## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
Amalgamated Meat Cutters and Retail Food Store  
Employees, Union Local 342 Welfare Fund

### Opinion

We have audited the financial statements of the Amalgamated Meat Cutters and Retail Food Store Employees, Union Local 342 Welfare Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses and Schedule of Assets Held at End of Year, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year represents supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

**NOTE 1. DESCRIPTION OF THE PLAN**

The following brief description of the Amalgamated Meat Cutters and Retail Food Store Employees, Union Local 342 Welfare Fund (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

**Benefits** - The Plan provides hospitalization, medical, prescription drug, dental, optical, life insurance, weekly sickness and accident, accidental death and dismemberment, and such other benefits to eligible participants. The Plan also provides certain benefits to eligible spouses and dependents of participants as well as retirees and their dependents.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The financial statements are prepared using the accrual basis of accounting.

**Investments** - Short-term investments are carried at cost which approximates fair value.

**Employer Contributions** - Contributions due but not paid at year end are recorded as a receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded. Employer contributions are accounted for as exchange transactions.

**Claims Incurred But Not Reported** - Claims incurred but not reported at year end were estimated by the Plan's consultant based on claims experience.

**Benefit Obligation Presentation** - As allowed by Plan Accounting - Health and Welfare Benefit Plans, the Plan is presenting the benefit obligations and the changes in benefit obligations in the notes to the financial statements.

**Payment of Benefits** - Benefit payments to or for participants are recorded when paid.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**NOTE 3. FUNDING POLICY**

Pursuant to collective bargaining agreements, the contributing employers are to transfer to the Plan by the 15<sup>th</sup> day of each month an amount determined by the Plan needed to pay all claims incurred that are attributable to the employers' covered employees and dependents and the employer's proportionate share of the Plan's administrative costs.

The Plan is also financed by contributions from participants electing COBRA coverage.

**NOTE 4. PRIORITIES UPON TERMINATION**

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees.

In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

**NOTE 5. TAX STATUS**

The Plan obtained its latest exemption letter on November 1957 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and was, therefore, exempt from Federal income taxes under the provisions of Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

**NOTE 8. RELATED ORGANIZATIONS**

**Identification of Related Organizations**

The Plan has the following related entities with which it has transactions:

- AMC & RFSEU Local 342 Health Care Fund
- AMC & RFSEU Local 342 Safety Education and Cultural and Activities Fund
- AMC & RFSEU Local 342 Savings and 401(k) Plan
- UFCW Local 50-627 Severance Pay Fund
- AMC & RFSEU Local 342 Group Legal Services Fund
- UFCW Local 342

All of the above entities qualify as tax-exempt organizations. The entities listed above share common Trustees or Officers with this Plan.

**NOTE 8. RELATED ORGANIZATIONS (continued)**

The Plan reimburses UFCW Union Local 342 and AMC & RFSEU Local 342 Group Legal Services Fund for its portion of shared administrative expenses, which includes salaries and payroll taxes. The shared administrative expenses are allocated on a basis approved by the Plan's Trustees. Due to or from related entities on the Statements of Net Assets Available for Benefits represents the balance owed or receivable for these reimbursements as of December 31, 2024 and 2023, respectively. The reimbursed amounts for the years ended December 31, 2024 and 2023 were \$698,770 and \$723,182, respectively.

**Benefits**

Contributions made to related benefit plans on behalf of all employee groups consisted of the following:

	<u>2024</u>	<u>2023</u>
AMC & RFSEU Local 342 Health Care Fund	\$ 71,610	\$ 72,897
UFCW Local 342 Savings and 401(k) Fund	34,349	26,571
UFCW Local 342 Safety, Education, Cultural and Activities Fund	1,139	1,123
AMC & RFSEU Local 342 Group Legal Services Fund	<u>325</u>	<u>321</u>
Total	<u>\$ 107,423</u>	<u>\$ 100,912</u>

The Plan shares the cost of the UFCW Local 342 employee pension benefit withdrawal liability due to the Local 153 OPEIU Pension Fund based on a shared expense allocation agreement. The withdrawal liability was determined in March 2013 and was reallocated in July 2015, January 2016, and again in March 2024. The Plan has an allocated withdrawal liability of \$179,197 and \$278,316 for the years ended December 31, 2024 and 2023, respectively. During years ending December 31, 2024 and 2023, the Plan made payments of its allocated portion totaling \$27,592 and \$18,831, respectively.

The transactions identified above qualify as transactions which are exempt from the prohibited transaction rules of ERISA.

**NOTE 9. RISKS AND UNCERTAINTIES**

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

## NOTE 10. POSTRETIREMENT BENEFIT OBLIGATIONS

The Plan provides certain health care coverage to eligible retirees and their dependents. Retirees and certain dependents are covered beginning at the retiree's age 62<sup>nd</sup> birthday and the coverage terminates at the earlier of the retiree's 65<sup>th</sup> birthday or his or her death.

Accounting principles generally accepted in the United States of America require that the Plan include the actuarial present value of postretirement benefit obligations in the benefit obligations of the Plan.

The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants.

The following are significant assumptions used in the postretirement benefit obligation valuations as of December 31, 2024 and 2023:

Discount rate:	5.33% in 2024 and 4.69% in 2023
Health trend rates:	5.80% for 2025, 5.40% for 2026, 4.90% for 2027, 4.80% for 2028, and 4.70% for 2029
Average annual claims cost per retiree:	\$16,082 for males and \$15,391 for females in 2024; \$14,289 for males and \$13,691 for females in 2023
Mortality:	PRI-2012 Total Data Set Retiree/Employee Mortality Tables with full generational projection using MP-2021 for 2024 and 2023

Valuation assumption changes decreased obligations by \$217,834 for the year ended December 31, 2024. This was the result of the changes in the discount rate and updated medical claims and trends.

The forgoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

The health care cost-trend rate assumption has a significant effect on the amounts reported. If the assumed rate increased by one percentage point, that would increase the obligations as of December 31, 2024 and 2023 by \$364,659 and \$370,394, respectively.

**NOTE 11. DEPOSITS PAYABLE**

As of April 1, 2004, the employers began paying contributions based on actual claims experience. In order to facilitate cash flow during this transaction, these employers made deposits to the fund. Deposits payable totaled \$1,555,532 as of December 31, 2024 and 2023.

**NOTE 12. CONCENTRATIONS**

The Plan places its cash with financial institutions deemed to be creditworthy. Cash balances may at times exceed the insured deposit limits.

The Plan is currently only funded by two employers, King Kullen and Stop and Shop.

**NOTE 13. FEES MANDATED BY THE PATIENT PROTECTION AND AFFORDABLE CARE ACT**

The Plan is subjected to certain fees mandated by the Patient Protection and Affordable Care Act. Fees payable to the Patient-Centered Outcomes Research Institute (PCORI) are equal to \$3.47 per covered life for the Plan year ending December 31, 2024 and \$3.22 for the Plan year ending December 31, 2023. Thereafter, the fee will be indexed based on increases in the projected per capita amount of national health expenditures. For the years ended December 31, 2024 and 2023, the Plan paid \$4,524 and \$4,443 in PCORI fees, respectively.

**NOTE 14. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
