This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Coal Exclusive Benefits 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with the modified cash basis of accounting and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Prudential Retirement Insurance and Annuity Company, the custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Prudential Retirement Insurance and Annuity Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 10, 2022, the following representations made to you during your audit.

- 25) Effective April 4, 2020, the Plan Sponsor has elected to terminate the Plan. Liquidation is not deemed to be imminent at December 31, 2021; however, liquidation should commence sometime during 2023 following resolution of the DOL lawsuit and contribution of lost earnings.
- 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 27) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 28) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, have been measured by quoted market prices when available or in good faith by the custodian, if quoted market prices are unavailable. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 29) All required amendments to and filings of plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on September 18, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

- 35) We acknowledge our responsibility for presenting the (1) Schedule H, line 4a – Schedule of Delinquent Participant Contributions – modified cash basis and (2) Schedule H, line 4i – Schedule of Assets (Held at End of Year) – modified cash basis, in accordance with modified cash basis of accounting and in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA and we believe the supplemental schedules, including their form and content, are fairly presented in accordance with the modified cash basis of accounting and in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
- 36) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented, and disclosed in accordance with the modified cash basis of accounting.
