INDEPENDENT AUDITORS' REPORT

Executive Director and Plan Administrator of
The Ave Maria 401(k) Plan:
Ann Arbor, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ave Maria 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan's Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE AVE MARIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following is a description of The Ave Maria 401(k) Plan (the 'Plan') which provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan. The plan is sponsored by The Ave Maria Foundation and also covers employees of Ave Maria University, Inc., Ave Maria Fine Art Gallery, Ave Maria Communications, Domino's Farms Corporation, Domino's Farms Petting Farm, Legatus, and Thomas More Law Center (collectively The Ave Maria Foundation). Any employee, with the exception of seasonal, who has attained age twenty-one or older and has completed one hour of service shall be eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and qualifies under Internal Revenue Code Section 401(a) and 401(k). The Plan is sponsored by The Ave Maria Foundation (the "Company").

CONTRIBUTIONS

Contributions to the Plan are invested as directed by the participants in one or more investment alternatives held through Nationwide Financial Services, Inc. (the "Custodian"). The Plan permits participants to contribute from one-half percent to 100 percent of their gross compensation pursuant to Internal Revenue Code Section 401(k). The total contribution made to the Plan by a participant is limited to \$23,000 and \$22,500 annually in 2024 and 2023, respectively. If you are eligible and will attain age 50 before the end of the Plan year, you may be able to make a catch-up contribution. The maximum catch-up amount you will be permitted to contribute to the Plan is \$7,500 in both 2024 and 2023.

The Plan sponsor is required to provide a matching contribution in an amount equal to 50 percent of the participants' contribution, not to exceed five percent of the participants' gross compensation.

Effective January 1, 2022, the Employer Matching Contributions are 100% match on the Elective Contributions the Plan participant makes, up to 5% of the participant's eligible compensation for the payroll period. This change pertained to all Michigan employer groups.

As a result, the Plan contributed \$790,650 and \$566,639 for the years ended December 31, 2024 and 2023, respectively.

VESTING

Participants are immediately vested in their elective contributions, Company's matching and discretionary contributions, and actual earnings thereon.

THE AVE MARIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023 (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNT

Each participant's account is credited with the participant's elective contributions, the participant's share of the Company's matching and discretionary contributions, and an allocation of the Plan's earnings (losses). Allocations are based on the participant's proportionate share of funds in each of their investment accounts. The participant is entitled to the benefit that can be provided from the participant's vested account.

PAYMENT OF BENEFITS

On termination of service a participant may elect to either receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or have it rolled over into an individual retirement account or another qualified retirement plan.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow money from the Plan up to the lesser of \$50,000 (reduced by the amount of the highest outstanding balance of loans during the one-year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made), or one-half of the participant's account balance. Loans must be at least \$1,000 and have a term of no longer than five years, unless the loan is for the purchase of a primary residence. Loans must bear a reasonable interest rate. The loan is secured up to 50% of the participants interest in the Plan and such other collateral that is deemed necessary. A participant can only have two loans currently outstanding from the Plan.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets would be distributed to the participants according to participant account balances.

FORFEITURES

Forfeitures refer to the non-vested portion of a former employee's account balance in the plan. For the year ended December 31, 2024, total forfeitures were \$2,979. There were no forfeitures in 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with U.S. Generally Accepted Accounting Principles.

THE AVE MARIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Administrative expenses incurred to maintain the Plan are paid by The Ave Maria Foundation and the Plan. The administrative fees paid by the Plan are within the statement of changes in net asset available for benefit as fees. The administrative fees paid by The Ave Maria Foundation are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Fees for the participant loans are included and are charged directly to the participant.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly actual results may differ from those estimates.

INVESTMENT VALUATIONS

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is reported on an accrual basis. Dividends are recorded on ex-dividend date. The net appreciation or depreciation includes gains and losses on investments bought and sold, as well as held during the year. See Note 6 for discussion of fair value measurements.

DATE OF MANagements REVIEW

Subsequent events were evaluated through September 19, 2025, which is the date the financial statements were available to be issued.

3. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 13, 2009, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

THE AVE MARIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023 (CONTINUED)

3. INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

4. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS (UNAUDITED)

At December 31, 2024 and 2023, the plan's investments were held by the Custodians. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Custodians as complete and accurate in accordance with section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974.

The fair value of investments at December 31, 2024 and 2023, as reported by the Custodians is summarized as follows:

6. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements - The fair value of money market accounts are valued at the account balance. The fair value of mutual funds is based on quoted net assets values of the shares as reported by the fund. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices of identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset. As of the current year, the Plan did not hold Level 2 assets.

Level 3 Fair Value Measurements - The fair value of real estate is determined using external appraisals, which are estimates of property values based on a professional's opinion. The fair value of annuity contracts are valued using the accumulated cash contributions, interest, credited to the Plan's contract, and transfers, if any, less any withdrawals, if any.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

7. ROLLOVERS

For the years ended December 31, 2024 and 2023, the Plan accepted rollover contributions from participants in the amount of \$250,464 and \$73,451, respectively. Rollovers represent amounts transferred into the Plan from other qualified retirement plans or individual retirement accounts (IRAs). These rollover contributions are fully vested and participant-directed upon receipt, and they are subject to the same investment options and rules as regular participant contributions within the Plan.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2024 and 2023, the Plan paid administrative and recordkeeping fees of \$31,579 and \$18,227, respectively, to Nationwide and The Benefit Advantage, the trustee and custodian of the Plan. These fees qualify as party-in-interest transactions under ERISA.

As of December 31, 2024 and 2023, loans to participants totaled \$119,218 and \$124,034, respectively.

The Plan sponsor provided matching contributions of \$8,320 and \$7,700, which are considered related party transactions.
