INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
ARA Vacation Plan

Opinion

We have audited the financial statements of ARA VACATION PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits of as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of ARA Vacation Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ARA Vacation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ARA Vacation Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether these financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness ARA Vacation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ARA Vacation Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ARA VACATION PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

A. Description of Plan

The following description of the ARA Vacation Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General – The Plan was established under the terms of the Collective Bargaining Agreements (CBA) between the American Radio Association, AFL-CIO (Union), and contributing steamship companies on the East, Gulf and West Coasts, to provide vacation benefits to the participants. Under the CBA, the Plan’s Board of Trustees (Trustees) was established with equal representation from the Union and the contributing steamship companies. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Summary of Significant Accounting Policies

Basis of accounting – These financial statements have been prepared utilizing the accrual method of accounting. Under this method of accounting, additions and deductions to net assets available for benefits are identified with specific periods of time and are recorded as earned and incurred, respectively, without regard to the date of receipt or payment.

The Plan maintains its financial records using the modified cash method of accounting, under which additions and deductions to net assets available for benefits are recognized when measurable and available to finance expenditures of the current period. Expenditures are generally recorded when the liability is paid. Adjustments are prepared at each year-end to adjust the financial records to the accrual method of accounting.

Contributions – Employers’ contributions receivable represents amounts due under terms of the collective bargaining agreement. The amounts shown are based upon actual contributions received subsequent to December 31, for hours worked prior to December 31; therefore, no allowance for uncollectible receivables is required. The due date for employer contributions as set forth in the CBA or the contributing steamship companies’ Memorandums of Understanding (MOU’s) is no later than the last day of the month following the calendar quarter in which the covered employee performed the services.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent events have been evaluated by management through September 22, 2025, which is the date the financial statements were available to be issued.

ARA VACATION PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

C. Tax Status

The trust established under the Plan to hold the Plan's assets is intended to qualify as a tax exempt entity pursuant to the Internal Revenue Code Section 501(c)(9). The trust has obtained a favorable letter from the Internal Revenue Service and the Plan administrator believes the trust continues to qualify and operate as designed. The Plan is also exempt from state income taxes.

Tax years 2022 – 2024 remain subject to examination for federal income tax purposes and tax years 2021 – 2024 remain subject to examination for state income tax purposes. The Plan uses a loss contingency approach for evaluating uncertain tax positions. The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative rulings.

D. Plan Termination

Although there has not been any expressed intent to do so, in the event of termination of the Plan, the Trustees shall perform and carry out the provisions of the Plan on the basis that monies in the Plan shall be sufficient to pay all participants then qualified to receive the benefits of the Plan, who shall continue to remain qualified until all benefits are paid, after the payment of all administrative expenses. No part of the assets shall be returned to any employer or inure to the benefit of any employer or union.

E. Withdrawal Liability

Effective June 1, 2022, the Plan terminated its participation in the ARA Pension Plan. The Pension Plan is presently underfunded and as a result, the Plan is subject to withdrawal liability for its share of any underfunded present value of vested benefits. Subsequent to year end, the fund paid the full withdrawal liability of \$15,549 during the month of February 2025.

F. Earned Vacation

Vacation benefits earned prior to December 31, 2024 and 2023 but unpaid as of year-end were as follows:
