INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
Pizza Properties, Inc. 401(k) Plan and Trust
El Paso, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pizza Properties, Inc. 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Item 4 – Schedule of Assets Held for Investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Pizza Properties, Inc. 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of the employees of Pizza Properties, Inc. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: All employees of the Company, except those in a collective bargaining agreement, who have reached 21 years of age and have 12 months of service, calculated based on the elapsed time method which may include periods of severance that are less than 12 months, are eligible for the Plan.

Contributions: Each year, participating employees may voluntarily contribute a specified amount or percentage of their pretax annual compensation, as defined in the Plan, up to the maximum amount allowable under the Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations. Participants direct the investment of contributions to selected investments as made available and determined by the Plan. Participants may change their investment options any time throughout the year via direct phone or online access.

Employer Contributions: As of January 1, 2024, all participants are eligible to receive a Safe Harbor Matching Contribution equal to 100% of the amount contributed to the Plan for each payroll period up to 4% of Plan Compensation. Participants may be eligible for Discretionary Employer Contributions, a discretionary percentage of Plan compensation, if still employed on the last day of the year and have attained at least 1,000 service hours. All participants are eligible for a Discretionary Employer Match, an additional discretionary match based on percentage of deferrals, limited to 4% of Plan compensation. The Company may elect each plan year whether to make discretionary employer or discretionary matching contributions on behalf of participants, as defined in the Plan document.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting: Participants are immediately vested in their salary deferral contributions plus actual earnings thereon and are always 100 percent vested in the value of their rollovers from another qualified plan and Safe Harbor Matching contributions. The portion of the participants' accounts attributable to the Companies' discretionary matching and discretionary contributions becomes 25% vested after one year and continues to vest at the rate of 25% for each successive year of service until 100% vested after four years of service. Participants are immediately vested in all contributions upon reaching Normal Retirement Age (65), death, or termination of employment due to disability.

401(K) PLAN AND TRUST**

NOTES TO THE FINANCIAL STATEMENTS

Note 1. Plan Description (continued)

Notes receivable from participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum total amount of all loans outstanding equal to the lesser of (a) one-half of the vested account balance or (b) \$50,000, reduced by excess of highest outstanding balance of loans during the 12 months ending the day before the new loan, over the outstanding balance of the loans on the day of the new loan. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly transfers from the participant's personal account.

Payment of Benefits: Upon termination of service participants with a balance of less than \$5,000 may elect to receive the vested portion of their account balance in either a lump-sum payment or an annuity equal to the value of his or her account. Participants with a vested balance greater than \$5,000 may continue investment of his or her account under the terms of the Plan. In addition, participants who are 100% vested in the distributing account may also receive in-service distributions upon obtaining age 59 ½ or meeting the requirements of a qualifying hardship.

Forfeitures: At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,982 and \$962, respectively. These accounts will be used first to cover costs of administration and second to reduce employer-matching contributions of the Plan. Any excess forfeiture will be allocated to remaining participants' accounts.

Note 2. Summary of Significant Accounting Policies

The significant accounting policies of the Plan are summarized as follows:

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition: The Plan's investments are stated at fair value except as noted above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable: Contributions from Plan participants and the related matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTES TO THE FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (continued)

Operating Expenses: All expenses of maintaining the Plan are paid by the Plan.

Subsequent Events: The Plan evaluated subsequent events through September 22, 2025, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

FASB ASC 820 *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-35 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV) of shares, which is based on quoted prices for identical assets in active markets, held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual fund accounts	\$ 33,564,878	\$ -	\$ -	\$ 33,564,878
Total assets at fair value	\$ 33,564,878	\$ -	\$ -	\$ 33,564,878

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual fund accounts	\$ 28,257,618	\$ -	\$ -	\$ 28,257,618
Total assets at fair value	\$ 28,257,618	\$ -	\$ -	\$ 28,257,618

Note 4. Information Certified

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the value of investments and notes receivables which were \$35,825,913 and \$1,317,259 as of December 31, 2024 and \$30,650,781 and \$1,196,231 as of December 31, 2023 certified by Lincoln National Life Insurance, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

Lincoln National Life Insurance also certified the completeness and accuracy of \$1,265,282 of interest and dividends and \$3,301,090 of net appreciation in fair value of mutual fund investments for the year ended December 31, 2024, including gains and losses on investments bought and sold, as well as held during the year.

Note 5. Guaranteed Account

In 2014, the Plan entered into a stable value contract with Lincoln National Life Insurance Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all of or a portion of their investment at contract value.

**PIZZA PROPERTIES, INC.
401(K) PLAN AND TRUST**

NOTES TO THE FINANCIAL STATEMENTS

Note 5. Guaranteed Account (continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Contract value for the stable value account was \$2,261,035 and \$2,393,163 for December 31, 2024 and 2023, respectively.

Note 6. Related-Party Transactions

Certain Plan investments are invested in pooled separate accounts and mutual funds of Lincoln National Life Insurance. Lincoln National Life Insurance is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and administrative services amounted to \$116,050 for the year ended December 31, 2024 and are included in the accompanying statement of changes in net assets available for benefits.

Note 7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2024	2023
Net assets available per the financial statements	\$ 37,146,732	\$ 32,454,292
Less: Employee contributions receivable per the financial statements	-	(50,160)
Less: Employer contributions receivable per the financial statements	(3,560)	(578,876)
Plus: Corrective distributions payable per the financial statements	-	21,756
	<hr/>	<hr/>
Net assets available for benefits per the form 5500	\$ 37,143,172	\$ 31,847,012

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Increase in net assets available for benefits per financial statements	\$ 4,692,440
Add: Employer and participant contributions receivable at beginning of year	629,036
Less: Prior year corrective distributions	(21,756)
Less: Employer and participant contributions receivable at end of year	<u>(3,560)</u>
Increase in net assets available for benefits per Form 5500	<u>\$ 5,296,160</u>

NOTES TO THE FINANCIAL STATEMENTS

Note 8. Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

Note 9. Income Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 10. Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are offset by forfeitures and paid directly by the Plan.

Note 11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
