INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Alpha Media LLC 401(k) Retirement Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alpha Media LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination

As disclosed in Note 12 to the financial statements, the governing body of the Plan approved a plan to terminate the Plan effective September 4, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALPHA MEDIA LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Alpha Media LLC 401(k) Retirement Plan (the Plan) provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan maintained for the benefit of all employees of Alpha Media LLC (the Company) except employees who are covered by a collective bargaining agreement that does not provide for participation in the Plan, leased employees and non-resident aliens. Employees who are at least 21 years of age are eligible to participate in the Plan on the first day of the calendar month upon completing six months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment - Effective March 1, 2024, the Plan was amended to allow for a one-time automatic enrollment of eligible employees not already participating in the Plan as of the amendment effective date.

Contributions - Contributions may consist of employee elective deferrals and discretionary employer matching contributions. Employee elective deferrals and the discretionary employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation. Employees may voluntarily contribute up to 100% of their eligible compensation to the Plan, not to exceed the maximum annual contribution of \$23,000 and \$22,500 in 2024 and 2023, respectively, as prescribed by the Internal Revenue Code (IRC). Participants aged 50 and older may elect additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit plans (rollover). The Plan includes an auto-enrollment provision whereby 2% of the compensation of newly eligible participants will be automatically deferred into the Plan unless the participant affirmatively elects not to participate in the Plan or elects to contribute a different amount. Participants may elect to designate all or a portion of elective deferrals as Roth elective deferrals. Company discretionary matching contributions are determined annually by the Company. For the years ending December 31, 2024 and 2023, the Company elected to make discretionary employer matching contributions equal to 25% of the first 4% of a participant's elective deferrals, not to exceed \$2,500 per participant. The Company made discretionary employer matching contributions of \$337,697 and \$320,452 in 2024 and 2023, respectively.

Participants' Accounts - A separate account is maintained for each participant, which is credited with the participant's contributions, the Company's contributions and an allocation of Plan earnings and expenses. Allocation of Plan earnings is based upon participant account balances. Discretionary employer matching contributions are allocated among participants for the year based on each participant's contributions. The benefit to which a participant is entitled is the vested amount in their individual account.

Vesting - Participants are immediately vested in their voluntary contributions and actual earnings thereon. The employer's discretionary matching contribution becomes vested at 20% after two years of service and 20% annually thereafter and becomes 100% vested after six years of service. Participants are also 100% vested upon death, total and permanent disability or retirement.

Payment of Benefits - Upon termination of service, retirement, disability or death, a participant will receive their benefits as a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$7,000 may be automatically paid out at the discretion of the Company. Balances between \$1,000 and \$7,000 may be transferred to an IRA, also at the discretion of the Company.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding increase to distributions.

Expenses - Administrative expenses may be paid by the Company. Expenses not paid by the Company are deducted from participants' accounts. Certain expenses of Plan administration, including computer services, professional fees, office supplies and payroll expenses of administrative and clerical personnel are provided by the employer without charge to the Plan. Transaction-based fees, such as participant loan and benefit distribution fees are charged to the participant's account.

Forfeitures - Forfeited accounts amounted to \$22,033 and \$1,913 at December 31, 2024 and 2023, respectively. Forfeited nonvested accounts generally are the result of Company matching contributions made to ineligible employees and unvested employer discretionary matching contributions and include earnings thereon. The accounts will be used to pay administrative expenses or to reduce future employer contributions. Plan expenses were reduced by \$5,956 and \$8,970 from forfeited nonvested accounts in 2024 and 2023, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements of the Plan were prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and management and operating expenses associated with the Plan's investments in mutual funds and the money market mutual fund.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments - Benefits are recorded when paid. Accordingly, benefits payable to persons that have elected to withdraw from the Plan but are not yet paid at year-end have not been accrued. At December 31, 2024 and 2023, there were \$3,981 and \$551, respectively, of benefit payments due to participants.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) No. 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC No. 820 are described as follows:

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds and money market mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market mutual fund held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Investment Assets Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 32,204,895	\$ -	\$ -	\$ 32,204,895

NOTE 4 – INFORMATION CERTIFIED BY CUSTODIAN OF THE PLAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), that was certified by the custodian of the Plan, Charles Schwab Trust Bank, and furnished to the Plan administrator. The Plan administrator has obtained certification from the custodian that such information is complete and accurate.

	2024	2023
Investments at fair value	\$ 33,230,661	\$ 31,077,077
Non interest-bearing cash	\$ 4,051	\$ 140
Net appreciation in fair value of investments	\$ 2,782,632	\$ 3,979,011
Interest and dividends	\$ 1,323,071	\$ 889,777

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

The Plan makes loans to participants based on their vested account balances. Loans must be repaid within five years, except for loans made for the purchase of a primary residence. Loans are payable through payroll deductions. The loan interest rate is set at 1.0% above the prime rate as posted in the Wall Street Journal (or similar financial publication) when the loan is made. Interest rates range from 4.25% to 9.50% for loans outstanding at December 31, 2024. Loans outstanding at December 31, 2024 mature through April 2036. Loans are secured by the vested account balance of the participant.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a money market mutual fund managed by Charles Schwab Trust Bank or an affiliate of Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees for investment management services for the money market mutual fund managed by an affiliate of Charles Schwab Trust Bank, are charged by the custodian or an affiliate at a rate of 0.45% and are netted against Plan earnings.

NOTE 7 – PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. See Note 12.

NOTE 8 – CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participants' account balances. There were two and three investments that individually represented more than 10% of the investments held as of December 31, 2024 and 2023, respectively. See the Supplemental Schedule of Assets (Held at End of Year) for the complete listing of investments held as of that date.

NOTE 9 – TAX STATUS

The Plan document is a Non-Standardized Pre-Approved Profit Sharing Plan sponsored by Saalfeld Griggs PC. In an opinion letter dated June 30, 2020, the Internal Revenue Services stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan document has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – PROHIBITED TRANSACTIONS

During 2023 and 2022, the Plan’s management determined that elective salary deferrals withheld from employees’ payroll totaling \$2,507 and \$20, respectively, were not remitted to the Plan by the Company within the time period required by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company is aware of the occurrences and has taken the appropriate steps to fully correct both the 2023 and 2022 occurrences in 2024.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 34,063,742	\$ 31,851,634
Excess contributions payable	-	74,148
Benefit claims payable	(3,981)	(551)
Other expenses payable	(70)	(360)
Net assets available for benefits per Form 5500	<u>\$ 34,059,691</u>	<u>\$ 31,924,871</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31:

	<u>2024</u>	<u>2023</u>
Net increase in net assets per the financial statements	\$ 2,212,108	\$ 3,325,789
Excess contributions payable, end of year	-	74,148
Benefit claims payable, end of year	(3,981)	(551)
Other expenses payable, end of year	(70)	(360)
Excess contributions payable, beginning of year	(74,148)	(44,744)
Benefit claims payable, beginning of year	551	15,000
Other expenses payable, beginning of year	360	70
Net increase (decrease) in net assets per Form 5500	<u>\$ 2,134,820</u>	<u>\$ 3,369,352</u>

NOTE 12 – SUBSEQUENT EVENTS

On September 4, 2025, the Company closed an agreement providing for the acquisition of certain assets of the Company to Connoisseur Media, following FCC approval on August 13, 2025. The Plan was excluded from the acquisition and the Company elected to terminate the Plan subject to the provisions of ERISA effective September 4, 2025 (termination date). All participants in the Plan at that time became fully vested in their accounts as of the termination date. The Plan expects to fully distribute all the assets of the Plan as soon as administratively feasible.

The Plan's management has performed an evaluation of subsequent events through October 7, 2025, which is the date these financial statements were available to be issued.
