Independent Auditors' Report

The Administrative Committee
Helix Operating Company LLC Employees'
Profit Sharing Plan and Trust
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Helix Operating Company LLC Employees' Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HELIX OPERATING COMPANY LLC EMPLOYEES'
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Helix Operating Company LLC Employees' Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of Helix Operating Company LLC (the Company). Employees become eligible to participate on the first day of the month after they attain age 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions:

Participants elect to defer up to 100% of their eligible compensation as defined by the Plan on either a pre-tax basis or Roth basis. Employees are deemed to have elected to make an automatic pre-tax contribution of 3% of compensation unless they elect otherwise upon becoming eligible to participate in the Plan. Each year, participants, unless they elect otherwise, contributing less than 6% will have their contribution increased by 1% on their anniversary date until a maximum of 6% is attained. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company made matching contributions in an amount equal to 25% of the first 6% of amounts contributed by a participant for 2024. The Plan also provides for a discretionary employer profit sharing contribution. No discretionary profit sharing contribution was made for the year ended December 31, 2024. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (IRC). Contributions are subject to certain Internal Revenue Service (IRS) limits.

Participant Accounts:

Each participant's account is credited with the participant's contributions, the Company's matching contributions (when made) and an allocation of the Company's profit sharing contributions (when made), Plan earnings and charged with an allocation of administrative expenses as defined by the Plan agreement. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Notes Receivable From Participants:

The Plan permits limited borrowing by a participant against the value of his or her account not to exceed the lesser of \$50,000 or 50% of a participant's vested account balance. Interest is charged based on the prime rate at the time of the loan plus 1%. Repayments of principal and interest are credited to the participants' separate accounts within the funds as elected by the participants. Until such repayments are received, the loans receivable are accounted for in the participant loan fund.

Note 1. Description of Plan (Continued)

Vesting:

A participant has a 100% non-forfeitable vested interest in his or her contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions is based on years of continuous service. A participant is 100% vested after six years of credited service (0% in year one, 20% each year thereafter) or in the event of disability, death or retirement of the participant.

Payment of Benefits:

A participant or the participant's beneficiary, upon termination, death, disability or retirement, receives the vested interest in the participant's account in the form of a lump-sum payment. Additionally, the Plan has provisions for active participants to make withdrawals from their account, subject to limitations and restrictions.

Forfeitures:

The Plan utilizes forfeitures to first offset the Plan's administrative expenses and then to reduce employer contributions. Forfeitures of \$12,300 were used to offset administrative expenses for the year ending December 31, 2024. Forfeitures of \$47,798 were used to reduce employer contributions for year ended December 31, 2024. At December 31, 2024 and 2023, \$27,522 and \$76,299, respectively, remained as unallocated forfeitures.

Note 2. Summary of Accounting Policies

Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and Bank of America, N.A. (the Trustee). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is accrued on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued):

Revenue credit payments are made from excess revenue generated by the Plan through fund revenue or fees that are made available to the Plan. The Company monitors the payments received by the Plan service providers to ensure that they are used properly for qualifying Plan administrative and operating expenses. Revenue credits received for the year ended December 31, 2024 totaled \$47,371 and are included in net appreciation in fair value of investments. Revenue credits of \$32,183 were used to pay Plan expenses during year ended December 31, 2024. At December 31, 2024 and 2023, \$139,566 and \$120,593, respectively, remained as unallocated revenue sharing credits.

Contributions:

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. When a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 and 2023 excess contributions to the applicable participants prior to March 15, 2025 and 2024, respectively.

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits:

Benefits are recorded when paid.

Note 2. Summary of Accounting Policies (Continued)

Subsequent Events:

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2024, the most recent statement of net assets available for presented herein, through the date of the accompanying Independent Auditors' Report, the date these financial statements were available to be issued. No such significant events or transactions were identified.

Note 3. Unaudited Information

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, management received certifications from Bank of America, N.A. acknowledging the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2024 and 2023, the supplemental schedule at December 31, 2024, the related investment activity and loan interest reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for Plan assets measured at fair value:

- The fair value of interest bearing cash is based on the actual amount of cash in the Plan's sweep account held by the Trustee and is classified as Level 1.
- The fair value of the shares in mutual funds held by the Plan is based on the quoted net asset value (NAV) of shares held by the Plan on the last business day of the Plan year and is classified as Level 1.

HELIX OPERATING COMPANY LLC EMPLOYEES'
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

- The fair value of investments held in the common/collective trust fund is based on their reported NAV. The NAV is based primarily on observable inputs and the market value of the underlying investments and is classified as Level 2.

The methods described on the previous page may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2023 to 2024. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 2,328	\$ -	\$ -	\$ 2,328
Mutual funds	6,201,137	-	-	6,201,137
Common/collective trust fund	-	393,212	-	393,212
Total	\$ 6,203,465	\$ 393,212	\$ -	\$ 6,596,677

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 231	\$ -	\$ -	\$ 231
Mutual funds	6,040,257	-	-	6,040,257

Total	\$ 6,040,488	\$ 300,869	\$ -	\$ 6,341,357

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested and receive a total distribution of their accounts.

Net assets per the Form 5500	\$ 6,636,253	\$ 6,393,261

The following is a reconciliation of net increase per the financial statements to net income per the Form 5500 for the year ended December 31, 2024:

Net increase per the financial statements	\$ 250,432
Current year excess contributions payable	4,713
Prior year excess contributions payable	(12,153)
Net income per the Form 5500	\$ 242,992

Note 7. Federal Income Tax Status

The prototype document on which this Plan is based obtained an opinion letter dated June 30, 2020, from the IRS, in which the IRS stated that the basic prototype document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Company believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 8. Party-in-Interest Transactions

The Plan's investment in the Bank of America Sweep Account is managed by Bank of America, N.A. Bank of America is the Trustee for the Plan and therefore, these transactions qualify as party-in-interest transactions.

HELIX OPERATING COMPANY LLC EMPLOYEES'
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 8. Party-in-Interest Transactions (Continued)

Fees paid by the Plan to Bank of America, N.A. totaled \$32,658, all of which was paid for using revenue sharing funds for the year ended December 31, 2024, except for fees charged for specific participant transactions. Bank of America, N.A. is the Trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

Note 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
