Report of Independent Certified Public Accountants

To the Savings and Investment Plan Administrative Committee
EVERTEC Group, LLC Savings and Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of **EVERTEC Group LLC, Savings and Investment Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **EVERTEC Group LLC, Savings and Investment Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **EVERTEC Group LLC, Savings and Investment Plan's** ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **EVERTEC Group LLC, Savings and Investment Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **EVERTEC Group LLC, Savings and Investment Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(A)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EVERTEC Group, LLC Savings and Investment Plan

Notes to Financial Statements December 31, 2024 and 2023

1. **Description of Plan:**

The following description of the EVERTEC Group, LLC Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) **General** -

The Plan is a defined contribution plan covering substantially all employees that are at least 18 years old and have three months of service at EVERTEC Group, LLC (the Sponsor). The Plan is part of the Banco Popular de Puerto Rico (BPPR) Master Defined Contribution Retirement Plan (the Master Plan). It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Plan became effective on October 15, 2010 and was created in connection with EVERTEC Group, LLC becoming a stand-alone entity. Employees' years of service with the Sponsor prior to becoming a stand-alone entity were credited by the Sponsor of the Plan.

(b) **Plan Administration** -

The Plan is administered by the Savings and Investment Plan Administrative Committee, which is appointed by the board of directors of the Sponsor. The Plan's trustee, BPPR (the Trustee), is responsible for the custody and management of the Plan's assets.

(c) **Contributions** -

For each Plan year starting January 1, 2013 and thereafter, participants' pre-tax contributions may not exceed \$15,000. The Plan allows participants who have attained age 50 at any time during the Plan year to contribute additional pre-tax contributions up to \$1,500, to be entitled to "catch up contributions". After-tax contributions are allowed but may not exceed 10% of the aggregate compensation paid to the participant during the year participating in the Plan and are subject to certain limitations. Participants direct the investment of contributions into various investment options offered by the Plan. All of the Plan's investments are participant directed.

Sponsor's contribution ("matching contribution") is equal to \$0.50 of each pre-tax dollar that a participant contributes to the Plan but not to exceed 3% of participant's compensation.

The true-up contribution is an additional company match for employees that meet certain eligibility requirements to ensure that they are receiving the maximum company match based on their employee contributions to the plan during the prior plan year. It is designed to capture events where the employee may have reached the plan's maximum contribution limit early in the year and changed or suspended their contributions during the plan year. The average employee deferral must be higher than 3% for the entire plan year and the maximum employer match (including true up contributions) will not exceed \$0.50 per \$1.00 up to 3% of the employee's eligible salary as per Internal Revenue Service (IRS) guidelines. The true-up contribution for the prior plan year is deposited during the 1st quarter of the following year. For the year ended December 31, 2024, the true-up contribution amounted to \$51,646 and is included as employer's contribution within the accompanying statement of changes in net assets available for benefits.

EVERTEC Group, LLC Savings and Investment Plan

Notes to Financial Statements December 31, 2024 and 2023

(d) **Vesting** -

Participants are vested immediately in their contributions plus actual earnings thereon. Participant's vesting in the Sponsor's matching portion of their accounts plus actual earnings thereon is based on years of continuous service, in accordance to the following schedule:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1	20%
At least 2	40%
At least 3	60%
At least 4	80%
At least 5	100%

(e) **Payment of Benefits** -

On termination of service due to death, disability, or retirement (65 years) a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account.

Withdrawals for financial hardship are permitted, subject to certain limitations described in the Plan agreement.

(f) **Participant Accounts** -

Individual accounts are maintained for each Plan's participant to reflect the participant's contributions and related matching contributions, as well as the participant's share of the Plan's income (losses) and charged with an allocation of administrative expenses.

(g) **Forfeited Account** -

At December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$71,760 and \$51,107, respectively, and is included as part of investments at fair value in the accompanying statements of net assets available for benefits. Forfeitures under the Plan can either be allocated to participant's accounts during the Plan year, to reduce the amount the Sponsor must contribute to the Plan or used to reduce related Plan administrative expenses. During the year ended December 31, 2024, forfeitures from non-vested participants' accounts amounted to \$40,713. Unrealized gains from forfeitures amounted to \$3,309. Also, in 2024, Plan administrative expenses amounting to \$23,369 were paid from forfeited non-vested accounts. The Plan Sponsor has not yet determined whether the forfeited balance at year end will be (a) used to reduce future employer contribution, (b) allocated to participants' accounts, or (c) used to reduce related Plan administrative expenses.

(h) **Notes Receivable from Participants** -

Loans to participants of the Plan are currently not permitted.

2. **Summary of Accounting Policies:**

(a) **Basis of Accounting and Use of Estimates** -

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

EVERTEC Group, LLC Savings and Investment Plan

Notes to Financial Statements December 31, 2024 and 2023

(b) Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

(c) Payment of Benefits -

Benefits payments to participants are recorded upon distribution.

(d) Administrative Expenses -

The Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Fees charged by the Trustee for administration services to investments must be paid from the trust fund, audit fees and all other administrative expenses may be paid all or in part by the Sponsor or deducted from the trust fund.

3. Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under Financial Accounting Standard Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurement and Disclosures* are (1) Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, (2) Level 2 inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and (3) Level 3 inputs to the valuation methodology are unobservable and significant for the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Common stocks:* Valued at the closing price reported on the active market on which the individual securities are traded.
- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Interest bearing deposits:* The carrying amount of interest-bearing deposits are reasonable estimates of the fair value due to the demand nature of the instruments.

The valuation of the net assets of each plan in the Master Trust arises from the application of the Unitized Value Method calculated using the NAV investment held by each Plan multiplied by the number of outstanding shares or units of each participating plan. The net investment income or loss is calculated considering the number of shares or units of each investment in the plan.

5. Information Certified by the Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee as complete and accurate, except for comparing such information certified by the Trustee with information included in the Plan's financial statements and supplemental schedules:

Notes to Financial Statements December 31, 2024 and 2023

Investments at fair value and accrued interest and dividends from participants certified by the Trustee:

	As of December 31,	
	2024	2023
Investments at fair value	\$ 117,263,526	\$ 101,533,700
Accrued interest and dividends	95,858	100,882
	<u>\$ 117,359,384</u>	<u>\$ 101,634,582</u>

Investment income certified by the Trustee:

	Year Ended December 31, 2024
Interest and dividend income	\$ 1,962,723
Net appreciation in fair value of investments	12,688,444
	<u>\$ 14,651,167</u>

6. Related-Party and Party-in-Interest Transactions:

All investments are managed by the Trustee and record keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Trustee charges administrative fees paid by the Plan Sponsor for providing certain administrative or shareholder services to the investments. Administrative fees paid by the Plan Sponsor to the Trustee during the year ended December 31, 2024, amounted to \$186,134.

7. Tax Status:

On May 20, 2013, the Plan obtained a determination letter, in which the Puerto Rico Department of Treasury (the Treasury Department) stated that, effective July 1, 2011, the Plan is designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011 (the Code), as amended, and therefore the plan is exempt from Puerto Rico income taxes.

The Plan is maintained through the adoption of the Popular Master Defined Contribution Retirement Plan (the Popular Master Plan) and the Popular Master Trust. A favorable determination was issued on May 22, 2012 by the Department as to the qualified status of the Popular Master Plan sponsored by Banco Popular de Puerto Rico under the provisions of the 2011 Code.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's Sponsor Tax department believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

EVERTEC Group, LLC Savings and Investment Plan

Notes to Financial Statements December 31, 2024 and 2023

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Treasury Department. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The tax years of the Plan Sponsor with respect to the Plan that remain open for examination are from 2020 to 2024.

8. **Plan Termination:**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. **Risks and Uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. **Subsequent Events:**

The Plan has evaluated all subsequent events through October 7, 2025, which is the date the financial statements were available to be issued.

d The opinion of an independent qualified public accountant is **not attached** because:

- (1) This form is filed for a CCT, PSA, or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)			
4a			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b
