## Independent Auditor's Report

To the Plan Administrator of  
Community Care Cooperative 403(b) Plan:

### ***Opinion on the Financial Statements***

We have audited the financial statements of Community Care Cooperative 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Community Care Cooperative 403(b) Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Care Cooperative 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Care Cooperative 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Care Cooperative 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Care Cooperative 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Supplemental Schedules Required by ERISA (Continued)**

In our opinion, the information in the accompanying schedules are fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## COMMUNITY CARE COOPERATIVE 403(B) PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### 1. DESCRIPTION OF THE PLAN

The following description of Community Care Cooperative 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### a. General

The Plan is a defined contribution 403(b) plan covering substantially all employees of Community Care Cooperative, Inc. (the Plan Sponsor). The Plan Administrator is responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2024, employees of Community Technology Cooperative LLC and Community Pharmacy Cooperative LLC (affiliates of the Plan Sponsor) became eligible to participate in the Plan.

#### b. Eligibility

All employees are eligible to participate in the Plan and receive the Plan Sponsor's discretionary matching contributions and discretionary non-elective contributions upon employment and attaining the age of 18. Employees who work less than twenty hours per week are excluded from participating in the Plan. Effective January 1, 2025, long-term part-time employees who worked 500 hours of service in the previous two consecutive years are eligible to participate in the Plan.

#### c. Contributions

Participants may elect to defer up to 100% of their pre-tax annual compensation, as defined by the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). Participants who have reached the age of fifty before the end of the plan year are eligible to make catch-up contributions. The Plan allows for participants to make post-tax (Roth) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Effective April 1, 2024, the Plan was amended to include an automatic enrollment feature whereby participants have their deferral rate set at 4% of compensation, if not elected otherwise.

The Plan Sponsor made discretionary matching contributions of 100% of employee contributions up to 4% of eligible compensation during the 2024 plan year, subject to certain statutory limitations. Participants must be actively participating in order to receive the Plan Sponsor's matching contributions. There were \$1,066,058 of discretionary matching contributions remitted to the Plan for the year ended December 31, 2024. The Plan Sponsor may also make discretionary non-elective contributions, however there were no discretionary non-elective contributions made for the year ended December 31, 2024.

### 1. DESCRIPTION OF THE PLAN (Continued)

#### d. Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's discretionary matching contributions and discretionary non-elective contributions, if any, plus earnings or losses thereon, and is charged with an allocation of administrative fees that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### e. Vesting

Participants are immediately vested in their contributions, plus actual earnings or losses thereon. Participants vest in the Plan Sponsor's discretionary matching contributions and discretionary non-elective contributions based on a four-year graded schedule as follows:

<u>Years of Service</u>	<u>Percentage</u>
1 year but less than 2	25%
2 years but less than 3	50%
3 years but less than 4	75%
4 years or more	100%

Participants become fully vested upon attainment of normal retirement age, death or disability.

#### f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the normal retirement age of 65, with no option for early retirement. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of their account or installment payments. There are also retirement benefits available upon disability or death. The Plan allows in-service withdrawals upon attainment of age 59 ½. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. Effective January 1, 2024, the limit of involuntary cash-out distributions increased to \$7,000 under the provisions of SECURE Act 2.0.

#### g. Notes Receivable from Participants

The Plan does not allow notes receivable from participants.

#### h. Forfeitures

Forfeitures represent non-vested employer contributions forfeited by participants upon termination. Forfeitures are retained by the Plan and are used to pay administrative expenses or reduce Plan Sponsor contributions. The Plan had unallocated forfeitures of \$116,417 and \$83,291 as of December 31, 2024 and 2023, respectively. The Plan Sponsor used \$21,719 of forfeitures to reduce plan expenses for the plan year ended December 31, 2024.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

#### **Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for disclosure of fair value measurement.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes gains and losses on investments bought and sold, as well as held during the year.

#### **Notes Receivable from Participants**

The Plan does not allow notes receivable from participants.

#### **Contributions**

Contributions from plan participants and the discretionary matching contributions from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from compensation. The Plan Sponsor's discretionary non-elective contributions are recorded when such contributions are authorized by the Plan Sponsor's Board of Directors.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to advisory services and the administration of participant loans and processing of distributions are charged directly to participant accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

#### **Subsequent Events**

Subsequent events have been evaluated through September 23, 2025, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements, except as noted in Note 1b.

### 3. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The fair value hierarchy is as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

There have been no changes to the methodology used at December 31, 2024 and 2023.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### 3. FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds, at fair value	<u>\$ 10,815,450</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,815,450</u>

<u>Description</u>	<u>2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds, at fair value	<u>\$ 6,407,907</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,407,907</u>

### 4. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated January 2, 2018, in which the Internal Revenue Service (IRS) stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested and all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

### 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the custodian are considered party-in-interest transactions. During 2024, the Plan paid recordkeeping, advisory and administrative service fees of \$26,164 to the custodian, recordkeeper and third-party administrator.

### 7. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

### **8. DELINQUENT PARTICIPANT CONTRIBUTIONS**

During 2024, the Plan Sponsor failed to segregate and remit in a timely manner, certain participant contributions (salary reduction amounts) within the required time period as specified by the United States DOL Reg. 2520.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. The Plan Sponsor intends to compute the lost earnings on the 2024 deferrals and make a contribution for lost earnings to the Plan in 2025.
