**INDEPENDENT AUDITOR'S REPORT**

EDUARDO.GUERNICA@GUERNICACPA.COM

To the Administrative Committee of  
JC&A Electrical Contractors Inc. 401(K) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of JC & A Electrical Contractors Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of JC & A Electrical Contractors Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JC & A Electrical Contractors Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JC & A Electrical Contractors Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JC & A Electrical Contractors Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JC & A Electrical Contractors Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**JC&A Electrical Contractors, Inc. 401(k) PLAN**  
**December 31, 2024 and 2023**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE A - DESCRIPTIONS OF PLAN**

The following description of the JC&A Electrical Contractors, Inc. (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General.* The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company’s president oversees the governance of the Plan. Third-party administrators and investment firms provide plan administration, and reports to the Company president. The Plan’s investments are all participant directed.

*Contributions.* Each year, participants may contribute up to 12% of pretax annual compensation, as defined in the Plan. Participants are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various collective investment trusts and mutual fund investments. The Company contributes Safe Harbor matching contributions of 100% of employee contributions that are not in excess of 3% of compensation that a participant contributes to the Plan plus 50% of the contributions that exceed 3%, but that do not exceed 5% of the participant’s compensation. Additional profit-sharing amounts may be contributed at the discretion of the Company’s board of directors and are invested in the portfolio of investments as directed by the participants. Contributions are subject to certain limitations.

*Participant Accounts.* Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Vesting.* Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the Company’s Safe Harbor matching contributions and any rollover contributions from other plans. Vesting in the Company’s additional profit-sharing contributions of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service based on a 2-6 year graded vesting schedule.

**JC&A Electrical Contractors, Inc. 401(k) PLAN**  
**December 31, 2024 and 2023**  
**NOTES TO FINANCIAL STATEMENTS**

*Payment of Benefits.* termination of service due to causes excluding death, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to death, a participant's beneficiaries will receive the value of the vested interest in his or her account by the end of the fifth year after death. On October 28, 2021 the plan was amended to allow in service distributions for all accounts on attainment of age 59 1/2.

*Forfeitures.* Forfeitures of nonvested Company contributions are used to reduce future Company contributions or to pay Plan expenses. In December 31, 2024 and 2023, there were forfeitures in the amount of \$3,221 and \$1,591, respectively, available to reduce future Company contributions or to pay Plan expenses.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting*

The financial statements of the plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**JC&A Electrical Contractors, Inc. 401(k) PLAN  
December 31, 2024 and 2023  
NOTES TO FINANCIAL STATEMENTS**

**Payment of Benefits**

Benefits are recorded when paid.

*Expenses*

Certain expenses of maintaining the Plan are paid by the Company, and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

*Date of Management's Review of Subsequent Events*

Subsequent events were evaluated through October 1, 2025, which is the date the original financial statements were available to be issued.

**NOTE C - FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

**JC&A Electrical Contractors, Inc. 401(k) PLAN**  
**December 31, 2024 and 2023**  
**NOTES TO FINANCIAL STATEMENTS**

*Level 1 fair value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are actively traded.

*Level 2 Fair Value Measurements*

The fair value of Investments in collective investment trusts is stated at the corresponding unit value of the collective investment trusts. The estimated fair value of collective investment trusts is based on the fair value of the underlying assets owned by the collective investment trust and are generally based on observable inputs and are classified within Level 2. Assets within the collective investment trust includes investments in mutual funds and other securities. The collective investment trusts are deemed by Management to have readily determinable fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

		<u>Fair Value Measurements at the</u> <u>End of the Reporting Period</u> <u>Using:</u>	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
<b><u>December 31, 2024</u></b>			
	<u>Fair Value</u>

**JC&A Electrical Contractors, Inc. 401(k) PLAN  
December 31, 2024 and 2023  
NOTES TO FINANCIAL STATEMENTS**

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments

The Plan's policy recognizes transfers between Levels 1 and 2. For the years ended December 31, 2024 and 2023 there were no significant transfers between Levels 1 and 2.

**NOTE D – EMPLOYER RECEIVABLE – OTHER**

At December 31, 2024 and 2023, the Company owed the Plan \$27 and \$18, respectively, related to certain lost earnings associated with a section 125 Plan safe harbor match contribution.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE F - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500.**

There were no differences between Schedule H of Form 5500 and the financial statements.

**NOTE G- TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated January 1, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal revenue Code (IRC) Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administration to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**December 31, 2024 and 2023**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE H - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE I – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)**

All information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments for the year ended December 31, 2024, was obtained by Management and agreed to or derived from information certified as complete and accurate by Ameritas (the trustee of the Plan).
