## INDEPENDENT AUDITOR'S REPORT

Slab Masters Retirement Plan  
Caseyville, IL 62232

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of the Slab Masters Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Slab Masters Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulates for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material aspects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Slab Masters Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Slab Masters Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Slab Masters Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter-Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) and Schedule H, Line 4a, Schedule of Delinquent Participant Contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SLAB MASTERS RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN

The following description of the Slab Masters Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Slab Masters U.S. LLC (the Company) who are age twenty one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Due to the change in ownership and entity structure, the participant account balances of employees of CMC Professional Services LLC and CNC Foundations, Inc. that were previously eligible for Slab Masters Retirement Plan were transferred to a new plan effective January 1, 2024.

Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation, as defined in the Plan. Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan. The Plan currently offers several mutual fund options, collective trusts, and annuities for participants. The Company's safe harbor match contribution is equal to 100% of an eligible participant's elective deferral that do not exceed 3% of his or her compensation for the allocation period plus 50% of the participant's elective deferrals that exceed 3% of his or her compensation for the allocation period but do not exceed 5% of his or her compensation for the allocation period. The Company may also make a discretionary non-elective contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in the safe harbor employer matching contributions. Vesting of all other nonelective contributions plus earnings thereon is based on years of continuous service. The Plan's vesting schedule is as follows:

<u>Year of Service</u>	<u>Vested %</u>
1 year of vesting service	20%
2 years of vesting service	40%
3 years of vesting service	60%
4 years of vesting service	80%
5 years of vesting service	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in The Wall Street Journal plus two percentage points, which are commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions.

SLAB MASTERS RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or have the payment made as a "direct rollover" to an individual retirement account or another tax qualified plan.

Plan Administration

The Plan is governed by the Company's Board of Trustees, which is comprised of members of the Company's management. Empower Trust Company, LLC serves as the asset custodian and Empower Retirement, LLC is the record keeper for the Plan.

Forfeited Accounts

Forfeited non-vested accounts totaled \$1,067 and \$1,067 as of December 31, 2024 and 2023, respectively. In 2024, employer contributions were reduced by \$0 from forfeited non-vested accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained on the modified cash basis. The modified cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Additions are recognized when cash is received and deductions are recognized when cash is paid. Investments are recorded at fair value in the Statement of Net Assets Available for Benefits (modified cash basis) with the associated net investment gain or loss included in the Statement of Changes in Net Assets Available for Benefits (modified cash basis).

Investments

The Plan's investments are stated at fair value. Quoted market prices are used to value mutual fund investments. Purchases and sales of investments are recorded on a trade-date basis. Dividends and interest are recorded on the modified cash basis.

Notes Receivable from Participants

Participant loans are valued at their outstanding balances, which approximate fair value.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company may pay the costs related to the administration of the plan in whole or in part. All expenses not paid by the Company shall be paid by the plan.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts differ from those estimates.

SLAB MASTERS RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 3. INVESTMENTS

Unaudited Information Certified by the Asset Custodian.

The December 31, 2024 and 2023 Statements of Net Assets Available for Benefits (modified cash basis), the investment activities included on the Statement of Changes in Net Assets Available for Benefits (modified cash basis) for the year ended December 31, 2024, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Empower Trust Company, LLC, the asset custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of \$7,824,662 and \$12,084,994 at December 31, 2024 and 2023, respectively, and related interest, dividends, and investment income of \$1,017,331 for the year ended December 31, 2024.

NOTE 4. FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification 820, Fair Value Measurement and Disclosure, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority with Level 3 inputs having the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The investments in collective trusts are valued as a practical expedient utilizing the net asset valuation, exclusive of the adjustment to contract value. The use of net asset value as fair value is deemed appropriate as the collective trusts do not have a finite life, unfunded commitments relating to these types of investments, or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Fund will see a portion of the investment at an amount different from the net asset valuation.

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted market prices in an active market.

Level 2 Fair Value Measurements

The fair values of the variable annuities are calculated daily by the annuity provider according to the methods described in the annuity contract using observable inputs.

Fair Value Measurements Using:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

\*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits (modified cash basis).

The following table summarized investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>

Collective Trusts	<u>\$ 3,770,166</u>	N/A	Daily	1 Day

Collective Trusts

The plan invests in one collective trust that holds various assets at different levels of volatility:

Great Gray Trust American Target Date Funds – These Funds are designed to provide long-term investors with an asset allocation strategy to maximize their retirement savings consistent with the projected retirement date associated with each fund. The investment risks of each Target Date Fund changes over time as its asset allocation changes.

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 23, 2021 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the open tax years are those years ended December 31, 2021 through December 31, 2024. The 2024 tax return has not been filed as of the date of this report.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for advisory services amounted to \$32,524 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

NOTE 9. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 29, 2025. From this evaluation, no events were identified that met the requirement for disclosure except as follows:

Pursuant to the Third Amendment to the Plan, effective January 1, 2025, the Plan name has changed from Slab Masters Retirement Plan to LFG Retirement Plan, and the Plan Sponsor will change to HTI Intermediate, LLC. Furthermore, a Joinder Agreement was adopted to allow employees of Crawl Space Ninja, LLC to become eligible for the Plan effective August 1, 2025.
