## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the  
Adaptec Solutions 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Adaptec Solutions 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2024 and 2023, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**1. Description of the Plan**

The following description of the Adaptec Solutions 401(k) Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

***General***

The Adaptec Solutions 401(k) Plan was established March 7, 2019, and is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Adaptec Solutions, LLC (the Company, Employer or Plan Administrator). Fidelity Management Trust Company (Fidelity or FMTC) and Fidelity Workplace Services LLC serve as the trustee and recordkeeper of the Plan, respectively.

***Eligibility***

Employees become eligible for participation in the Plan immediately upon attaining the age of 18 and completing 3 months of service with the exception of members of collective bargaining units and nonresident aliens, as defined by the plan document. Participants are immediately eligible upon meeting the eligibility requirements.

***Contributions***

Each year, participants may elect to contribute up to 92% of his or her pretax or after-tax compensation, subject to certain maximum limitations imposed by the Internal Revenue Code (IRC) (\$23,000 for 2024). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$7,500 for 2024). Rollover contributions representing distributions from other qualified defined contribution or defined benefit plans are permitted by the Plan.

The Plan may elect to make discretionary matching and discretionary nonelective contributions to the Plan, in amounts determined by the Company according to Plan provisions. There were no discretionary matching or discretionary nonelective contributions for the year ended December 31, 2024.

The Plan also makes safe-harbor matching contributions in the amount of 100% of participant elective deferrals up to 3%, and 50% of participant elective deferrals on the next 2% of a participant's eligible compensation. The safe-harbor matching contribution for the year ended December 31, 2024 was \$613,922.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions, (b) Plan earnings (losses) and (c) administrative expenses. Plan earnings (losses) and administrative expenses are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in elective deferrals, rollover contributions, safe harbor contributions and qualified nonelective contributions, plus actual earnings, thereon.

Vesting in the Company's discretionary contributions, plus actual earnings thereon, is based on years of continuous service. Through April 30, 2022, participants vested 20% per year beginning after two years of qualified service and are 100% vested after six years of qualified service or upon occurrence of the participant's death or disability, as defined by the plan document. For participants who transferred in when Integrated Solutions, Inc. 401(k) Plan merged into the plan, the profit sharing source will be vested at a three-year cliff.

Effective May 1, 2022, the Plan amended the vesting schedule for all employees within the Plan. All participants who merged in from the Integrated Solutions, Inc. 401(k) Plan who completed at least an hour of service on or after December 31, 2021, are 20% vested in discretionary match and discretionary nonelective after two years of qualified service and fully vested after the third. All participants who merged in from the Integrated Solutions, Inc. 401(k) Plan who do not have at least an hour of service on or after December 31, 2021, are fully vested in discretionary match and discretionary nonelective after three years of service. All participants hired prior to January 1, 2020 and did not merge into the Plan from the Integrated Solutions, Inc. 401(k) Plan are fully vested in discretionary match immediately. All participants are fully vested in prior Company matching contributions after three years of qualified service or upon occurrence of the participant's death or disability, as defined by the Plan document.

***Participant Notes Receivable***

The Plan provides that participants may request a loan from the vested portion of the participant's account for any purpose. The amount of the loan which may be received cannot exceed the lesser of 50% of the participant's vested interest or \$50,000.

Loans are secured by the vested balance in a participant's account and bear interest at the prevailing prime rate plus one percent. Principal and interest are paid in level payments on at least a quarterly basis, and must be completed within five years, with the exception of loans whose proceeds are used for the purchase of a participant's primary residence, which cannot extend beyond ten years. Principal and interest are paid ratably through weekly payroll deductions. Participants are limited to two outstanding loans.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

***Payment of Benefits***

Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) can elect to receive 100% of their vested account balance, payable in a lump-sum, direct rollover, equal installment payment, partial withdrawal. Participants who have reached the age of 59½ may elect to withdraw all or a portion of their account while still employed by the Employer. If a participant's vested balance is equal to or less than \$1,000, the participant will receive an immediate cash-out of their vested account balance. If a participant's vested balance exceeds \$1,000 and is equal to or less than \$7,000, the amount will be rolled over to an individual retirement account.

During 2024, the Plan adopted certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE) Act 2.0 which included the adoption to increase the limits for involuntary automatic rollovers to an individual retirement plan upon participant terminations for account balances from \$5,000 to \$7,000 and optional new withdrawal types that may be elected by eligible participants which include domestic abuse, emergency expense, qualified declared disaster, and qualified birth or adoption.

***Hardship Withdrawals***

Hardship distributions are permitted from participant elective deferral accounts subject to limitations imposed by the IRC.

***Forfeitures***

Forfeitures of non-vested discretionary contributions may be used to pay administrative expenses and reduce Employer contributions to the Plan. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$2 and \$1, respectively. For the year ended December 31, 2024, forfeitures in the amount of \$20,907 were used to offset administrative expenses and reduce Employer contributions.

***Plan Termination***

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested and entitled to receive all amounts credited to their accounts.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**ADAPTEC SOLUTIONS 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

***Valuation of Investments and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee (Note 3).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

***Participant Notes Receivable***

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document.

***Contributions***

Participant and Employer safe-harbor matching contributions are recorded weekly when the Employer remits the payroll deductions for investment into the Plan. Discretionary matching and discretionary nonelective contributions are made at year-end, if applicable.

***Payment of Benefits***

Benefits are recognized when paid or payable to participants or their designated beneficiaries.

***Administrative Revenue (Expenses)***

Expenses incurred in the administration of the Plan are paid by the Company unless the Company directs that such expenses be paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Recordkeeping fees are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statement of Changes in Net Assets Available for Plan Benefits. Administrative revenue arises when investment managers return a portion of the investment fees to the recordkeeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid. At December 31, 2024 and 2023, \$5 and \$5,061, respectively, of revenue credits were available to pay investment and administrative expenses.

**ADAPTEC SOLUTIONS 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

***Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

***Risks and Uncertainties***

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in two mutual funds that accounted for approximately 31% of total Plan investments as of December 31, 2024. The Plan invested in three mutual funds that accounted for approximately 42% of total Plan investments as of December 31, 2023.

***Financial Instruments with a Concentration of Credit Risk***

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

**3. Fair Value Measurements**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

**ADAPTEC SOLUTIONS 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund:* The money market fund is valued at deposit amount plus accrued interest, as determined according to stated terms.

As of December 31, 2024 and 2023, the Plan's investments in the money market fund and mutual funds are reported at level 1 within the fair value hierarchy.

#### **4. Income Tax Status**

The Plan is based on a non-standardized pre-approved profit-sharing plan with CODA developed by FMR LLC, which received a favorable advisory letter dated June 30, 2020, from the Internal Revenue Service (IRS) stating that the nonstandard pre-approved plan constitutes a qualified plan under Section 401 of the IRC. The Plan Administrator believes the plan, as adopted and amended, is operating within the guidelines of the IRC, and continues to be tax-exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**December 31, 2024 and 2023**

**5. Summary of Financial Data Certified by the Trustee**

The following is a summary of financial information and data certified by the trustee, FMTC:

Statements of Net Assets Available for Plan Benefits at December 31, 2024 and 2023, except for contributions receivables, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2024; and

Investment information provided on the supplemental schedule, Schedule of Assets (Held at Year End) at December 31, 2024.

**6. Differences from Form 5500**

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for plan benefits per the financial statements	\$ 16,686,544	\$ 14,606,874
Less:		
Participant contributions receivable	-	(27,832)
Employer contributions receivable	<u>-</u>	<u>(12,441)</u>
Net assets available for plan benefits per Form 5500	<u>\$ 16,686,544</u>	<u>\$ 14,566,601</u>

The following is a reconciliation of net increase per the financial statements for the year ended December 31, 2024 to the Form 5500:

Net increase in net assets per the financial statements	\$ 2,079,670
Plus:	
Prior year employee contributions receivable	27,832
Prior year employer contributions receivable	<u>12,441</u>
Net increase in net assets per Form 5500	<u>\$ 2,119,943</u>

Certain other differences between the Form 5500 and these financial statements are the result of different classifications between line items.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**7. Related Party Transactions and Party-in-Interest Transactions**

Plan investments are held and managed by FMTC, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payment to FMTC for administrative services of \$23,666 for the year ended December 31, 2024. In addition, participant notes receivable qualify as party-in-interest transactions.

Fidelity provides certain administrative services to the Plan pursuant to a Fidelity Investments Retirement Plan Service Agreement (FIRSA) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the FIRSA, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants.

**8. Subsequent Events**

Effective January 1, 2025, the Plan adopted a provision of the SECURE Act 2.0 allowing certain eligible participants to make increased catch-up elective deferrals, referred to as "super catch-up" contributions. Under this provision, the maximum catch-up deferral amount for participants between the ages of 60 and 63 increased from \$7,500 to \$11,250.

Effective August 1, 2025, the Plan was amended to allow for in-plan after-tax rollover contributions and in-plan after-tax conversions for employee deferral and safe harbor match. The Plan was also amended to allow terminated Plan participants with outstanding loan balances at the time of termination to continue to pay the loan in accordance with the provisions of the loan note.

Management has evaluated subsequent events through October 10, 2025, which is the date these financial statements were available to be issued.
