Independent Auditor's Report

To the Trustees/Fiduciaries of
Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan
Waldorf, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees/Fiduciaries of
Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan

Supplementary Schedule Required by ERISA (Continued)

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter - Restatement of Prior Year Financial Statements

As discussed in Note 3 to the financial statements, the 2023 financial statements have been restated to correct an error related to contributions receivable that was not previously recorded. Our opinion is not modified with respect to this matter.

1. DESCRIPTION OF THE PLAN

The following description of Waldorf Ford, Inc. Salary Deferral 401(k) Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. Copies are available from the sponsor's human resources department.

General

The Plan is a defined contribution plan covering all eligible employees of Waldorf Ford, Inc., Prince Frederick Ford, Inc., Prince Frederick Dodge, Inc., Leonardtown Ford, Inc., Lexington Park, Inc., Upper Marlboro Ford, LLC, Waldorf Chevrolet, Waldorf Honda, Waldorf Toyota, Waldorf Dodge and Car Center, LLC. Each employee who has completed six months of service who have reached the age of 16 shall be eligible to participate. The plan entry date is the day the eligibility requirements are met.

The Plan provides for full vesting in employer contributions after five years of service.

The Plan is a qualified plan under §401(a) and §401(k) of the Internal Revenue Code (IRC), meets the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and, accordingly, is exempt from federal income taxes under the provisions of IRC §501(a). The Plan was established on August 1, 1995 and is currently administered under the plan agreement as amended and restated effective May 5, 2021.

Contributions

The participant shall elect to make a contribution to the Plan up to 100% of the participant's compensation as defined in the plan agreement. The employers will make a 50% matching contribution up to 4% of compensation.

The employers may also make a discretionary profit-sharing contribution. All employees who are actively employed on the last day of the plan year will share in this contribution. In addition, terminated employees with more than 500 hours of service during the plan year will be eligible.

Participants direct the investment of their contributions into various investment options offered by the Plan. The investment options available to participants include mutual funds and common collective trusts.

Participant Accounts

A separate account is maintained for each participant. The account balances are adjusted for contributions (as previously described), and any earnings and losses shall be allocated to the participants based on the participants' account balances, as defined in the plan agreement. When applicable, the account balances are adjusted for rollover contributions and distributions.

Vesting

Employees are immediately 100% vested in their contributions.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (Continued)

All years of service are credited to determine a participant's vesting service. Employers' contributions and earnings thereon are subject to the following vesting schedule:

Vesting Schedule	
<u>Years of Service</u>	<u>Percentage</u>
0-2	0%
2	20%
3	40%
4	60%
5	80%
6 or More	100%

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of 50% of their vested account balances or \$50,000. The minimum loan amount is \$1,000. Loan terms may not exceed five years. Each loan will be secured by the balance in the participant's account and will bear interest at a rate of prime plus one percent. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon disability, death, or retirement, participants become fully vested and are entitled to the benefits in their separate accounts in the form of lump-sum distributions or installments. Upon termination, participants shall be entitled to lump-sum distributions of the vested portions of their accounts.

Forfeitures

Forfeitures may be used to pay plan expenses. They may also be used to offset amounts due from the employers for matching contributions. The forfeiture occurs on the earlier of the distribution of the entire vested balance or five consecutive one-year breaks in service.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Contributions

Contributions from the employers of the Plan are accrued in the period in which they become obligations under provisions of the plan agreement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Revenue Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies (mutual funds) are valued at the published net asset values of shares held by the Plan at year end. Units of the common/collective trust investments are valued based on net asset value per share provided by the manager of the fund.

Purchases and sales of securities are recorded on a trade date basis. Interest revenue is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the employers, as provided by the plan agreement.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Excess Contributions Payable

Liabilities consist of participant and employer contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

3. PRIOR PERIOD ADJUSTMENT

During 2025, the Plan determined that certain contribution receivables totaling \$26,380 at December 31, 2024, were not recorded in the previously issued financial statements. Accordingly, the accompanying financial statements as of and for the year ended December 31, 2023, have been restated to increase contributions receivable and net assets available for benefits by \$26,380.

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Capital Bank and Trust Company, the trustee of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2024</u>				
Mutual Funds	\$ 32,036,303	\$ 32,036,303	\$ -	\$ -
	32,036,303	\$ 32,036,303	\$ -	\$ -
Investments Measured at Net Asset Value*	1,766,580

Mutual Funds	\$ 25,936,752	\$ 25,936,752	\$ -	\$ -
	25,936,752	\$ 25,936,752	\$ -	\$ -

**NOTES TO FINANCIAL STATEMENTS

5. FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds: The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

* Common Collective Trusts: The fair value of common collective trust funds is based on the net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds. The NAV of the common collective trusts is used as a practical expedient to estimate fair value and is determined by the trustee based on the fair value of underlying assets in the trusts, less the liabilities. Investments in all common collective trust funds can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2024 and 2023.

	Fair Value 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
a. Common Collective Trust	\$ 1,766,580	\$ -	no limits	none
	Fair Value 2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
a. Common Collective Trust	\$ 1,851,392	\$ -	no limits	none

The preceding methods described may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. PLAN TERMINATION

Although they have not expressed any intent to do so, the employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

7. RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds and common collective trusts managed by American Funds Distributors, Inc., a member of The Capital Group Companies. Capital Bank and Trust Company, the trustee of the Plan's investments, is also a member of The Capital Group Companies. Therefore, transactions in these investments qualify as party-in-interest transactions.

9. FORFEITURES

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer's contributions or to reduce administrative expenses. Unallocated forfeiture balances as of December 31, 2024 and 2023, are \$127,038 and \$45,810, respectively. For the year ended December 31, 2024, \$93,941 was used to reduce employer contributions.

10. TAX STATUS

The Plan obtained its latest determination letter dated June 30, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the determination letter.

However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan meets the requirements of the IRC and ERISA to qualify as exempt from federal income taxes.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

10. TAX STATUS (CONTINUED)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements.

Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA.

The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2024.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2024.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

13. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 15, 2025, the date on which the financial statements were available to be issued.
