INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Benton Technical Services 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Benton Technical Services 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and for the period from inception (July 1, 2023) to December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and from the period of inception (July 1, 2023) to December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report
To the Trustees of
Benton Technical Services 401(k) Plan

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report
To the Trustees of
Benton Technical Services 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements-(Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets Held (At End of Year) as of December 31, 2024 and 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BENTON TECHNICAL SERVICES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

(1) DESCRIPTION OF PLAN:

The following description of Benton Technical Services (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The financial statements were available to be issued on October 10, 2025, with subsequent events being evaluated through this date.

General -

The Plan is a defined contribution plan established on July 1, 2023, covering substantially all employees of the Company who are at least twenty-one (21) years of age and have completed two months of service and are not residents of Puerto Rico.

The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions -

Participants may contribute up to 100% of their compensation as defined by the Plan, limited to the maximum amount allowable under the IRS. Some or all of a participant's contribution may be designated as a Roth contribution. Roth contributions are made on an after-tax basis; however, such contributions will not be taxed at the time of distribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also includes auto enrollment for all employees. After two months of employment, unless participants elect otherwise, they automatically contribute 3% of eligible compensation to the Plan, and that amount will increase by 1% each plan year until the amount withheld reaches 10%. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans. The Company also has the option of making discretionary matching contributions as determined by the Company. The Company elected to make a discretionary match contribution of 3% for the year ended December 31, 2024.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily. Contributions are subject to certain limitations.

Participant Accounts -

Each participant's account is credited with the participant's elective contribution, employer's contributions, rollovers, and earnings thereon. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN: (Continued)

Vesting -

Participants are immediately fully vested in their salary deferral contributions plus actual earnings thereon and in all other accounts if the participant dies, becomes disabled or retires while an employee of the Company. Vesting in the Company's contributions are based on years of continuous service (1,000 hours for one year of service). Vesting in the Company's discretionary matching contribution portion of accounts due to termination for reasons other than those previously mentioned is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than one (1) year	0%
One (1) year	20%
Two (2) years	40%
Three (3) years	60%
Four (4) years	80%
Five (5) or more years	100%

Forfeited Accounts -

Forfeited balances of terminated participants' non-vested accounts are used to reduce employer contributions and/or administrative expenses. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$44,037 and \$-0-, respectively. No forfeitures were used to reduce employer contributions or expenses during the year ended December 31, 2024 and period of inception (July 1, 2023) to December 31, 2023.

Payment of Benefits -

Participants withdrawing during the year for reasons of minimum required distributions, disability, active military distribution, retirement, death, or termination of employment are entitled to their vested account balance. If withdrawing participants are not entitled to their entire account balance and have not received a forfeiture break in service, the amounts not received are forfeited. A forfeiture break in service occurs after five consecutive one-year breaks in service. A participant with a vested balance not exceeding \$5,000 will receive a lump sum amount equal to the value of the participant's vested interest in their account. If the participant's vested balance exceeds \$5,000, the participant may elect to receive a lump-sum payment in cash, installments over a period of not more than assumed life expectancy, or partial distributions of some or all of the vested balance. In-service withdrawals are available to participants who meet certain hardship requirements or attain age 59-1/2.

(2) SUMMARY OF ACCOUNTING POLICIES:

Basis of Accounting -

The financial statements of the Plan are prepared under the accrual method of accounting.

(2) SUMMARY OF ACCOUNTING POLICIES: (Continued)

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income -

Investments are reported at fair value. Appreciation or depreciation in the market value of an investment held both at the beginning and end of the year is equal to the difference between the market value at the beginning and end of the year. Appreciation or depreciation in the market value of an investment acquired during the year and held at the end of the year is equal to the difference between the cost and the market value of the investment at the end of the year.

Gain or loss recognized from the disposition of an investment held at the beginning of the year is equal to the difference between the market value of the disposed asset at the beginning of the year and the proceeds from disposition. Gain or loss realized from the disposition of an investment acquired during the year is equal to the difference between the cost and the proceeds from disposition. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits -

Benefits are recorded when paid.

Administrative Expenses -

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid by the Company. Administrative expenses of \$16,038 and \$2,248 were paid by the Plan during the year ended December 31, 2024 and period from inception (July 1, 2023) to December 31, 2023, respectively.

(3) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(4) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

(4) FAIR VALUE MEASUREMENTS: (Continued)

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Shares in registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Insurance Company General Accounts: The guaranteed investment contracts are non-fully benefit-responsive. The fair value of the accounts is determined by adding to the contributions made, the earnings on the underlying investments, and deducting participant withdrawals and administrative expenses.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) FAIR VALUE MEASUREMENTS: (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$ 880,753</u>	<u>\$ 45,514</u>	<u>\$ -</u>	<u>\$ 926,267</u>

	<u>Assets at Fair Value as of December 31, 2023</u>

Registered investment companies	\$ 329,730	\$ -	\$ -	\$ 329,730
Insurance company general accounts	<u>-</u>	<u>1</u>	<u>-</u>	<u>1</u>
	<u>\$ 329,730</u>	<u>\$ 1</u>	<u>\$ -</u>	<u>\$ 329,731</u>

(5) INCOME TAXES:

The Plan has adopted the Empower Retirement LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA. The Plan has received a favorable opinion letter dated November 14, 2022 from the Internal Revenue Service, stating that the prototype plan is qualified under the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, the Plan is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations for tax years ended December 31, 2024 and 2023.

(6) CERTIFIED INVESTMENTS:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation/depreciation in fair value of investments, interest and dividends for the year ended December 31, 2024 and the period from inception (July 1, 2023) to December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan).

(7) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) PARTY-IN-INTEREST TRANSACTIONS:

As of December 31, 2024 and 2023, \$45,514 and \$1 of the Plan's investments are offered by Empower, respectively. As Empower is the Trustee of the Plan, these investments qualify as party-in-interest investments.

Certain employees of the Company that provide administrative services for the Plan are not reimbursed for their services from the Plan.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 945,274	\$ 332,296
Less – Receivables – Employer contributions	<u>(19,007)</u>	<u>(2,565)</u>
Net assets available for benefits per the Form 5500	<u>\$ 926,267</u>	<u>\$ 329,731</u>

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500: (Continued)

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2024 and for the period of inception (July 1, 2023) to December 31, 2023 to the Form 5500:

	<u>2024</u>	<u>2023</u>
Contributions per financial statements	\$ 285,878	\$ 2,565
Less – Employer receivables	<u>(16,442)</u>	<u>(2,565)</u>
Contributions per the Form 5500	<u>\$ 269,436</u>	<u>\$ -</u>

The reconciling item above is the result of the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan’s financial statements.

(10) PROHIBITED TRANSACTIONS:

The Company identified a failure to properly withhold elective deferrals for certain employees. The Company intends to correct the error through a qualified nonelective contribution (QNEC) in accordance with IRS correction procedures, along with any lost earnings. As of December 31, 2024, the Plan has recorded a receivable from the Company in the amount of \$19,007 to reflect the anticipated correction. All corrections are expected to be completed by the end of 2025.
