| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

October 3, 2025

To Administrative Committee of the  
Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter- Supplemental Schedule Required by ERISA**

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

## INDEPENDENT AUDITOR'S REPORT

(Continued)

### Other Matter- Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# HOLTHOUSE CARLIN & VAN TRIGT LLP 401(K) PLAN AND TRUST

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### 1. DESCRIPTION OF PLAN

The following is a brief description of the Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust (the Plan) provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a contributory 401(k) and profit-sharing plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC), covering eligible employees, as defined, of Holthouse Carlin & Van Trigt LLP (the Company). The Plan is funded by employee and employer contributions. At December 31, 2024 and 2023, the assets of the Plan were maintained in investment funds held by Fidelity Management Trust Company ("Fidelity"). The Plan is intended to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent legislation, where applicable.

#### **Eligibility**

The Plan was established for partners, account coordinators and administrative employees of Holthouse Carlin & Van Trigt LLP. Employees who are in the following classification groups are eligible to participate in the Holthouse Carlin & Van Trigt LLP 401(k) Plan and Trust II (the "HCVT Plan II"): business management staff (except for account coordinators), paraprofessionals, staff accountants, advanced accountants, senior accountants, supervising senior accountants, managers, senior managers, and principals of the Company. Eligible employees may participate in the plan upon completion of three months of service. Participants are also eligible for a discretionary non-elective employer contribution on January 1 and July 1 following the completion of six months of service.

#### **Contributions**

Participants may authorize a pre-tax elective deferral contribution up to 75% of earnings or the maximum annual limitations as provided by the Internal Revenue Code. Roth elective deferrals are permitted under the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants are automatically enrolled with a 6% elective deferral upon meeting the eligibility requirements unless a different affirmative election is made. Deferral percentages for participants automatically enrolled are auto increased by 1% each year up to 10%. During the years ended December 31, 2024 and 2023, discretionary non-elective employer contributions totaled \$3,177,273 and \$2,511,619, respectively.

Participants direct the investment of employee and employer contributions into various investment options offered by the Plan. Participants can access additional investments through self-directed brokerage accounts. Participants may change their investment allocation on a daily basis.

## 1. DESCRIPTION OF PLAN (Continued)

### **Plan Transfers**

During the year ended December 31, 2024, certain participants in the Plan changed their position from partner and became eligible to participate in the HCVT Plan II and ineligible to participate in the Plan. As a result, an account balance totaling \$46,424 was transferred from the Plan during the year ended December 31, 2024.

During the year ended December 31, 2023, certain participants in the HCVT Plan II were promoted to partner and became eligible to participate in the Plan and ineligible to participate in the HCVT Plan II. As a result, an account balance totaling \$2,113,079 was transferred into the Plan during the year ended December 31, 2023.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocation of (a) the Company's contributions (b) Plan earnings and losses, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Notes Receivable from Participants**

Participants may borrow a minimum of \$1,000 from their funds up to a maximum amount, which is the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years but may exceed five years for the purchase of a primary residence. The notes are collateralized by the balance in the participant's account and bear interest at a rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

### **Withdrawals and Distributions**

Unless a participant elects otherwise, distributions are made as soon as practical after the participant's normal retirement date or actual retirement date occurs. Participants may also receive their accumulated vested benefits held by the Plan's trustee upon permanent disability or in the event of death prior to termination of employment. Participants may elect either a lump-sum amount, installment payments, or an annuity.

Participants may also receive in-service withdrawals at age 59 ½ and hardship distributions under certain circumstances, as defined in the Plan Document. In addition, participants may receive distributions of their vested portion of employer contributions if the employee has a minimum of 60 months of participation or the employer contributions have been in the participant's account for at least 24 months, as defined by the plan document.

### **Vesting**

Participants are immediately 100% vested in their elective deferral contributions, employer QNECs and rollover contributions. Vesting in the Company's non-elective contribution is based on years of continuous service. A participant is 100% vested after three years of credited service.

### **Forfeited Accounts**

Forfeitures of nonvested separated participants are available to be applied toward future employer non-elective contributions. Forfeitures of \$23,478 and \$14,333 were used to reduce non-elective contributions made to the Plan for the years ended at December 31, 2024 and 2023, respectively. There were \$13,180 and \$13,621 of forfeited nonvested accounts at December 31, 2024 and 2023, respectively.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become fully vested in their account balances.

### **Basis of Accounting**

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### **Valuation of Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold or held during the year.

### **Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

### **Administrative Expenses**

Investment fees are paid by the Plan. Administrative expenses that are not paid by the Plan are paid by the Company.

### **Income Taxes**

The Plan has received a volume submitter profit sharing plan with CODA letter response from the Internal Revenue Service (the "IRS") dated June 30, 2020, stating that the IRS does not have a ruling or determination on whether the company's plan qualifies under Code Section 401(a) but an employer who adopts the Plan qualifies under Section 401(a) of the Internal Revenue Code (the "IRC"), and therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Risks and Uncertainties

The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

### Payment of Benefits

Benefits are recorded when paid.

## 3. FINANCIAL CERTIFICATION

The following financial information relating to the Plan's assets at December 31, 2024 and 2023, as well as investment income and investment transactions for the years ended December 31, 2024 and 2023, has been derived from information provided by Fidelity Management Trust Company, the trustee of the Plan, and has been certified by them as complete and accurate.

## 4. FAIR VALUE MEASUREMENTS

The Plan uses various valuation techniques in determining fair value. ASC Topic 820 established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

#### 4. FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes to valuation methodologies in 2023 or 2024.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds:* Values are determined based on quoted market prices in active markets.

*Self-directed brokerage account:* Self-directed brokerage account consists of mutual funds, common stocks, and money market accounts the values of which are determined based on quoted market prices in active markets.

*Common collective trusts:* Valued at the net asset value (NAV) of units of the collective trusts, using independent pricing services approved by the trustee. The net asset value is based on the fair value of the underlying investments held by the fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no unfunded commitments or redemption restrictions.

*Stable value fund:* Valued at the NAV based on contractual terms of the underlying guaranteed investment contracts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant-directed exchanges to another investment option may be made on any business day, provided that the exchange is not directed into a competing fund, in which case there is a 90-day holding period.

#### 4. FAIR VALUE MEASUREMENTS (Continued)

The New York Life Anchor Account seeks to preserve principal and maintain a stable crediting rate that is responsive to changes in interest rates. The Fund seeks to provide participants with a low-risk, stable value option that offers competitive yields, and limited volatility by investing in a group annuity contract issued by New York Life Insurance Company. Principal and accumulated interest guarantees are provided by New York Life, subject to the terms of the group annuity contract. The Fund crediting rate is subject to change daily. The Contracts and securities purchased for the fund are backed solely by the financial resources of the issuers of such Contracts and securities. There are certain restrictions, for example, withdrawals prompted by certain events (e.g., layoffs, early retirement windows, spin-offs, sale of a division, facility closings, plan terminations, partial plan terminations, changes in laws or regulations) may be paid at the market value of the fund's securities, which may be less than the book value balance. Certain investment options offered within the Plan (e.g., money market funds, short term bond funds, certain asset allocation/lifecycle funds and brokerage window) may be deemed by the Contract issuers to "compete" with this fund. The terms of the Contracts prohibit a direct exchange from this fund to such competing funds. Instead, exchanges must first occur to a non-competing fund for 90 days. While these requirements may seem restrictive, they are imposed by the Contract issuers as a condition for the issuer's promise to pay certain withdrawals and exchanges at book value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

|   | <u>Assets at Fair Value as of December 31, 2024</u> |                |                |                      |

<sup>(a)</sup> In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### 5. PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2024 and 2023, certain plan investments were managed by Fidelity Management Trust Company, the trustee, therefore any transactions with Fidelity Management Trust Company qualify as party-in-interest.

Notes receivable from participants of \$447,501 and \$357,743 as of December 31, 2024 and 2023, respectively, with interest rates ranging from 5.25% to 10.50% qualify as party-in-interest.

#### 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2024 and 2023.

#### 7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 3, 2025, which is the date the financial statements were available to be issued.
