## Report of Independent Auditors

The Plan Administrator  
BJC 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of BJC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Shape the future  
with confidence**

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Shape the future  
with confidence**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**In our opinion**

**Shape the future  
with confidence**

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# BJC 401(k) Plan

## Notes to Financial Statements

December 31, 2024

### **1. Description of the Plan**

The following description of the BJC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution, single employer plan covering all eligible employees of certain participating employers of BJC HealthCare (the System) and its affiliates. Eligible employees are defined in the plan document. Eligible participants are automatically enrolled in the Plan once they have completed 30 days of employment. Eligible employees may make a rollover contribution from a former employer's eligible retirement plan or from an IRA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Contributions**

Each year, participants may contribute from 1% to 100% of eligible compensation, as defined in the Plan. Participants age 50 or older may make additional elective contributions to the Plan. If automatically enrolled, a participant's deferral is set at 4% of eligible compensation until changed by the participant. A participating employer will make matching contributions to the Plan for an eligible employee who is a non-highly compensated employee and made an elective contribution to the Plan. A participating employer will make matching contributions to the Plan for an eligible employee who is a highly compensated employee and made an elective deferral under an Internal Revenue Code (the Code) 403(b) plan separately maintained by the System.

Effective January 1, 2024, a participating employer will make matching contributions to the Plan for all eligible employee contributions, including Roth contributions. Participants must also be employed as of December 31 to receive the matching contributions.

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### 1. Description of the Plan (continued)

The matching contributions are as follows:

<u>Elective Contribution</u>	<u>Matching Contribution</u>
1% of eligible compensation	1.00%
2%	1.25
3%	1.50
4% or more	1.75

A participant may direct employee contributions and any allocated System contributions to any of the Plan's investment options, which consist of mutual funds and a self-directed brokerage option. Participants who are automatically enrolled have their contributions invested in the applicable life cycle fund based on their age until they change their election.

All contributions are subject to applicable limitations.

#### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The System contribution vests 50% after one year of vesting service and 100% with two years of vesting service.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, System contributions, and allocations of the Plan's earnings and administrative expenses and may be charged a loan processing fee for any loans taken. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### **1. Description of the Plan (continued)**

##### **Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum, in general, equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 year to 4 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

##### **Payment of Benefits**

On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

##### **Plan Termination**

Although it has not expressed any intent to do so, the System has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Valuation of Investments and Income Recognition**

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies (continued)**

##### **Forfeitures**

Forfeitures of non-vested participant accounts are used for plan expenses and to reduce future System contributions. Unallocated forfeited balances as of December 31, 2024 and 2023, were \$1,018,449 and \$1,417,502, respectively. Forfeitures used to pay administrative expenses were \$228,130 and \$196,311 for the years ended December 31, 2024 and 2023, respectively. Forfeitures used to reduce System contributions were approximately \$1,436,413 and \$639,000 for the years ended December 31, 2024 and 2023, respectively.

##### **Administrative Expenses**

Administrative expenses of the Plan are paid from assets of the Plan.

#### **3. Investments**

Certain investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024 and 2023, and net realized and unrealized appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company and Fidelity Management Trust Company, the trustees.

#### **4. Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### 4. Fair Value Measurements (continued)

The Plan's financial assets are measured at fair value on a recurring basis. The three levels of the fair value hierarchy and a description of the valuation techniques and inputs used for instruments measured at fair value are as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities as of the reporting date. Level 1 consists of investments in mutual funds.
- Level 2 – Pricing inputs other than quoted prices included in Level 1 that are either directly observable or that can be derived or supported from observable data as of the reporting date. The Plan currently holds no Level 2 investments.
- Level 3 – Pricing inputs include those that are significant to the fair value of the financial asset or financial liability and are not observable from objective sources. The Plan currently holds no Level 3 investments.

The fair value of financial assets measured at fair value on a recurring basis was determined using the following inputs:

	<u>Fair Value Measurements at Reporting Date Using</u>		
	<u>Quoted Prices</u>	<u>Significant</u>	<u>Significant</u>
	<u>in Active</u>	<u>Other</u>	<u>Unobservable</u>
	<u>Markets for</u>	<u>Observable</u>	<u>Inputs</u>

<b>December 31, 2024</b>

Total assets at fair value	<u>\$ 2,014,337,967</u>	<u>\$ 2,014,337,967</u>	<u>\$ –</u>

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### **4. Fair Value Measurements (continued)**

The Plan's investments in mutual funds and the self-directed brokerage accounts are classified within Level 1 of the fair value hierarchy, because the fair values are based on unadjusted quoted market prices in active markets with sufficient volume and frequency.

#### **5. Income Tax Status**

The Plan has received a determination letter from the IRS dated September 13, 2022, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated.

Effective July 26, 2024, the Plan adopted a pre-approved defined contribution plan. The underlying pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the written form of the underlying pre-approved document is qualified under Section 401 of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **6. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## BJC 401(k) Plan

### Notes to Financial Statements (continued)

#### 7. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets per the statements of net assets available for benefits to net assets per the Form 5500:

	<b>December 31</b>	
	<b>2024</b>	<b>2023</b>
Net assets per the statements of net assets available for benefits	<b>\$ 2,267,956,992</b>	\$ 2,034,486,825
Less deemed distribution of participant loans	<b>(656,789)</b>	(490,685)
Net assets per the Form 5500	<b><u>\$ 2,267,300,203</u></b>	<b><u>\$ 2,033,996,140</u></b>

The following is a reconciliation of the net increase in net assets available for benefits per the statements of changes in net assets available for benefits to net income per the Form 5500:

	<b>December 31</b>	
	<b>2024</b>	<b>2023</b>
Net increase in net assets available for benefits prior to transfers per the statement of changes in net assets available for benefits	<b>\$ 233,470,167</b>	\$ 362,631,226
Net change in deemed distributions	<b>(166,104)</b>	(153,323)
Net income (loss) per the Form 5500	<b><u>\$ 233,304,063</u></b>	<b><u>\$ 362,477,903</u></b>

#### 8. Related-Party Transactions and Parties-in-Interest Transactions

The Plan invests in shares of mutual funds managed by affiliates of Fidelity Management Trust Company and Vanguard Fiduciary Trust Company. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

#### 9. Subsequent Events

Management evaluated subsequent events for the Plan through October 10, 2025, the date the financial statements were available to be issued. On January 1, 2024, Saint Luke's Health System (SLHS) became a member of the System. On December 31, 2025, the Saint Luke's Retirement Balance and Matching Plan will be merged into the Plan. The Plan will be the surviving plan.
