## REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

### Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our engagement letter dated May 12, 2025. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

### Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 12, 2025, regarding the planned scope and timing of our audit and identified significant risks.

### Accounting Policies and Practices

#### Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

#### Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

#### Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Unusual Transactions

We did not identify any significant unusual transactions.

#### Management's Judgments and Accounting Estimates

Management is responsible for the estimation methods and assumptions used in measuring assets and liabilities reported and disclosed at fair value, including information from brokers, pricing services, or other

third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

#### *Pooled Separate Accounts*

Pooled separate accounts are valued using the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

These valuation methodologies have been consistently applied by management from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

#### **Audit Adjustments and Uncorrected Misstatements**

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

#### **Form 5500 Filing**

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

#### **ERISA-Required Supplemental Schedule**

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information.

#### **Observations About the Audit Process**

##### **Disagreements With Management**

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

### **Consultations With Other Accountants**

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

### **Significant Issues Discussed With Management**

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

### **Significant Difficulties Encountered in Performing the Audit**

We did not encounter any significant difficulties in dealing with management during the audit.

### **Difficult or Contentious Matters That Required Consultation**

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

## **Reportable Findings**

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

## **Shared Responsibilities: AICPA Independence**

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For Rea & Associates, Inc. to fulfill its professional responsibility to maintain and monitor independence, management, the The Plan Administrator, and Rea & Associates, Inc. each play an important role.

### **Our Responsibilities**

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Rea & Associates, Inc. is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

### **Your Responsibilities**

- Timely inform Rea & Associates, Inc., before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor’s stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Rea & Associates, Inc.
- Not entering into relationships resulting in close family members of Rea & Associates, Inc. covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

### **Internal Control Matters**

We have separately communicated control deficiencies that are reportable findings in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.

### **Significant Written Communications Between Management and Our Firm**

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit B.

## **Internal Control Matters**

October 8, 2025

Plan Administrator and The Plan Administrator  
Ulrey Foods Inc. Profit Sharing Plan  
Dublin, OH

In planning and performing our audit of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan) as of December 31, 2024, and for the year then ended, in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

### *Review and Reconciliation*

Matters Identified: During our audit inquiries, plan management noted they review Plan level trust statements, but there is no documentation of reconciliation of Plan activity throughout the year. Periodic review and reconciliation of Plan level trust statements and activity throughout the year allows plan management and/or plan fiduciaries to identify and correct errors in a timely manner, as well as document oversight of the Plan and assist in mitigating fiduciary risk.

Recommendation: We recommend plan management establish procedural controls to ensure that Plan level trust statements are periodically (quarterly or bi-annually) reviewed and reconciled with plan sponsor payroll and other relevant records. The review and reconciliation process should be documented and consider items such as:

- Total Employee contributions withheld per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Total Employer contributions calculated per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Reviewing distributions, fees, and other activity for any unusual or unexpected transactions

### *Eligible Compensation*

Matters Identified: During our audit, we noted that the compensation used for calculating employee deferrals is not consistent with the definition of eligible compensation stated in the plan document. Bonus wages for one employee were included in compensation when their deferral election form excluded those wages from deferrals.

Correction Completed: Plan management notified the affected participant, and they did not request any changes or corrections to be made.

Recommendation: We recommend Plan management improve its internal controls and processes over the calculation of eligible compensation and provide the necessary training to the persons responsible for setting up payroll and new payroll codes.

### *Untimely Notification to Newly Eligible Employees*

Matters Identified: During our audit, we noted plan management does not have adequate internal controls in place to ensure newly eligible employees are timely notified and educated of their ability to participate in the Plan. We noted that the notification and education of certain newly eligible employees was done after entry date based on plan provisions.

Correction Required: Plan management needs to calculate and deposit corrective contributions to the affected participants, including Qualified Nonelective Contributions (QNEC) for employee missed deferral opportunity, missed match, and related lost earnings. We will request proof of correction when performing next year's audit.

Recommendation: We recommend Plan management put policies and procedures in place to maintain adequate documentation that supports all eligible employees who have been invited to participate in the Plan in a timely manner.

#### *Net Distribution Calculations*

Matters Identified: During our audit, we noted there are insufficient controls to ensure vesting and forfeitures are accurately calculated for participant distributions. We found certain participants who received distributions during the audit year had vesting and forfeitures calculated incorrectly which resulted in incorrect distribution payments to those participants.

Correction Required: Plan management needs to determine distribution corrections needed and process those corrections. We will request proof of correction when performing next year's audit.

Recommendation: We recommend plan management consult with plan service providers to implement policies and procedures to review all distribution payments for correct vesting and forfeitures prior to payments being made by the Custodian. We also recommend that plan management complete a historical review of participant distributions to ensure there are no other vesting and forfeitures calculated incorrectly that would require correction.

#### *Mandatory Distributions*

Matters Identified: During our audit, we found that there is no procedural control in place to ensure that mandatory distributions are processed following severance of employment for participants with an account balance of \$5,000 or less, pursuant to Plan provisions. We noted a participant account exists at audit year end that belong to terminated employee and does not exceed \$5,000.

Recommendation: We recommend Plan management consult with its service provider to develop a procedural control to periodically review (at least annually) the accounts of terminated employees and process mandatory distributions pursuant to Plan provisions. If mandatory distributions cannot be made due to missing participants, plan fiduciary must be able to demonstrate compliance with DOL's missing participants guidance (<https://www.dol.gov/agencies/ebsa/employers-and-advisers/plan-administration-and-compliance/retirement/missing-participants-guidance>) regarding efforts made in locating missing participants or the selection of a distribution option for the benefit of missing participants.

#### *Employer Match Calculation*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure employer match is accurately calculated and remitted to the Plan. We noted long-term part-time employees were receiving matching contributions when they were not eligible based on the plan documents.

Recommendation: We recommend Plan management put policies and procedures in place to ensure accurate calculation of employer matching contributions and review by someone other than preparer, as well as accurate remittance of employer matching contributions to the Plan and review by someone other than preparer.

This communication is intended solely for the information and use of the Plan Administrator, management, the Plan Administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

### **Significant Written Communications Between Management and Our Firm**

October 8, 2025

Rea & Associates, Inc.  
5400 Frantz Rd. Suite 200  
Dublin, OH 43016

This representation letter is provided in connection with your audits of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter,

### Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the engagement letter for the audit and report on the financial statements mentioned above, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in

6025 Avery Road · Dublin, OH 43016 · 614-210-0033

[www.FlyersPizza.com](http://www.FlyersPizza.com)

- conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
  4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
  5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note 4 to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
  6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
  7. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
  8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
  9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
  10. The effects of uncorrected misstatements (if any) are immaterial, both individually and in the aggregate, to the financial statements as a whole.
  11. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
  12. We have no intentions to terminate the plan.
  13. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or an other lending institution have been properly recorded or disclosed in the financial statements.
  14. We have properly reported and disclosed amendments to the plan instrument, if any.
  15. With respect to the nonattest services your firm has provided (preparation of the financial statements), we have performed the following:
    - a. Assumed all management responsibilities including making all management decisions;
    - b. Assigned a competent individual with the skill, knowledge, and expertise to oversee the nonattest services;
    - c. Evaluated the adequacy of the services performed;
    - d. Evaluated and accepted responsibility for the result of the service performed; and
    - e. Established and maintained internal controls, including monitoring ongoing activities.

## ERISA-Required Supplemental Schedules

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
17. We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Information Provided

18. We have provided you with
  - a. access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
  - b. the most current plan instrument for the audit period, including all plan amendments;
  - c. a draft of the Form 5500 that is substantially complete;
  - d. additional information that you have requested from us for the purpose of the audit;
  - e. unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
  - f. all minutes of the plan administrative committee meetings or summaries of actions of recent meetings for which minutes have not yet been prepared, if any.
19. All transactions have been recorded in the accounting records and are reflected in the financial statements.
20. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
21. The plan or trust has satisfactory title to all owned assets that are recorded at fair value and/or contract value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
22. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
23. We have no knowledge of any fraud or suspected fraud that affects the plan and involves
  - a. management,
  - b. employees who have significant roles in internal control, or
  - c. others when the fraud could have a material effect on the financial statements.
24. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
25. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements, if any.
26. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
27. There are no other matters (for example, breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

28. We have disclosed to you the identity of the plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
29. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
30. There are no debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. All required filings with the appropriate agencies have been made.
32. The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor(s) has operated the plan and trust or insurance contract, if applicable, in a manner that did not jeopardize this tax status.
33. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for SS&C GIDS, Inc. dated November 13, 2024 and Gap letter dated January 13, 2025 covering the period ending December 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
34. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for SS&C Technologies, Inc. dated November 12, 2024 and Gap letter dated January 6, 2025 covering the period ending December 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Paychex, Inc. dated December 20, 2024 and Gap letter dated December 20, 2024 covering the period ending December 20, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
36. We are aware of certain operational, plan document, or demographic issues that, if not properly corrected, could be treated by the IRS as qualification failures. We will be taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. Accordingly, we believe that the plan will retain its tax-qualified status.
37. The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
38. The plan has complied with the fidelity bonding requirements of ERISA.
39. There are no:
  - a. nonexempt party in interest transactions (as defined in ERISA Section 406-408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.
  - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
  - c. reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
40. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

## TABLE OF CONTENTS

Required Communications	1 - 4

Exhibit B—Significant Written Communications Between Management and Our Firm	11 - 15
• Representation Letter	

## REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

### Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our engagement letter dated May 12, 2025. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

### Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 12, 2025, regarding the planned scope and timing of our audit and identified significant risks.

### Accounting Policies and Practices

#### Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

#### Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

#### Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Unusual Transactions

We did not identify any significant unusual transactions.

#### Management's Judgments and Accounting Estimates

Management is responsible for the estimation methods and assumptions used in measuring assets and liabilities reported and disclosed at fair value, including information from brokers, pricing services, or other

third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

#### *Pooled Separate Accounts*

Pooled separate accounts are valued using the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

These valuation methodologies have been consistently applied by management from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

#### **Audit Adjustments and Uncorrected Misstatements**

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

#### **Form 5500 Filing**

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

#### **ERISA-Required Supplemental Schedule**

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information.

#### **Observations About the Audit Process**

##### **Disagreements With Management**

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

### **Consultations With Other Accountants**

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

### **Significant Issues Discussed With Management**

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

### **Significant Difficulties Encountered in Performing the Audit**

We did not encounter any significant difficulties in dealing with management during the audit.

### **Difficult or Contentious Matters That Required Consultation**

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

## **Reportable Findings**

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

## **Shared Responsibilities: AICPA Independence**

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For Rea & Associates, Inc. to fulfill its professional responsibility to maintain and monitor independence, management, the The Plan Administrator, and Rea & Associates, Inc. each play an important role.

### **Our Responsibilities**

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Rea & Associates, Inc. is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

### **Your Responsibilities**

- Timely inform Rea & Associates, Inc., before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor’s stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Rea & Associates, Inc.
- Not entering into relationships resulting in close family members of Rea & Associates, Inc. covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

### **Internal Control Matters**

We have separately communicated control deficiencies that are reportable findings in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.

### **Significant Written Communications Between Management and Our Firm**

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit B.

## **Internal Control Matters**

October 8, 2025

Plan Administrator and The Plan Administrator  
Ulrey Foods Inc. Profit Sharing Plan  
Dublin, OH

In planning and performing our audit of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan) as of December 31, 2024, and for the year then ended, in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

### *Review and Reconciliation*

Matters Identified: During our audit inquiries, plan management noted they review Plan level trust statements, but there is no documentation of reconciliation of Plan activity throughout the year. Periodic review and reconciliation of Plan level trust statements and activity throughout the year allows plan management and/or plan fiduciaries to identify and correct errors in a timely manner, as well as document oversight of the Plan and assist in mitigating fiduciary risk.

Recommendation: We recommend plan management establish procedural controls to ensure that Plan level trust statements are periodically (quarterly or bi-annually) reviewed and reconciled with plan sponsor payroll and other relevant records. The review and reconciliation process should be documented and consider items such as:

- Total Employee contributions withheld per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Total Employer contributions calculated per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Reviewing distributions, fees, and other activity for any unusual or unexpected transactions

### *Eligible Compensation*

Matters Identified: During our audit, we noted that the compensation used for calculating employee deferrals is not consistent with the definition of eligible compensation stated in the plan document. Bonus wages for one employee were included in compensation when their deferral election form excluded those wages from deferrals.

Correction Completed: Plan management notified the affected participant, and they did not request any changes or corrections to be made.

Recommendation: We recommend Plan management improve its internal controls and processes over the calculation of eligible compensation and provide the necessary training to the persons responsible for setting up payroll and new payroll codes.

### *Untimely Notification to Newly Eligible Employees*

Matters Identified: During our audit, we noted plan management does not have adequate internal controls in place to ensure newly eligible employees are timely notified and educated of their ability to participate in the Plan. We noted that the notification and education of certain newly eligible employees was done after entry date based on plan provisions.

Correction Required: Plan management needs to calculate and deposit corrective contributions to the affected participants, including Qualified Nonelective Contributions (QNEC) for employee missed deferral opportunity, missed match, and related lost earnings. We will request proof of correction when performing next year's audit.

Recommendation: We recommend Plan management put policies and procedures in place to maintain adequate documentation that supports all eligible employees who have been invited to participate in the Plan in a timely manner.

#### *Net Distribution Calculations*

Matters Identified: During our audit, we noted there are insufficient controls to ensure vesting and forfeitures are accurately calculated for participant distributions. We found certain participants who received distributions during the audit year had vesting and forfeitures calculated incorrectly which resulted in incorrect distribution payments to those participants.

Correction Required: Plan management needs to determine distribution corrections needed and process those corrections. We will request proof of correction when performing next year's audit.

Recommendation: We recommend plan management consult with plan service providers to implement policies and procedures to review all distribution payments for correct vesting and forfeitures prior to payments being made by the Custodian. We also recommend that plan management complete a historical review of participant distributions to ensure there are no other vesting and forfeitures calculated incorrectly that would require correction.

#### *Mandatory Distributions*

Matters Identified: During our audit, we found that there is no procedural control in place to ensure that mandatory distributions are processed following severance of employment for participants with an account balance of \$5,000 or less, pursuant to Plan provisions. We noted a participant account exists at audit year end that belong to terminated employee and does not exceed \$5,000.

Recommendation: We recommend Plan management consult with its service provider to develop a procedural control to periodically review (at least annually) the accounts of terminated employees and process mandatory distributions pursuant to Plan provisions. If mandatory distributions cannot be made due to missing participants, plan fiduciary must be able to demonstrate compliance with DOL's missing participants guidance (<https://www.dol.gov/agencies/ebsa/employers-and-advisers/plan-administration-and-compliance/retirement/missing-participants-guidance>) regarding efforts made in locating missing participants or the selection of a distribution option for the benefit of missing participants.

#### *Employer Match Calculation*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure employer match is accurately calculated and remitted to the Plan. We noted long-term part-time employees were receiving matching contributions when they were not eligible based on the plan documents.

Recommendation: We recommend Plan management put policies and procedures in place to ensure accurate calculation of employer matching contributions and review by someone other than preparer, as well as accurate remittance of employer matching contributions to the Plan and review by someone other than preparer.

This communication is intended solely for the information and use of the Plan Administrator, management, the Plan Administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

### **Significant Written Communications Between Management and Our Firm**

October 8, 2025

Rea & Associates, Inc.  
5400 Frantz Rd. Suite 200  
Dublin, OH 43016

This representation letter is provided in connection with your audits of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter,

### Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the engagement letter for the audit and report on the financial statements mentioned above, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in

6025 Avery Road · Dublin, OH 43016 · 614-210-0033

[www.FlyersPizza.com](http://www.FlyersPizza.com)

- conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
  4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
  5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note 4 to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
  6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
  7. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
  8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
  9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
  10. The effects of uncorrected misstatements (if any) are immaterial, both individually and in the aggregate, to the financial statements as a whole.
  11. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
  12. We have no intentions to terminate the plan.
  13. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or an other lending institution have been properly recorded or disclosed in the financial statements.
  14. We have properly reported and disclosed amendments to the plan instrument, if any.
  15. With respect to the nonattest services your firm has provided (preparation of the financial statements), we have performed the following:
    - a. Assumed all management responsibilities including making all management decisions;
    - b. Assigned a competent individual with the skill, knowledge, and expertise to oversee the nonattest services;
    - c. Evaluated the adequacy of the services performed;
    - d. Evaluated and accepted responsibility for the result of the service performed; and
    - e. Established and maintained internal controls, including monitoring ongoing activities.

## ERISA-Required Supplemental Schedules

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
17. We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Information Provided

18. We have provided you with
  - a. access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
  - b. the most current plan instrument for the audit period, including all plan amendments;
  - c. a draft of the Form 5500 that is substantially complete;
  - d. additional information that you have requested from us for the purpose of the audit;
  - e. unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
  - f. all minutes of the plan administrative committee meetings or summaries of actions of recent meetings for which minutes have not yet been prepared, if any.
19. All transactions have been recorded in the accounting records and are reflected in the financial statements.
20. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
21. The plan or trust has satisfactory title to all owned assets that are recorded at fair value and/or contract value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
22. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
23. We have no knowledge of any fraud or suspected fraud that affects the plan and involves
  - a. management,
  - b. employees who have significant roles in internal control, or
  - c. others when the fraud could have a material effect on the financial statements.
24. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
25. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements, if any.
26. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
27. There are no other matters (for example, breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

36. We are aware of certain operational, plan document, or demographic issues that, if not properly corrected, could be treated by the IRS as qualification failures. We will be taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. Accordingly, we believe that the plan will retain its tax-qualified status.
37. The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
38. The plan has complied with the fidelity bonding requirements of ERISA.
39. There are no:
  - a. nonexempt party in interest transactions (as defined in ERISA Section 406-408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.
  - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
  - c. reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
40. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

• Representation Letter	

## REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

### Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our engagement letter dated May 12, 2025. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

### Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 12, 2025, regarding the planned scope and timing of our audit and identified significant risks.

### Accounting Policies and Practices

#### Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

#### Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

#### Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Unusual Transactions

We did not identify any significant unusual transactions.

#### Management's Judgments and Accounting Estimates

Management is responsible for the estimation methods and assumptions used in measuring assets and liabilities reported and disclosed at fair value, including information from brokers, pricing services, or other

third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

#### *Pooled Separate Accounts*

Pooled separate accounts are valued using the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

These valuation methodologies have been consistently applied by management from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

#### **Audit Adjustments and Uncorrected Misstatements**

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

#### **Form 5500 Filing**

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

#### **ERISA-Required Supplemental Schedule**

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information.

#### **Observations About the Audit Process**

##### **Disagreements With Management**

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

### **Consultations With Other Accountants**

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

### **Significant Issues Discussed With Management**

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

### **Significant Difficulties Encountered in Performing the Audit**

We did not encounter any significant difficulties in dealing with management during the audit.

### **Difficult or Contentious Matters That Required Consultation**

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

## **Reportable Findings**

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

## **Shared Responsibilities: AICPA Independence**

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For Rea & Associates, Inc. to fulfill its professional responsibility to maintain and monitor independence, management, the The Plan Administrator, and Rea & Associates, Inc. each play an important role.

### **Our Responsibilities**

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Rea & Associates, Inc. is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

### **Your Responsibilities**

- Timely inform Rea & Associates, Inc., before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor’s stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Rea & Associates, Inc.
- Not entering into relationships resulting in close family members of Rea & Associates, Inc. covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

### **Internal Control Matters**

We have separately communicated control deficiencies that are reportable findings in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.

### **Significant Written Communications Between Management and Our Firm**

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit B.

## **Internal Control Matters**

October 8, 2025

Plan Administrator and The Plan Administrator  
Ulrey Foods Inc. Profit Sharing Plan  
Dublin, OH

In planning and performing our audit of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan) as of December 31, 2024, and for the year then ended, in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

### *Review and Reconciliation*

Matters Identified: During our audit inquiries, plan management noted they review Plan level trust statements, but there is no documentation of reconciliation of Plan activity throughout the year. Periodic review and reconciliation of Plan level trust statements and activity throughout the year allows plan management and/or plan fiduciaries to identify and correct errors in a timely manner, as well as document oversight of the Plan and assist in mitigating fiduciary risk.

Recommendation: We recommend plan management establish procedural controls to ensure that Plan level trust statements are periodically (quarterly or bi-annually) reviewed and reconciled with plan sponsor payroll and other relevant records. The review and reconciliation process should be documented and consider items such as:

- Total Employee contributions withheld per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Total Employer contributions calculated per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Reviewing distributions, fees, and other activity for any unusual or unexpected transactions

### *Eligible Compensation*

Matters Identified: During our audit, we noted that the compensation used for calculating employee deferrals is not consistent with the definition of eligible compensation stated in the plan document. Bonus wages for one employee were included in compensation when their deferral election form excluded those wages from deferrals.

Correction Completed: Plan management notified the affected participant, and they did not request any changes or corrections to be made.

Recommendation: We recommend Plan management improve its internal controls and processes over the calculation of eligible compensation and provide the necessary training to the persons responsible for setting up payroll and new payroll codes.

### *Untimely Notification to Newly Eligible Employees*

Matters Identified: During our audit, we noted plan management does not have adequate internal controls in place to ensure newly eligible employees are timely notified and educated of their ability to participate in the Plan. We noted that the notification and education of certain newly eligible employees was done after entry date based on plan provisions.

Correction Required: Plan management needs to calculate and deposit corrective contributions to the affected participants, including Qualified Nonelective Contributions (QNEC) for employee missed deferral opportunity, missed match, and related lost earnings. We will request proof of correction when performing next year's audit.

Recommendation: We recommend Plan management put policies and procedures in place to maintain adequate documentation that supports all eligible employees who have been invited to participate in the Plan in a timely manner.

#### *Net Distribution Calculations*

Matters Identified: During our audit, we noted there are insufficient controls to ensure vesting and forfeitures are accurately calculated for participant distributions. We found certain participants who received distributions during the audit year had vesting and forfeitures calculated incorrectly which resulted in incorrect distribution payments to those participants.

Correction Required: Plan management needs to determine distribution corrections needed and process those corrections. We will request proof of correction when performing next year's audit.

Recommendation: We recommend plan management consult with plan service providers to implement policies and procedures to review all distribution payments for correct vesting and forfeitures prior to payments being made by the Custodian. We also recommend that plan management complete a historical review of participant distributions to ensure there are no other vesting and forfeitures calculated incorrectly that would require correction.

#### *Mandatory Distributions*

Matters Identified: During our audit, we found that there is no procedural control in place to ensure that mandatory distributions are processed following severance of employment for participants with an account balance of \$5,000 or less, pursuant to Plan provisions. We noted a participant account exists at audit year end that belong to terminated employee and does not exceed \$5,000.

Recommendation: We recommend Plan management consult with its service provider to develop a procedural control to periodically review (at least annually) the accounts of terminated employees and process mandatory distributions pursuant to Plan provisions. If mandatory distributions cannot be made due to missing participants, plan fiduciary must be able to demonstrate compliance with DOL's missing participants guidance (<https://www.dol.gov/agencies/ebsa/employers-and-advisers/plan-administration-and-compliance/retirement/missing-participants-guidance>) regarding efforts made in locating missing participants or the selection of a distribution option for the benefit of missing participants.

#### *Employer Match Calculation*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure employer match is accurately calculated and remitted to the Plan. We noted long-term part-time employees were receiving matching contributions when they were not eligible based on the plan documents.

Recommendation: We recommend Plan management put policies and procedures in place to ensure accurate calculation of employer matching contributions and review by someone other than preparer, as well as accurate remittance of employer matching contributions to the Plan and review by someone other than preparer.

This communication is intended solely for the information and use of the Plan Administrator, management, the Plan Administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

### **Significant Written Communications Between Management and Our Firm**

October 8, 2025

Rea & Associates, Inc.  
5400 Frantz Rd. Suite 200  
Dublin, OH 43016

This representation letter is provided in connection with your audits of the financial statements of Ulrey Foods Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter,

### Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the engagement letter for the audit and report on the financial statements mentioned above, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in

6025 Avery Road · Dublin, OH 43016 · 614-210-0033

[www.FlyersPizza.com](http://www.FlyersPizza.com)

- conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
  4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
  5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note 4 to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
  6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
  7. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
  8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
  9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
  10. The effects of uncorrected misstatements (if any) are immaterial, both individually and in the aggregate, to the financial statements as a whole.
  11. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
  12. We have no intentions to terminate the plan.
  13. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or an other lending institution have been properly recorded or disclosed in the financial statements.
  14. We have properly reported and disclosed amendments to the plan instrument, if any.
  15. With respect to the nonattest services your firm has provided (preparation of the financial statements), we have performed the following:
    - a. Assumed all management responsibilities including making all management decisions;
    - b. Assigned a competent individual with the skill, knowledge, and expertise to oversee the nonattest services;
    - c. Evaluated the adequacy of the services performed;
    - d. Evaluated and accepted responsibility for the result of the service performed; and
    - e. Established and maintained internal controls, including monitoring ongoing activities.

## ERISA-Required Supplemental Schedules

PIZZA & SUBS

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
17. We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### Information Provided

18. We have provided you with
  - a. access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
  - b. the most current plan instrument for the audit period, including all plan amendments;
  - c. a draft of the Form 5500 that is substantially complete;
  - d. additional information that you have requested from us for the purpose of the audit;
  - e. unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
  - f. all minutes of the plan administrative committee meetings or summaries of actions of recent meetings for which minutes have not yet been prepared, if any.
19. All transactions have been recorded in the accounting records and are reflected in the financial statements.
20. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
21. The plan or trust has satisfactory title to all owned assets that are recorded at fair value and/or contract value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
22. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
23. We have no knowledge of any fraud or suspected fraud that affects the plan and involves
  - a. management,
  - b. employees who have significant roles in internal control, or
  - c. others when the fraud could have a material effect on the financial statements.
24. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
25. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements, if any.
26. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
27. There are no other matters (for example, breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

[www.FlyersPizza.com](http://www.FlyersPizza.com)

28. We have disclosed to you the identity of the plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
29. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
30. There are no debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. All required filings with the appropriate agencies have been made.
32. The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor(s) has operated the plan and trust or insurance contract, if applicable, in a manner that did not jeopardize this tax status.
33. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for SS&C GIDS, Inc. dated November 13, 2024 and Gap letter dated January 13, 2025 covering the period ending December 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
34. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for SS&C Technologies, Inc. dated November 12, 2024 and Gap letter dated January 6, 2025 covering the period ending December 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Paychex, Inc. dated December 20, 2024 and Gap letter dated December 20, 2024 covering the period ending December 20, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
36. We are aware of certain operational, plan document, or demographic issues that, if not properly corrected, could be treated by the IRS as qualification failures. We will be taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. Accordingly, we believe that the plan will retain its tax-qualified status.
37. The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
38. The plan has complied with the fidelity bonding requirements of ERISA.
39. There are no:
  - a. nonexempt party in interest transactions (as defined in ERISA Section 406-408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.
  - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
  - c. reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
40. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
