INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Administrative Committee
Star One Credit Union Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Star One Credit Union Savings Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Star One Credit Union Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Star One Credit Union Savings Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, the trustee of the Star One Credit Union Savings Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Reliance Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Star One Credit Union Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Star One Credit Union Savings Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Star One Credit Union Savings Plan; and determining whether the Star One Credit Union Savings Plan's transactions that are presented and disclosed in the financial statements are in conformity with Star One Credit Union Savings Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Star One Credit Union Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Star One Credit Union Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Reliance Trust Company agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STAR ONE CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Star One Credit Union Savings Plan (the Plan) provides only general information. Participants and others should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Star One Credit Union (the Plan Sponsor) who have met the eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Reliance Trust Company (Reliance Trust) serves as the trustee of the Plan, and Standard Insurance Company (The Standard) serves as the recordkeeper of the Plan.

Contributions: The Plan allows participants to contribute on a pre-tax or after-tax basis up to the maximum amount allowed by law as defined in Internal Revenue Code (IRC) Sections 402(g) and 415, including catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan Sponsor contributes a matching contribution equal to 60% of the first 8% of each participant's deferral. Discretionary profit sharing contributions may also be made by the Plan Sponsor.

The Plan was amended so that employees hired on or after January 1, 2014 are eligible to receive an additional nondiscretionary contribution in lieu of participation in the Star One Credit Union Retirement Plan. Participants receive a contribution based on years of participation and eligible compensation as follows:

<u>Years of Participation</u>	<u>Contribution Percentage</u>
1–4	2%
5–9	3%
10–14	4%
15–19	5%
20 or more	6%

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor's contributions and (b) the Plan's earnings (losses). Plan earnings or losses are allocated based on participant account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature. Participants may change their investment options at any time during the year via direct phone or internet access to The Standard.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates. Loan terms may range from one to five years or longer if used to purchase the primary residence of the participant. Principal and interest are paid ratably through payroll deductions.

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's contribution portion of participants' accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service as follows:

Years of Service	Percentage Vested
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Payment of Benefits: Upon termination of service due to death, disability or retirement from the Plan Sponsor, a participant may elect to receive the vested interest of their account through a lump-sum distribution, substantially equal installments or partial withdrawals. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeitures: As of December 31, 2024 and 2023, the Plan had \$3,677 and \$0, respectively, in forfeited nonvested accounts. These amounts are used first to reduce employer matching contributions and second to cover the costs of administration of the Plan. For the year ended December 31, 2024, employer contributions and administration costs were reduced by forfeited nonvested accounts totaling \$49,894.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

STAR ONE CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The three-tier fair value hierarchy includes the following categories:

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- *Mutual Funds* – Investments in mutual funds are valued at fair value based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.
- *Common Trust Funds* – Valued at the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments.

The Plan's investments that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Notes Receivable from Participants: Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Administrative Expenses: The Plan's administrative expenses are paid by the Plan Sponsor, except for certain participant transaction fees paid by the Plan from assets in the participant's account.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued.

DECEMBER 31, 2024 AND 2023

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>2024</u>				
Mutual funds	\$ 74,448,997	\$ 74,448,997	\$ -	\$ -
Investments measured at NAV as a practical expedient	<u>6,529,113</u>			
	<u>\$ 80,978,110</u>			
<u>2023</u>				
Mutual funds	\$ 63,132,586	\$ 63,132,586	\$ -	\$ -
Investments measured at NAV as a practical expedient	<u>5,783,920</u>			
	<u>\$ 68,916,506</u>			

In accordance with Subtopic 820-10, the common trust funds, which are measured at NAV per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV AS A PRACTICAL EXPEDIENT

Investments measured at fair value as of December 31, 2024 and 2023 based on NAV per share are summarized as follows:

Investment	Fair Value		Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2024	2023			
Common trust funds	\$ 6,529,113	\$ 5,783,920	N/A	Daily	None

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan may determine.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 6 – TAX STATUS

The Plan has adopted a nonstandardized Pre-Approved Profit Sharing Plan/Money Purchase/CODA sponsored by Standard Retirement Services Inc. The Plan obtained its latest determination letter, dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan and the related trust, as then designed, were in compliance with the applicable requirements of the IRC; therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore the Plan is qualified and the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2024 and 2023, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash, investments and participant loans.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2024 and 2023, the Plan's assets are held in trust by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan and The Standard is the recordkeeper. Therefore, transactions with the trustee and the recordkeeper qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and administrative services amounted to \$33,079 for the year ended December 31, 2024 and qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These expenses constitute exempt party-in-interest transactions under ERISA.

NOTE 9 – TRUSTEE CERTIFICATION

The investment information, other assets and liabilities, and related income information included in the financial statements, accompanying notes and supplemental schedule, summarized below, were derived from statements certified by Reliance Trust Company as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
