INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Hawaii Glaziers Vacation and Holiday Trust Fund

Opinion

We have audited the accompanying financial statements of the Hawaii Glaziers Vacation and Holiday Trust Fund, which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of Hawaii Glaziers Vacation and Holiday Trust Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits (modified cash basis) for the year then ended, in accordance with the modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hawaii Glaziers Vacation and Holiday Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hawaii Glaziers Vacation and Holiday Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaii Glaziers Vacation and Holiday Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HAWAII GLAZIERS VACATION AND HOLIDAY TRUST FUND

Notes to the Financial Statements

Years Ended December 31, 2024 and 2023

1. GENERAL

The Hawaii Glaziers Vacation and Holiday Trust Fund ("Plan") was formed on July 1, 1971 under the Collective Bargaining Agreement between the Glass/Metal Contractors Association of Hawaii and the Glaziers, Architectural Metal and Glassworkers Union, Local 1889, AFL-CIO. Contributions to the Plan are made by employers who are parties to the Agreement, as well as by the Union on behalf of its staff employees.

The Plan is designed to provide vacation and holiday benefits to eligible employees in accordance with the terms of the applicable Agreement. Contributions made by employers are allocated to individual participant accounts and designated specifically for vacation and holiday savings purposes. These accounts are maintained separately at the Plan's depository institution, and participants may take distributions in accordance with the Plan's provisions.

2. SUMMARY OF ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP). Under this method, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred, with certain modifications to reflect the recording of investments at fair value. The financial statements present the net assets available for benefits and changes therein, and reflect investment transactions, income, and contributions as reported by the Plan's trustee and recordkeeper.

b. Cash and Cash Equivalents

Cash and cash equivalents include short-term, highly liquid investments with original maturities of three months or less at the date of acquisition, other than those held in investments accounts. These balances may include demand deposits, money market funds, and short-term certificates of deposit. Cash and cash equivalents are stated at cost, which approximates fair value.

c. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements.

Significant estimates include the fair value of investments and assessment of collectability for employer contribution receivables. Actual results could differ from those estimates, and such differences may be material to the financial statements.

Notes to the Financial Statements

Years Ended December 31, 2024 and 2023

2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

d. Liabilities

Amounts held in vacation and holiday accounts are considered liabilities of the Plan until distributed to participants. In accordance with ERISA, vacation and holiday benefits become non-forfeitable once contributions are credited to the participant accounts. As a result, these amounts are excluded from the net assets available for benefits and are reported as liabilities on the Statements of Net Assets Available for Benefits (Modified Cash Basis).

e. Payment of Benefits

Benefit payments to participants are made on-demand and recorded upon distribution.

f. Revenue Recognition

The Plan receives contributions from multiple participating employers under the terms of the collective bargaining agreement. Employer contributions are recognized when received.

Investment income, including interest and dividends, is recognized as earned on an accrual basis. Purchases and sales of investments are recorded on a trade-date basis. Net change in the fair value of investments includes realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at year-end.

g. Delinquent Contributions

Under Department of Labor (DOL) guidelines, employer contributions must be transmitted to the Plan as soon as they can reasonably be segregated from the employer's general assets. The Plan monitors compliance with these contribution deadlines on an ongoing basis.

During the years ended December 31, 2024 and 2023, certain participating employers did not remit contributions with the required timeframe. The Plan identified these instances of delinquent contributions and pursued collection through its standard enforcement procedures, including follow-up communications and legal action, when necessary. Most delinquent amounts were subsequently paid, and any unresolved items remain under review.

h. Administrative Expense

Administrative expenses to the Plan include costs related to legal, accounting, auditing, trustee meetings, recordkeeping, and other services necessary for the administration and operation of the Plan. These expenses are paid directly from Plan assets, as permitted under the Plan document. All administrative expenses are reviewed and approved by the Board of Trustees to ensure reasonableness, consistency with fiduciary standards under ERISA, and compliance with the terms of the Plan.

HAWAII GLAZIERS VACATION AND HOLIDAY TRUST FUND

Notes to the Financial Statements

Years Ended December 31, 2024 and 2023

3. FUNDING POLICY

The Plan is funded through employer contributions made pursuant to collective bargaining agreements between participating employers and the Glaziers, Architectural Metal and Glassworkers Union, Local 1889, AFL-CIO. The contributions, less an administrative fee, is credited directly to each employee's vacation and holiday savings account. The contribution rate is established under the terms of these arrangements and is based on a fixed amount for each hour worked by a covered employee

Employer contributions are required to be remitted on a regular basis and are used to fund participant accounts and pay administrative expenses of the Plan. The Plan does not permit employee contributions and is considered noncontributory.

4. CONCENTRATION OF CREDIT RISK

The Plan is subject to concentrations of credit risk in the normal course of operations. The Plan maintains cash balances and investment accounts with financial institutions that may exceed federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2024 and 2023, the Plan had no cash balances in excess of insured limits. The Plan has not experienced losses in these accounts and believes it is not exposed to any significant credit risk on its cash holdings.

The Plans investments are also subject to various market risks, including interest rate, credit, and liquidity risk. The Plan monitors investment allocations and exposures in consultation with the Plan's investment advisors to mitigate these risks.

The Plan and its contributing employers operate primarily within the glass and glazing industry in the State of Hawaii. For the year ended December 31, 2024, approximately 67% of employer contributions were received from six participating employers. The failure of any of these employers to meet their funding obligations could have a material impact on the Plan's contributing revenue.

5. PLAN TERMINATION

The Plan is intended to continue indefinitely; however, it shall have the right to amend or terminate the Plan or trust agreement subject to the provisions set forth in ERISA.

The Employer specifically reserves the right to discontinue or terminate this Plan in whole or in part to the extent permitted by law. Upon a termination of the Plan, the Plan Administrator shall take such steps as determined to be necessary or desirable to comply with applicable laws, and such steps as necessary to ensure that the assets remain dedicated to the payment of benefits for Participants in another tax-exempt vehicle.

Notes to the Financial Statements

Years Ended December 31, 2024 and 2023

6. PARTY-IN-INTEREST TRANSACTIONS

Certain transactions occurred during the year with parties considered to be parties-in-interest, as defined under ERISA. These parties include the Plan's trustees, service providers, investment managers, record keeper, and any sponsoring employers.

The Plan engaged in routine transactions with these parties, including payment of administrative expenses, investment management fees, and trustee-related expenses. All such transactions are conducted in the ordinary course of business and are permitted under the provisions of the Plan and ERISA. These transactions are exempt from the prohibited transactions provisions of ERISA under statutory or administrative exemptions.

During the years ended December 31, 2024 and 2023, the Plan paid administrative, recordkeeping, and trustee fees totaling \$36,289 and \$31,219, respectively, to service providers who are considered parties-in-interest. Additionally, certain Plan investments are held in investment vehicles managed by institutions that may be related to the Plan's investment managers. Fees related to these investments are reflected as a reduction in investment income on the accompanying financial statements.

7. PROHIBITED TRANSACTIONS

The Plan is subject to prohibited transactions rules under ERISA and the IRC, which generally prohibit transactions between the Plan and parties-in-interest unless an exemption applies.

For the years ended December 31, 2024 and 2023, the Plan reviewed its operations, contracts, and service agreements to identify any transactions that may be considered prohibited under ERISA or IRC. Based on this review, the Plan is not aware of any non-exempt prohibited transactions that occurred for both years.

8. TAX STATUS

The Plan obtained its determination letter in September 1972 in which the Internal Revenue Service stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Although the Plan has been amended since the date of the determination letter, the Plan believe that it continues to comply with the applicable requirements of the IRC. Therefore, the Plan continues to be exempt from federal income taxes.

The Plan is subject to routine IRS examinations and compliance reviews. The Plan is not aware of any pending or threatened audits, nor has it identified any uncertain tax positions that would require recognition or disclosure related to income taxes.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events that may require disclosure to the accompanying financial statements through September 25, 2025, the date at which the accompanying financial statements were available to be issued. There were no events or transactions identified which required recognition or disclosure.
