to 0.40%, dependent on funds selected. Total fees, including record keeping and fund manager expenses, range from 0.020% to 1.41%, dependent on funds selected.

Note 8: Excess Contributions

For the years ending December 31, 2024 and 2023, the Plan was required to make corrective distributions of \$30,252 and \$24,257, respectively, to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the plan's statement of net assets available for benefits as excess contributions payable at December 31, 2024 and 2023.

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500

Employer and Employee Contributions:

The following is a reconciliation of Employee, Employer, and Rollover contributions per Schedule H of Form 5500 and the financial statement at December 31, 2024. The differences relate to timing differences in the recording of contributions on the 2024 Form 5500 (cash basis), and on the financial statements (accrual basis).

Total Contributions per schedule H of Form 5500	\$	746,167
Less December 2023 employer contributions receivable		(36,077)
Less December 2023 employee contributions receivable		(925)
Add December 2024 employer contributions receivable		40,352
Total Contributions per the financial statement	\$	749,517

Accrual for Excess Contributions:

As discussed in note 8, the Plan is required to refund excess contributions for the plan year ending December 31, 2024. For purposes of these financial statements, this amount was recorded as a payable as of December 31, 2024. The form 5500 is prepared on a cash basis, and these refunds will be shown as corrective distributions on the Schedule H for the 2024 tax year.

Corrective Distributions per schedule H of Form 5500	\$	25,941
Add accrual for excess participant contributions payable as of December 31, 2024		28,568
Less accrual for excess participant contributions payable as of December 31, 2023		(24,257)
Corrective Distributions per the financial statement	\$	30,252

The net assets available for benefits as shown on these financial statements is \$11,783 higher than on the schedule H of form 5500, and the net increase in assets available for benefits is \$961 lower than what is reported on schedule H of form 5500. These differences relate to cash vs. accrual differences described above.

Note 10: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Some of the plan investments are mutual funds managed by Fidelity Investments, an affiliated company with the trustee, Fidelity Management Trust Company. Fidelity is the investment advisor for these investments, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for investment management services of these mutual funds is included as a reduction of the return on each fund. Notes receivable from participants also reflect party-in-interest transactions.
