## Independent Auditor's Report

To the Board of Trustees and Participants of  
Renal Services of America 401(k) Savings Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Renal Services of America 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Renal Services of America 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Renal Services of America 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Renal Services of America 401(k) Savings Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Renal Services of America 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Renal Services of America 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Renal Services of America 401(k) Savings Plan

## Notes to Financial Statements

### December 31, 2024 and 2023

---

#### 1. DESCRIPTION OF THE PLAN

##### **Organization**

Renal Services of America 401(k) Savings Plan (the "Plan") is sponsored by Renal Services of America, LLC, an affiliate of Fresenius Medical Care North America ("FMCNA") for the benefit of employees of Renal Services of America, LLC (the "Company"). The Plan administrator is the FMCNA Administrative Committee. ASC Trust, LLC is the trustee of the Plan. The trustee holds the Plan's investment assets, executes investment transactions, and provides recordkeeping services for the Plan.

The Plan was established and commenced operations on April 1, 2020, pursuant to an acquisition by the Company.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan covering all employees meeting the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). A summary description of the Plan is available from the Plan administrator.

##### **Eligibility**

The Plan covers all employees, excluding union employees, nonresident aliens, leased employees, independent contractors, per diem employees, and employees participating in another qualified retirement plan that is part of Fresenius Medical Care North America's controlled group of companies, that have completed 90 days of service or 12 months of service with 900 hours of service if a temporary employee. Employees who have completed at least 90 days of service are eligible to participate in the Plan on the first of the month following 90 days of service. Participants are not eligible to receive Company matching contributions until the completion of 90 days.

##### **Contributions**

Each year, participants may contribute a percentage of not greater than 75% of compensation to the Plan, subject to certain Internal Revenue Code limitations (\$23,000 in 2024). Participants who have attained age 50 are eligible to make catch-up contributions (\$7,500 in 2024), as defined. The Company makes discretionary matching contributions equal to 50% of the first 6% of participant contributions (exclusive of catch-up contributions), subject to certain annual limitations. The Company may also make discretionary profitsharing contributions, determined on an annual basis. Plan participants not employed with the Company at Plan year end (December 31) are not eligible for matching or profit-sharing contributions.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of Plan earnings. The participant's account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Vesting**

Participants' contributions and Company discretionary profit sharing contributions are immediately vested. Vesting in the Company's discretionary matching contributions is based on years of continuous service in accordance with the following schedule:

<u>Years of Service (as defined)</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant becomes 100% vested regardless of years of service upon attainment of normal retirement age, upon retirement due to disability, or upon death.

**Forfeiture of Accounts**

Forfeitures are available to pay administrative expenses for the Plan or to reduce Company contributions. At December 31, 2024 and 2023, there were \$4,903 and \$4,790 in forfeited account balances, respectively. \$7,000 of forfeited account balances were used to pay administrative expenses for the year ended December 31, 2024.

**Distributions and Withdrawals**

Distributions from the Plan are made to participants who have attained their normal retirement age (age 65), become disabled, die, or otherwise terminate employment. Distributions are generally made in the form of lump sum payments; however, distributions can be paid in installments if elected by the participant. In certain instances, prior to termination, participants may withdraw account balances to defray financial obligations, subject to approval by the Plan administrator.

**Notes Receivable from Participants**

Participants may borrow funds from the Plan up to 50% (but not more than \$50,000) of their vested account balances, with a minimum loan amount of \$500. Loans to participants are secured by participants' vested balances in the Plan. The loans bear a reasonable rate of interest (4.25% - 9.00% at December 31, 2024) and are repaid over a specified period of time not to exceed 5 years (unless the loan is for the purpose of acquiring a principal residence).

If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Investment Options**

Participants direct the investment of their contribution into their choice of approximately sixteen investment options offered by the Plan. Sponsor contributions are invested as directed by the participants.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual method of accounting under accounting principles generally accepted in the United States of America ("GAAP").

**Renal Services of America 401(k) Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Investment Valuation and Income Recognition**

Investments are stated at fair value. Any unrealized appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits. The Plan's investments are invested as directed by the Plan participants. Fair value measurements of investments are discussed in Note 3.

Purchases and sales of securities are reported on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The Plan offers a mix of mutual fund investments including target date funds designed for Plan participants expecting to retire in or near the year included in the fund name.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**3. FAIR VALUE OF MEASUREMENTS OF INVESTMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

*Level 1* - Observable inputs based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Renal Services of America 401(k) Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

*Level 2* - Inputs for assets or liabilities, other than quoted prices included in Level 1, which are either directly or indirectly observable as of the measurement date. Inputs include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Unobservable inputs where there is little or no market activity for the assets or liabilities. These inputs reflect Plan management's assumptions of the data market participants would use in pricing an asset or liability, based on the best information available in the circumstances.

Following is a description of the valuation methodologies used for Plan assets measured at fair value as of December 31, 2024 and 2023:

Mutual funds – Shares of mutual funds are valued at daily closing market prices, which represent the net asset value (NAV) of the shares held by the Plan at year end. Mutual funds are registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund – Shares of money market funds are valued at \$1 per unit, which represents the net asset value (NAV) of the shares held by the Plan at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>2024</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 6,060,510	\$ -	\$ -	\$ 6,060,510
Money market fund	<u>233,233</u>	<u>-</u>	<u>-</u>	<u>233,233</u>
Total Investments at fair value	<u>\$ 6,293,743</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,293,743</u>

  

	<b>2023</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 5,228,623	\$ -	\$ -	\$ 5,228,623
Money market fund	<u>196,412</u>	<u>-</u>	<u>-</u>	<u>196,412</u>
Total Investments at fair value	<u>\$ 5,425,035</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,425,035</u>

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## Notes to Financial Statements

### December 31, 2024 and 2023

---

#### 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by ASC Trust, LLC (the "trustee"), except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2024 and 2023. Accordingly, the trustee of the Plan assets has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2024.
- Net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

#### 5. INCOME TAX STATUS OF THE PLAN

The Plan has adopted a prototype plan offered by ASC Trust Corporation. By the recent opinion letter dated June 30, 2020, the Internal Revenue Service has determined that the Prototype Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, Plan management and the Plan's tax counsel believe the Plan is designed and is being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the tax authorities for all open years; there are no audits for any tax periods in progress. Furthermore, there is no related interest or penalties included in the financial statements presented.

#### 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2024, the Plan paid \$2,940 to ASC Trust, LLC, for trustee and recordkeeping services. Notes receivable from participants represent exempt party-in-interest transactions.

Audit fees for the required audit of the Plan's financial statements are paid directly by the Sponsor.

Certain administrative functions are performed by officers and employees of the Sponsor or its subsidiaries. No such officer or employee receives compensation from the Plan.

#### 7. RISKS AND UNCERTAINTIES

The Plan provides for various mutual fund investment options and the option for participants to invest in securities through a brokerage account. Such investments are exposed to various risks such as interest rate, market, and credit risk. Due to such risks, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. As of December 31, 2024 and 2023, four investments each year represented a concentration of greater than 10% of the Plan's net assets available for benefits.

**8. TERMINATION**

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce Company contributions or pay Plan administrative expenses, shall be allocated on a pro rata basis to the participants' accounts.

**9. DELINQUENT PARTICIPANT CONTRIBUTIONS**

For the year ended December 31, 2024, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$19,174, in 2024. Additionally, the Company will be compensating participants for lost earnings resulting from the delay in contributions.

**10. SUBSEQUENT EVENTS**

The Plan sponsor has evaluated subsequent events occurring after the statement of net assets available for benefits date through October 7, 2025, the date the financial statements were available to be issued. Based on this evaluation, the Plan sponsor has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.
