INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Amalgamated Meat Cutters and Retail Food Store
Employees Union Local 342 Group Legal Services Fund

Opinion

We have audited the financial statements of the Amalgamated Meat Cutters and Retail Food Store Employees Union Local 342 Group Legal Services Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year represent supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

General - The following brief description of the Amalgamated Meat Cutters and Retail Food Store Employees Union Local 342 Group Legal Services Fund (the Plan) provides only general information. Participants should refer to the summary plan description for more complete information. The Plan is a multiemployer welfare benefit plan and was established pursuant to collective bargaining agreements with contributing employers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides legal service benefits for eligible participants and their dependents. In order to obtain the benefits of the Plan, a member must use the law firm retained by the Trustees. Reference should be made to the summary plan description for specific details regarding eligibility and benefits.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments - Short-term investments are carried at cost which approximates fair value. Investments in mutual funds are carried at fair value which generally represents the net asset value of the funds as of the last day of the year as provided by the custodian.

Employer Contributions - Employer contributions due but not paid at year end are recorded as contributions receivable. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2024 and 2023, the allowance for credit losses was \$2,300.

Property and Equipment - Property and equipment are carried at cost. Major additions are capitalized while replacements, maintenance and repairs, which do not improve or extend the lives of the respective assets, are expensed currently. Depreciation is computed over their estimated useful lives using the straight-line method.

Payment of Benefits - Benefit payments are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Benefit Obligations - Cost of legal services incurred but not paid as of year-end are recorded as a benefit obligation.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Reclassification - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

NOTE 3. FUNDING

The Plan is financed by employer contributions. The employer contribution rates are specified in the collective bargaining agreements with employers. Employer contributions are accounted for as exchange transactions.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 5. TAX STATUS

The Plan obtained its latest exemption letter on December 10, 1996, in which the Internal Revenue Services stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) and was, therefore, exempt from Federal income taxes under the provisions of Section 501(c)(9). The Plan has been amended since receiving the determination letter. The Plan's Trustees and Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 6. CASH CONCENTRATION

The Plan places its cash with financial institutions deemed to be creditworthy. Cash balances may at times exceed the insured deposit limits.

NOTE 7. RELATED PARTY TRANSACTIONS

Identification of Related Organizations

The Plan has the following related entities with which it has transactions:

- AMC & RFSEU Local 342 Welfare Fund
- UFCW Local 342 Safety, Education, Cultural and Activities Fund
- UFCW Local 342 Savings and 401(k) Fund
- AMC & RFSEU Local 342 Health Care Fund
- UFCW Local 50-627 Severance Pay Fund
- UFCW Local 342

All of the above entities qualify as tax-exempt organizations. The entities listed above share common Trustees or officers with this Plan.

Certain plan investments are managed by Vanguard. Vanguard is a Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transaction. These transactions have been denoted as such on the supplemental Schedule of Reportable Transactions.

The Plan reimburses UFCW Local 342 and AMC & RFSEU Local 342 Welfare Fund for its portion of shared administrative expenses, which includes salaries and payroll taxes. The shared administrative expenses are allocated on a basis approved by the Plan's Trustees. The amounts due to or from related entities as shown on the Statements of Net Assets Available for Benefits represent the balance owed or receivable for these reimbursements as of December 31, 2024 and 2023, respectively. The amounts reimbursed for the years ended December 31, 2024 and 2023 totaled \$651,574 and \$634,547 respectively.

The Plan shares the cost of the UFCW Local 342 employee pension benefit withdrawal liability due to the Local 153 OPEIU Pension Fund based on a shared expense allocation agreement. The withdrawal liability was determined in March 2013 and reallocated in July 2015 and again in March 2024. The Plan has an allocated withdrawal liability of \$40,245 and \$3,161 at December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, the Plan made payments of its allocated portion totaling \$6,963 and \$6,732, respectively.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

NOTE 8. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level within the fair value hierarchy, the major categories of the Plan's asset measured at fair value at December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024
