**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2024 Form M-1 annual report. If the plan was not required to file the 2024 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>1</b> Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. <b>Round off amounts to the nearest dollar.</b> MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## Independent Auditor's Report

To the Trustees of  
Westminster Services, Inc. 403(b) Retirement Plan  
Orlando, FL

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Westminster Services, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Westminster Services, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westminster Services, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westminster Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westminster Services, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westminster Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Westminster Services, Inc. 403(b) Retirement Plan**

### **Notes to Financial Statements**

**December 31, 2024**

#### **NOTE A – DESCRIPTION OF PLAN**

The following description of the Westminster Services, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan which covers substantially all employees of Westminster Services, Inc. (the Organization/Employer) and those employees of certain of its affiliates. There are no age or eligibility service requirements to participate in the plan. The Plan was adopted effective March 1, 1994. The amended provisions of the Plan became effective on May 1, 2023. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has multiple trustees or custodians: Brighthouse Financial (BHF) and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal). The Plan does not allow contributions to BHF.

##### Contributions

Each year, participants may contribute from pre-tax annual compensation and rollover contributions, as defined in the Plan, up to the maximum allowable amount under the Internal Revenue Code. Participants are automatically enrolled in an elective deferral contribution of 4% of qualified compensation, unless the participant affirmatively elects a different percentage or elects not to make an elective deferral contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may contribute to the Plan an amount of matching contributions determined by the Employer's board of directors at its discretion. Contributions are subject to certain limitations.

##### Participant Accounts

The Plan permits participants to direct their account balances among various investment options in the form of mutual funds, fixed income contracts, separate accounts, and funds of funds. Each participant's account is credited with the participant's contribution and an allocation of the Plan's earnings. Participants may change their investment options periodically. Some participants have elected to retain their accounts with a prior trustee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. Participants vest 20% per year after two years of service, and are 100% vested after six years of service. A participant is also 100% vested upon death, disability, or attainment of early retirement age.

**NOTE A – DESCRIPTION OF PLAN – CONTINUED**

Participant Loans

Participants may borrow from their accounts up to the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date that the loan is made, or 50% of their vested account balance. The term of the loan is limited to five years. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.00% to 5.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through biweekly payroll deductions. The minimum loan amount is \$1,000.

Payment of Benefits

Participants are eligible to receive the vested portion of their Plan account upon retirement, termination of employment, disability or death. Payment may be made in a lump-sum or in installment payments.

Forfeitures

The non-vested portion of a participant's account is forfeited as of the earlier of: (a) the date of distribution of the participants' entire vested account balance, or (b) the date the participant incurs five consecutive vesting breaks in service, as defined in the Plan document. Forfeitures are used to pay plan expenses or to reduce employer contributions. During the year ended December 31, 2024, \$116,479 of non-vested accounts was forfeited; \$115,160 of forfeited plan assets was used to reduce employer contributions and \$3,165 was used to pay plan expenses. As of December 31, 2024 and 2023, \$4,372 and \$5,528 of forfeited Plan assets were unallocated, respectively.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Notes to Financial Statements – Continued**

**December 31, 2024**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

Expenses

Participants absorb the costs to administer the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2025, the date the financial statements were available to be issued.

**NOTE C – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are quoted prices (unadjusted) in active markets of identical assets or liabilities that the Plan can access at the measurement date.                                                                                                                                                                                                                                                                                                                                                                                                              |
| Level 2 | Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |
|         | If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Level 3 | Inputs that are unobservable inputs for the asset or liability.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

**Westminster Services, Inc. 403(b) Retirement Plan**

**Notes to Financial Statements – Continued**

**December 31, 2024**

**NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Fixed Income Investment Contract:* The Principal Guaranteed Option (PGO) is a guaranteed general-account backed group annuity contract issued by Principal Life Insurance Company to Principal Trust Company as custodian. A composite crediting rate contractually guaranteed by Principal Life Insurance Company is credited to participant account balances. Participants can generally transfer assets into or out of the contract without early termination or surrender charges.

*BHF's Separate Accounts:* MetLife issued to the Employer, group variable annuity separate accounts registered as unit investment trusts. The separate account is divided into sub-accounts, each of which is treated as an individual accounting entity. Each sub-account invests in shares of open-end mutual funds which calculate a daily NAV based on the fair value of the underlying securities in their portfolios. As a result, and as required by law, shares of open-end mutual funds are purchased and redeemed at their quoted daily NAV as reported by the unit investment trusts at the close of each business day. Transfers between sub-accounts are subject to some limitation.

*BHF's Funds of Funds:* Share Prices/NAVs are calculated daily by the fund administrator. The initial pricing inputs are the quoted share prices obtained for the underlying mutual funds, which are then adjusted to apply any applicable expense factor. The formula-calculated NAV is then systematically compared to an accounting-driven NAV. The accounting NAV is calculated by dividing the net assets by the number of shares outstanding.

*BHF's Fixed Annuity Contracts:* The fixed income contracts are reported at fair value. Fair value is the sum of the contributions plus interest less surrenders and charges on behalf of or for a participant under the contract.

- a) Aggressive-allocation portfolios seek to provide both capital appreciation and income by investing in three major areas: stocks, bonds, and cash. These portfolios tend to hold larger positions in stocks than moderate-allocation portfolios.
- b) World-stock portfolios have few geographical limitations. It is common for these portfolios to invest the majority of their assets in the U.S., Europe, and Japan, with the remainder divided among the globe's smaller markets.
- c) Large-growth portfolios invest primarily in big U.S. companies that are projected to grow faster than other large-cap stocks
- d) Large-blend portfolios are fairly representative of the overall U.S. stock market in size, growth rates, and price.
- e) Foreign large-blend portfolios invest in a variety of big international stocks. The blend style is assigned to portfolios where neither growth nor value characteristics predominate.
- f) Global real estate portfolios invest primarily in non-U.S. real estate securities, but may also invest in U.S. real estate securities. Securities that these portfolios purchase include: debt & equity securities, convertible securities, and securities issued by real estate investment trusts and REIT-like entities.
- g) High-yield bond portfolios concentrate on lower-quality bonds, which are riskier than those of higher-quality companies.

- h) Intermediate-term bond portfolios invest primarily in corporate and other investment-grade U.S. fixed-income issues and typically have durations of 3.5 to 6.0 years.
- i) Large-value portfolios invest primarily in big U.S. companies that are less expensive or growing more slowly than other large-cap stocks.
- j) Some mid-cap growth portfolios invest in stocks of all sizes, thus leading to a mid-cap profile, but others focus on midsize companies.
- k) Small-growth portfolios focus on faster-growing companies whose shares are at the lower end of the market-capitalization range.
- l) Small-value portfolios invest in small U.S. companies with valuations and growth rates below other small-cap peers.
- m) World-allocation portfolios seek to provide both capital appreciation and income by investing in three major areas: stocks, bonds, and cash.
- n) Moderate-allocation portfolios seek to provide both capital appreciation and income by investing in three major areas: stocks, bonds, and cash. These portfolios tend to hold larger positions in stocks than conservative-allocation portfolios.
- o) Ultrashort-bond portfolios invest primarily in investment-grade U.S. fixed-income issues and have durations typically of less than one year.

**Notes to Financial Statements – Continued**

**December 31, 2024**

**NOTE D – PARTY-IN-INTEREST TRANSACTIONS**

Plan investments are managed by Brighthouse Financial and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. Brighthouse Financial and Principal are the trustees or custodians as defined by the Plan and, therefore, certain transactions qualify as party-in-interest transactions. Administrative fees were paid to Principal during the years ended December 31, 2024 and 2023 by participants.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE E – PLAN TERMINATION**

On July 24, 2025, Westminster Services, Inc. Retirement Plan merged into Westminster Services, Inc. 403(b) Retirement Plan. As of this date, the 403(b) plan was considered to be a 403(b)(9) church plan.

**NOTE F – FEDERAL INCOME TAX STATUS**

The Internal Revenue Service has informed the Organization by a letter dated March 31, 2017 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE H – CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Brighthouse Financial and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.
