**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the  
Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan

**SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT**

We performed audits of the accompanying financial statements of Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**OPINION**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BASIS FOR OPINION**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## **SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA**

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1**    **DESCRIPTION OF PLAN**

The following brief description of Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

***General***

The Plan, dated January 1, 2016, was amended and restated from Wirtz Beverage MN Beer Local 792 401(k) Profit Sharing Plan to Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan. The Plan is a defined contribution plan covering the members of certain collective bargaining units of Breakthru Beverage Group, LLC (Company or Plan Sponsor) who meet the eligibility requirements stated below. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Eligibility and Participation***

Eligible employees include all employees who are at least 20½ years old and have one month of service and exclude employees under a collective bargaining agreement that does not provide for coverage under the Plan, a leased or contracted associate, or a non-resident alien.

***Contributions***

Each year, participants may contribute up to 100% of their pre-tax annual compensation, as defined in the Plan. Participants who turn 50 years old before the end of the Plan year are eligible to make catch-up contributions. Participants receive employer non-elective contributions to the extent indicated in the applicable collective bargaining agreement. The employer, at its discretion, may make matching employer contributions.

***Participant Accounts***

An individual account is established for each participant and provides benefits that are based on (a) amounts the participant and Plan Sponsor contributed to a participant's account and (b) investment earnings (losses). Investment income is allocated to each participant's account based on a pro rata share of the participant's investment allocation.

***Vesting***

Participants are immediately vested in their contributions and in employer non-elective contributions.

***Investment Options***

Plan assets are invested in various mutual funds, common collective trusts, and a money market fund as designated by participants.

*(See Independent Auditors' Report)*

***Notes Receivable From Participants***

Loans to participants are made at the sole discretion of the Plan Sponsor. As provided by the Plan Agreement, loans are available to all participants at a reasonable interest rate, with periodic repayment through payroll deductions over a reasonable period of time. Loans must be at least \$1,000 and are limited to the lesser of \$50,000 or 50% of the participant's vested account balance.

***Payment of Benefits***

Generally, benefits are payable upon termination, death, turning 59½ years old, or earlier in the case of financial hardship, as defined by the Plan. Benefits are paid in a lump sum. Benefits from the Plan for terminated participants whose vested account balance is \$1,000 or less and who do not make payment elections shall be payable in a lump sum. Benefits from the Plan for terminated participants whose vested account balance is greater than \$1,000 but not more than \$5,000 and who do not make payment elections shall be rolled over to an individual retirement account designated by the Plan Administrator.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Accounting Standards Codification***

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

***Risk and Uncertainties***

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk

*(See Independent Auditors' Report)*

associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

***Payment of Benefits***

Benefits are recorded when paid.

***Plan Expenses***

Certain Plan expenses are paid by the Company.

***Valuation of Investments***

Investments are stated at fair value. See Note 4 for a discussion of fair value measurements.

***Notes Receivable From Participants***

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Agreement.

***Plan Termination***

Although it has not expressed any intent to do so, the Plan Sponsor can terminate the Plan at any time. Upon termination of the Plan, the net assets available for benefits would be distributed to participants based upon their individual share of total net assets available for benefits.

***Subsequent Events***

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 29, 2025, the date the financial statements were available to be issued.

**NOTE 3**    **INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan's investments were held by the Trustee, Fidelity Management Trust Company, at December 31, 2024 and 2023. Financial information related to Plan investments is included in the accompanying financial statements based on information provided by the Trustee.

*(See Independent Auditors' Report)*

That information, which was not audited by independent auditors, is summarized below:

	<b>2024</b>	<b>2023</b>
Money Market and Mutual Funds	\$ 19,053,706	\$ 17,970,232
Collective Trusts	4,129,703	1,492,413
Pooled Separate Account	568,995	674,334
	\$ 23,752,404	\$ 20,136,979

During the year ended December 31, 2024, certified investment income consisted of the following:

Interest and Dividends	\$ 790,506
Net Appreciation in Fair Value of Investments	2,164,299
	\$ 2,954,805

**NOTE 4 VALUATION OF INVESTMENTS**

The Fair Value Measurements and Disclosures Topic of the Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2     Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*(See Independent Auditors' Report)*

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2024 and 2023.

Money Market and Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Collective Trusts and Pooled Separate Account: Valued using NAV per unit. NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>2024</b>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Money Market and Mutual Funds	\$ 19,053,706	\$ -	\$ 19,053,706
Collective Trusts	-	4,129,703	4,129,703
Pooled Separate Account	-	568,995	568,995
	<u>\$ 19,053,706</u>	<u>\$ 4,698,698</u>	<u>\$ 23,752,404</u>

*(See Independent Auditors' Report)*

	2023		
	Level 1	Level 2	Total
Money Market and Mutual Funds	\$ 17,970,232	\$ -	\$ 17,970,232
Collective Trusts	-	1,492,413	1,492,413
Pooled Separate Account	-	674,334	674,334
Total	\$ 17,970,232	\$ 2,166,747	\$ 20,136,979

**NOTE 5 TAX STATUS**

The Plan was adopted based on a Fidelity Basic Plan Document, which obtained its latest determination letter on June 30, 2020, wherein the Internal Revenue Service stated the Basic Plan Document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of December 31, 2024.

**NOTE 6 RELATED-PARTY TRANSACTIONS**

Certain Plan investments are managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management, administrative, and recordkeeping fees to parties in interest. The Plan paid approximately \$27,000 to parties in interest for the year ended December 31, 2024. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.

*(See Independent Auditors' Report)*

**NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits to Form 5500 as of December 31, 2024 and 2023:

**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the  
Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan

**SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT**

We performed audits of the accompanying financial statements of Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**OPINION**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BASIS FOR OPINION**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## **SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA**

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1**    **DESCRIPTION OF PLAN**

The following brief description of Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

***General***

The Plan, dated January 1, 2016, was amended and restated from Wirtz Beverage MN Beer Local 792 401(k) Profit Sharing Plan to Breakthru Beverage Minnesota Beer, LLC Local 792 401(k) Profit Sharing Plan. The Plan is a defined contribution plan covering the members of certain collective bargaining units of Breakthru Beverage Group, LLC (Company or Plan Sponsor) who meet the eligibility requirements stated below. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Eligibility and Participation***

Eligible employees include all employees who are at least 20½ years old and have one month of service and exclude employees under a collective bargaining agreement that does not provide for coverage under the Plan, a leased or contracted associate, or a non-resident alien.

***Contributions***

Each year, participants may contribute up to 100% of their pre-tax annual compensation, as defined in the Plan. Participants who turn 50 years old before the end of the Plan year are eligible to make catch-up contributions. Participants receive employer non-elective contributions to the extent indicated in the applicable collective bargaining agreement. The employer, at its discretion, may make matching employer contributions.

***Participant Accounts***

An individual account is established for each participant and provides benefits that are based on (a) amounts the participant and Plan Sponsor contributed to a participant's account and (b) investment earnings (losses). Investment income is allocated to each participant's account based on a pro rata share of the participant's investment allocation.

***Vesting***

Participants are immediately vested in their contributions and in employer non-elective contributions.

***Investment Options***

Plan assets are invested in various mutual funds, common collective trusts, and a money market fund as designated by participants.

*(See Independent Auditors' Report)*

***Notes Receivable From Participants***

Loans to participants are made at the sole discretion of the Plan Sponsor. As provided by the Plan Agreement, loans are available to all participants at a reasonable interest rate, with periodic repayment through payroll deductions over a reasonable period of time. Loans must be at least \$1,000 and are limited to the lesser of \$50,000 or 50% of the participant's vested account balance.

***Payment of Benefits***

Generally, benefits are payable upon termination, death, turning 59½ years old, or earlier in the case of financial hardship, as defined by the Plan. Benefits are paid in a lump sum. Benefits from the Plan for terminated participants whose vested account balance is \$1,000 or less and who do not make payment elections shall be payable in a lump sum. Benefits from the Plan for terminated participants whose vested account balance is greater than \$1,000 but not more than \$5,000 and who do not make payment elections shall be rolled over to an individual retirement account designated by the Plan Administrator.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Accounting Standards Codification***

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

***Risk and Uncertainties***

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk

*(See Independent Auditors' Report)*

associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

***Payment of Benefits***

Benefits are recorded when paid.

***Plan Expenses***

Certain Plan expenses are paid by the Company.

***Valuation of Investments***

Investments are stated at fair value. See Note 4 for a discussion of fair value measurements.

***Notes Receivable From Participants***

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Agreement.

***Plan Termination***

Although it has not expressed any intent to do so, the Plan Sponsor can terminate the Plan at any time. Upon termination of the Plan, the net assets available for benefits would be distributed to participants based upon their individual share of total net assets available for benefits.

***Subsequent Events***

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 29, 2025, the date the financial statements were available to be issued.

**NOTE 3**    **INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan's investments were held by the Trustee, Fidelity Management Trust Company, at December 31, 2024 and 2023. Financial information related to Plan investments is included in the accompanying financial statements based on information provided by the Trustee.

*(See Independent Auditors' Report)*

**NOTES TO FINANCIAL STATEMENTS**

Collective Trusts	4,129,703	1,492,413
Pooled Separate Account	568,995	674,334
	<b>\$ 23,752,404</b>	<b>\$ 20,136,979</b>

During the year ended December 31, 2024, certified investment income consisted of the following:

Interest and Dividends	\$ 790,506
Net Appreciation in Fair Value of Investments	2,164,299
	<b>\$ 2,954,805</b>

**NOTE 4 VALUATION OF INVESTMENTS**

The Fair Value Measurements and Disclosures Topic of the Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2     Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*(See Independent Auditors' Report)*

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2024 and 2023.

Money Market and Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Collective Trusts and Pooled Separate Account: Valued using NAV per unit. NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>2024</b>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Money Market and Mutual Funds	\$ 19,053,706	\$ -	\$ 19,053,706
Collective Trusts	-	4,129,703	4,129,703
Pooled Separate Account	-	568,995	568,995
	<u>\$ 19,053,706</u>	<u>\$ 4,698,698</u>	<u>\$ 23,752,404</u>

*(See Independent Auditors' Report)*

	2023		
	Level 1	Level 2	Total
Money Market and Mutual Funds	\$ 17,970,232	\$ -	\$ 17,970,232
Collective Trusts	-	1,492,413	1,492,413
Pooled Separate Account	-	674,334	674,334
Total	\$ 17,970,232	\$ 2,166,747	\$ 20,136,979

**NOTE 5 TAX STATUS**

The Plan was adopted based on a Fidelity Basic Plan Document, which obtained its latest determination letter on June 30, 2020, wherein the Internal Revenue Service stated the Basic Plan Document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of December 31, 2024.

**NOTE 6 RELATED-PARTY TRANSACTIONS**

Certain Plan investments are managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management, administrative, and recordkeeping fees to parties in interest. The Plan paid approximately \$27,000 to parties in interest for the year ended December 31, 2024. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.

*(See Independent Auditors' Report)*

**NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**
