INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Cement Masons Local Union No. 521 Pension Fund
Memphis, Tennessee

Opinion

We have audited the financial statements of the **Cement Masons Local Union No. 521 Pension Fund**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits in liquidation for the years then ended and the statement of accumulated plan benefits in liquidation as of December 31, 2021, and the related statement of changes in accumulated plan benefits in liquidation for the five years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits in liquidation of **Cement Masons Local Union No. 521 Pension Fund** as of December 31, 2024 and 2023, and the changes in its net assets available for benefits in liquidation for the years then ended, and the accumulated plan benefits in liquidation as of December 31, 2021, and the changes in accumulated plan benefits in liquidation for the five years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of **Cement Masons Local Union No. 521 Pension Fund** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Cement Masons Local Union No. 521 Pension Fund's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Cement Masons Local Union No. 521 Pension Fund's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Cement Masons Local Union No. 521 Pension Fund's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules for the years ended December 31, 2024 and 2023, together referred to as "supplemental information", are presented for the purpose of additional analyses and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

CEMENT MASONS LOCAL UNION NO. 521 PENSION FUND

DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the **Cement Masons Local Union No. 521 Pension Fund** provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

1. **General** - The Fund was established June 1, 1971 as a result of a collective bargaining agreement between the Union and various employers to provide retirement benefits for eligible participants. The Fund is a defined benefit pension plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Fund is financed by assistance from the PBGC, employer contributions and earnings from investments. The Board of Trustees is responsible for all aspects of the administration and operation of the Plan.
2. **Contributions/Funding policy** - Contributions ceased with the expiration of the last collective bargaining agreement in force before the Fund terminated effective July 1, 2005 (See Note 3).
3. **Benefits** - The Fund provides retirement, permanent disability and death benefits to participants. Please refer to the Plan Document for a complete description of benefits payable under the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.
- B. **Plan benefits** - Benefit payments to participants are recorded upon distribution. The most recent actuarial data available for the Fund is shown in Note 7.
- C. **Administrative expenses** - The Plan's expenses are paid by the Plan.
- D. **Investment valuation and income recognition** - The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians. See Note 9 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Investment valuation and income recognition (continued) -

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses include the Plan's gains and losses on investments sold during the year. Unrealized gains and losses include the Plan's gains and losses on investments held during the year and as of the year end.

E. Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

F. Actuarial present value of accumulated plan benefits - Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. Benefits under the Plan are based on contributions received from participants' employers for their years of credited service. Benefits payable under all circumstances -- retirement, death, disability, and termination -- are included, to the extent they are deemed attributable to participant service rendered to the valuation date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Actuarial present value of accumulated plan benefits (continued) -

The actuarial present value of accumulated plan benefits is determined by an independent actuary from United Actuarial Services, Inc., and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of December 31, 2021 and December 31, 2016, were (a) plan mortality rates (1994 Group Annuity Mortality Table - see schedule below), (b) future retirement rates (see schedule below), (c) investment return, and (d) future expected contributions.

The December 31, 2021 and December 31, 2016, valuations included assumed average rates of return of 6.5%. Future expected contributions for both valuations are none. The foregoing actuarial assumptions are based on the presumption that the Plan will terminate. If the Plan were to continue, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. Please refer to the actuarial report for a complete description of all actuarial assumptions.

Retirement Age Assumptions (Both Valuations)

Inactive, Vested Lives: Earliest eligible age or current age if older.

G. **Subsequent events** - The Plan has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.

NOTE 3 - FROZEN PLAN, PLAN TERMINATION, AND PLAN AMENDMENTS

Effective April 30, 2000, the Trustees amended the Plan to cease accumulation of future service benefits for service reported after April 30, 2000, due to the small number of active participants in the Fund at that time.

Effective July 1, 2005, the Trustees elected to terminate the Fund under the mass withdrawal provisions of the Pension Benefit Guaranty Corporation (PBGC) because there was no longer a collective bargaining agreement (CBA) in force requiring contributions to the Fund. Contributing factors included the fact that Local No. 521 was absorbed by Local No. 908; therefore, there would not be any future CBA requiring contributions to the Fund.

NOTE 4 - ERISA MINIMUM FUNDING REQUIREMENTS

The Plan has met the ERISA minimum funding requirements.

NOTE 5 - PRIORITIES UPON TERMINATION

The Plan terminated effective July 1, 2005 and the net assets will be allocated, as prescribed by ERISA and its related regulations, and any applicable regulations of the Pension Benefit Guaranty Corporation (PBGC). Please refer to the Agreement and Declaration of Trust for details concerning the Fund's termination provisions.

Whether all participants receive their benefits will depend on the sufficiency of the Plan's net assets to provide for accumulated benefit obligations, on the financial condition of any employers with withdrawal liabilities and on the level of benefits guaranteed by the PBGC.

NOTE 6 - INCOME TAX STATUS

The Internal Revenue Service has advised that the Plan and Trust qualify under the applicable sections of the Internal Revenue Code. The Plan obtained its latest determination letter on February 17, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - ACTUARIAL VALUATION/GOING CONCERN/APPLICATION TO THE PBGC FOR FINANCIAL ASSISTANCE

Due to assistance from the PBGC, the Fund will remain **solvent** during 2024. The Fund applied to the PBGC for financial assistance and is receiving such assistance.

The most recent actuarial study of the Plan was furnished by United Actuarial Services, Inc. as of December 31, 2021. At that date, the study disclosed the following:

Value of nonforfeitable benefits	\$2,231,497
Fund assets at market value	<u>(47,589)</u>
Value of nonforfeitable benefits in excess of fund assets	<u>\$2,183,908</u>

Please refer to the actuarial report for the complete valuation.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of accumulated plan benefits is reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTE 9 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid all expenses related to operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Of note, Southern Benefit Administrators, Inc., is the Plan's third-party administrator and benefits payer; and Regions Bank is the custodian of the Plan's general and benefit checking accounts.
