Independent Auditor's Report

Human Resources Committee
Central Bancompany
Comprehensive Medical, Dental and Life Plan
Jefferson City, Missouri

Opinion

We have audited the financial statements of Central Bancompany Comprehensive Medical, Dental and Life Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligation as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and changes in plan benefit obligation for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligation of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan obligation for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Central Bancompany Comprehensive Medical, Dental and Life Plan
Notes to Financial Statements
December 31, 2024 and 2023

Note 1. Description of the Plan

General

The following description of the Central Bancompany Comprehensive Medical, Dental and Life Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan’s provisions.

The Plan provides health and other benefits covering all employees of Central Bancompany, Inc. and its wholly-owned subsidiaries (collectively the “Company”). The Plan and the trust funded by it are administered by the Human Resources Committee (the “Committee”) appointed by the Board of Directors of the Company. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and dental), life insurance, accidental death and short- and long-term disability benefits to full-time employees of the Company and their covered dependents.

Contributions

Contributions to the Plan by employees represent the participants’ portions of the cost of health benefits, accidental death life insurance, and short- and long-term disability benefit coverage. Such portions are determined by the Committee. Employer contributions consist of the amounts required to pay benefits and expenses that are not funded by participant contributions.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Reinsurance

The Plan has obtained reinsurance coverage from United Healthcare for individual claims in excess of specific dollar amounts. Reinsurance premiums of \$1,170,357 were paid in 2024.

Plan Termination

Although it has not expressed intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan’s participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Central Bancompany Comprehensive Medical, Dental and Life Plan
Notes to Financial Statements
December 31, 2024 and 2023

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligation and changes therein, claims incurred but not reported (IBNR), eligibility credits, claims payable and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Quoted market prices are used to value investments in the money market fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Payment of Benefits

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of plan's benefit obligation. The third-party claims processor processes health, disability, and death claims of active and retired participants, dependents and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Plan Benefit Obligation

Plan liabilities for health claims incurred but not reported are estimated by the Plan's management based upon historic claims reported to the Plan subsequent to year-end in accordance with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds of \$1,203,972 are included in reinsurance reimbursements on the accompanying statement of changes in net assets available for benefits.

Plan Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated August 8, 1983, stating that the trust, as then designed, was tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. The Plan Administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Subsequent Events

Subsequent events have been evaluated through October 9, 2025, which is the date the financial statements were available to be issued.

Note 3. Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2024 and 2023.

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
		<u>Fair Value</u>		
December 31, 2024				
Money Market Fund	\$ 7,094,493	\$ 7,094,493	\$ -	\$ -
December 31, 2023				
Money Market Fund	\$ 8,731,640	\$ 8,731,640	\$ -	\$ -

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2024 and 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Central Bancompany Comprehensive Medical, Dental and Life Plan
Notes to Financial Statements
December 31, 2024 and 2023

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, and cash flows. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy. The Plan has no Level 2 or 3 investments measured at fair value.

Note 4. Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons.

The Company provides certain administrative services at no cost to the Plan. Central Trust Company, a subsidiary of Central Bancompany, Inc. serves as Trustee of the Plan. The Trustee has been granted authority for the purchase and sale of investments in the trust.

Note 5. Significant Estimate

The estimated amount of plan benefit obligation is reported based on certain assumptions pertaining to incurred but not reported medical and dental claims and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
