Report of Independent Auditors

The Plan Administrator and Participants
Colwen Management, Inc. 401(k) Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Colwen Management, Inc. 401(k) Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Colwen Management, Inc. 401(k) Benefit Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Colwen Management, Inc. 401(k) Benefit Plan's ability to continue as a going concern for one year from the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion the effectiveness of Colwen Management, Inc. 401(k) Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Colwen Management, Inc. 401(k) Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedules of Delinquent Participant Contributions for the year ended December 31, 2024 and Assets Held as of December 31, 2024 are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

1. Description of Plan

The following description of the Colwen Management, Inc. 401(k) Benefit Plan (the Plan), provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was adopted on February 1, 2002 to provide retirement benefits for employees of Colwen Management, Inc. (the "Plan Sponsor"). The Plan covers substantially all full-time employees who are age twenty-one or older and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. In order to participate, employees must make a minimum contribution of 1% of compensation. Participant contributions are permitted up to 100% of annual compensation subject to certain IRC limitations.

The Plan provides for a safe harbor matching contribution of 100% on the first 3% of deferrals and a 50% match on the next 2% of deferrals. Plan Sponsor and participant contributions may not exceed the maximum amount deductible for federal income tax purposes. The Plan also provides that the Plan Sponsor may contribute each year an additional discretionary amount authorized by the Plan Sponsor's Board of Directors; however, an additional annual contribution is not required. No additional discretionary contribution was made during 2024.

Participant Accounts

Each participant's account is credited or charged with the participant's elective contributions and matching contributions from the Plan Sponsor, plus allocations of Plan Sponsor discretionary contributions, plan earnings (losses), and administrative expenses. Allocations are based on participant's compensation or account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of Plan (Continued)

Vesting

Participants are immediately and always fully vested in their elective salary deferral and the Plan Sponsor's safe harbor matching contribution plus or minus actual earnings and losses thereon. Vesting on the prior employer matching contributions was set at 25% per year for four years. Vesting in the Plan Sponsor's discretionary contributions is based on years of continuous service with participants vested at 20% after two years of continued service and vest 20% each year thereafter until becoming fully vested after six years of credited service.

Notes Receivable from Participants

The Plan allows participants to borrow against their accounts. Such loans shall not exceed the lesser of \$50,000 or 50% of the participants' vested interest in their account. The Plan has established a minimum loan request of \$1,000 per loan. Loans can be for any purpose with a term not to exceed 5 years, unless it is for the purchase of a primary residence. The interest rates on outstanding loans at December 31, 2024 ranged from 5.25% to 10.50% with various maturities through July 2029. The interest rates on outstanding loans at December 31, 2023 ranged from 5.25% to 8.25% with various maturities through November 2027. Principal and interest are paid ratably through payroll deductions.

Benefits

Regarding termination of service due to death, permanent disability or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account balance. For termination of service due to other reasons a participant will be entitled to receive only the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

The Plan permits distributions in the event of a hardship, as defined in the Plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is under age 59 ½. Hardship withdrawals are limited to the participant's elective account balance.

Forfeited Accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor discretionary contribution portion of their accounts. Such forfeitures reduce the Plan Sponsor's contributions to the Plan. For the year ended December 31, 2024, \$204 forfeitures were used to fund the safe harbor employer matching contribution. Unallocated forfeitures at December 31, 2024 and 2023 were \$10,114 and \$4,873, respectively.

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. **Description of Plan (Continued)**

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are presented using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investment contracts which are stated at contract value). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for further discussion and disclosures related to fair value measurements.

The Plan invests in fully benefit-responsive guaranteed investment contracts (GICs). These investment contracts are recorded at contract value (see Note 4). Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contracts represents contributions plus earnings, less participant withdrawals and administrative expenses.

Purchases of sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefit payments are recorded when paid.

Expenses

Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

In preparing these financial statements the Plan has evaluated events and transactions for potential recognition or disclosure through September 24, 2025, the date the financial statements were available to be issued.

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. **Information Certified by Trustee**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2024 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Nationwide Trust Company and Nationwide Life Insurance Company (the trustee and custodian of the Plan).

4. **Fully Benefit-Responsive Investment Contracts**

The Plan's group annuity contracts with Nationwide met the fully benefit-responsive investment criteria and, therefore are reported at contract value. Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There is no reserve against contract value for credit risk of the contract issuer or otherwise.

The issuer, Nationwide, maintains the contributions to the group annuity contract. The contract is credited with participant contributions plus earnings and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. At the beginning of each calendar quarter Nationwide will calculate an interest rate which will be credited to the contract during that quarter.

Certain events limit the ability of the Plan to transact at contract value with the insurance company under the group annuity contract. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures, or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable.

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices to active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: Valued at the net asset value of units of a pooled separate account. The net asset value, as provided by the contract issuer, is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

5. Fair Value Measurements (Continued)

The Plan holds no investments that are required to be leveled within the fair value hierarchy as of December 31, 2024 and 2023.

The following tables summarize investments for which the fair value is measured using the net asset value per share as a practical expedient as of December 31, 2024 and 2023.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 15,321,862	N/A	Daily	N/A

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

COLWEN MANAGEMENT, INC. 401(k) BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

5. Fair Value Measurements (Continued)

Accounting standards require disclosure of investment strategies for investments valued using net asset value as a practical expedient to estimate fair value, if the investment does not file a Form 5500 with DOL as direct filing entity. The following table discloses investment strategies for such investments:

Investments measured at net asset value:	2024	2023
Pooled separate accounts:		
(a)Asset allocation	\$ 7,192,033	\$ 5,676,382
(b)Fixed income	1,410,885	1,331,864
(c)Income	317,542	285,456
(d)Growth	626,420	545,664
(e)Growth & income	5,774,982	4,964,535
Total pooled separate accounts	\$ 15,321,862	\$ 12,803,901

- (a) Asset Allocation pooled separate accounts seek the highest total return consistent with its asset mix.
- (b) Fixed income pooled separate accounts seek long term growth of capital while seeking to both manage the volatility of return and limit the magnitude of portfolio losses.
- (c) Income pooled separate accounts seek high current income.
- (d) Growth pooled separate accounts seek to achieve conservation of capital, current income, and long-term growth of capital and income.
- (e) Growth and income pooled separate accounts seek capital growth and current income and invest in equity and debt securities of domestic and foreign companies.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no significant transfers between levels during 2024.

6. Related Party and Parties-in-Interest Transactions

The Plan pays fees to the asset trustee, investment advisor, and record keeper thereby qualifying as parties-in-interest. Certain fees paid to these parties-in-interest of the Plan were \$46,131 for the year ended December 31, 2024. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

7. Tax Status

On June 30, 2020 Nationwide Financial Services Non-Standardized pre-approved profit sharing Plan with CODA received a favorable opinion letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator has determined that it is eligible to and has chosen to rely on the current IRS opinion letter. Once qualified, the Plan is required to operate in conformity with the code to maintain its qualified status. The Plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the code.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Prohibited Transaction

The Company failed to remit timely to the Plan's trustee certain employee contributions and loan payments totaling \$153,360, \$318,873, and \$80,934, for the years ended December 31, 2024, 2023, and 2022, respectively. The late contributions for the years ended December 2023 and 2022, were fully corrected. The Company will make contributions to the affected participants' accounts to compensate those participants for the lost investment income due to the delays for the late contributions for the year ended December 31, 2024.
