RETIREMENT PLAN

Financial Statements
Together with Independent Auditors' Report

For the Years Ended December 31, 2024 and 2023

INDEPENDENT AUDITORS' REPORT

To the Success for All Foundation, Inc. Retirement Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Success for All Foundation, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Success for All Foundation, Inc. Retirement Plan (the Plan) (formerly the Success for All Foundation, Inc. Tax Sheltered Annuity Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established by Success For All Foundation, Inc. (the Foundation or Plan Sponsor) effective July 1, 1998. The Plan covers substantially all employees of the Foundation, in accordance with universal availability requirements, who have completed one hour of service. There are no age requirements. All employees are immediately eligible to participate in the Plan. Eligible employees may begin receiving employer contributions on January 1 or July 1 following the date the eligibility requirements are satisfied. The Plan was most recently amended on May 18, 2022 to allow hardship distributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

Participant Contributions

Participants may make pre-tax and Roth contributions in any whole percentage of applicable compensation or as a flat dollar amount, not to exceed the maximum allowable contribution under Section 402(g) of the Internal Revenue Code (the Code), which totaled $23,000 and $22,500 for the years ended December 31, 2024 and 2023, respectively. A participant’s Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled $7,500 for the years ended December 31, 2024 and 2023. The Foundation remits participant contributions to the Plan through payroll deductions on a semi-monthly basis. Participants are permitted to make rollover contributions into the Plan representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Foundation Contributions

The Foundation may elect to make an annual discretionary contribution to the Plan on behalf of all eligible participants based on a percentage of the participant’s compensation during the Plan year, as defined by the Plan. Eligibility terms and the discretionary contribution amount must be approved by the Board of Directors of the Foundation annually. As of December 31, 2024 and 2023, employees who have reached 21 years of age and have completed one year of service, as defined by the Plan, were determined to be eligible. Discretionary contributions totaled $77,141 and $78,684 during the years ended December 31, 2024 and 2023, respectively. Discretionary contributions for the year ended December 31, 2024, were not paid as of September 24, 2025. Discretionary contributions for the year ended December 31, 2023, were paid in October 2024.

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions and distributions and allocations of: (a) Foundation contributions, (b) Plan earnings and losses and (c) administrative expenses. Allocations of earnings, losses, and administrative expenses are based on the proportion of each participant's account balance to the total of all account balances within the respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus earnings and losses thereon, and any rollover contributions to the Plan. Prior to January 1, 2003, all Foundation contributions credited to participant accounts were 100% vested. Effective January 1, 2003, participants vest in the amounts contributed on their behalf by the Foundation according to the following graduated vesting schedule:

Years of Service Completed	Percentage Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeited balances of participant's nonvested accounts are used to pay administrative expenses of the Plan or to reduce future Foundation contributions. Forfeited balances available to pay administrative expenses or reduce future Foundation contributions totaled $2,522 and $0 as of December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, forfeitures totaling $6,475 and $0, respectively, were used to pay administrative expenses or reduce Foundation contributions.

1. DESCRIPTION OF THE PLAN – cont'd.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000 up to 50% of their vested account balance, not to exceed $50,000. Participants may have up to two notes outstanding at any given time, one for personal use and one for the purchase of a primary residence. The notes are collateralized by the participant's vested account balance. Note repayments are to be made each pay period through payroll deductions. Prior to May 1, 2017, The interest rate for the duration of the note was comparable to those offered by financial institutions at the time of note origination. Effective May 1, 2017, the interest rate for the duration of newly established notes is equal to the prime rate plus 2%. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within ten years. Delinquent notes are treated as distributions based upon the terms of the Plan provisions.

Payment of Benefits

Upon termination of service, retirement (normal retirement defined as age 65), death, disability, or attainment of age 59 ½, a participant (or their beneficiary, in the event of death) is entitled to a distribution of their vested account balance. Distributions are payable in the form of a lump sum, at the election of the participant. If the vested account balance is less than $1,000, the total balance will be paid in a lump sum as soon as administratively feasible following a participant's termination. If the vested account balance is greater than $1,000 but less than $5,000, the total balance will be rolled over to an Individual Retirement Account or Annuity (IRA) for the participant's benefit. In all cases, certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. There were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2024 and 2023.

Plan Expenses

All administrative expenses are paid with assets of the Plan, unless paid by the Foundation, at its discretion. During the years ended December 31, 2024 and 2023, the Foundation elected to pay a portion of the Plan's direct expenses. Expenses that are paid directly by the Foundation are excluded from the Plan's financial statements. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

Reclassifications

Certain amounts from the financial statements for the year ended December 31, 2023 have been reclassified to conform to the current year's presentation. The reclassifications have no effect on previously reported net assess available for benefits

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in financial instruments that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Valued at amortized cost plus accrued interest, which approximates fair value.

Interests in registered investment companies: Valued at the closing price of shares held by the Plan at year-end. Funds are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	$ 1,138,391	$ -	$ -	$ 1,138,391
Interests in registered investment companies	20,597,438	-	-	20,597,438
Total investments, at fair value	$ 21,735,829	$ -	$ -	$ 21,735,829

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	$ 1,302,597	$ -	$ -	$ 1,302,597
Interests in registered investment companies	19,013,188	-	-	19,013,188
Total investments, at fair value	$ 20,315,785	$ -	$ -	$ 20,315,785

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 24, 2025, the date the financial statements were available to be issued and determined there were no material events that warrant disclosure.

3. INVESTMENTS

Investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2024 and 2023, and interest and dividend income and net appreciation in fair value of investments for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (the Trustee).

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in interest bearing cash and shares of mutual funds managed by T. Rowe Price Associates, Inc., a related party of the Plan's Trustee. The Plan allows participants to borrow against their vested account balances. The Foundation provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

5. INCOME TAX STATUS

The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service (IRS) Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given that the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

The Plan is subject to routine audits by the IRS and Department of Labor (DOL); however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, all contributions to the Plan would cease and all affected participants would become 100% vested in their accounts.

7. MANDATORY DISTRIBUTIONS PAYABLE

During the year ended December 31, 2024 and 2023, the Plan did not have participants who were terminated prior to year-end and had a vested account balance of less than $5,000 that would be required to have a mandatory distribution.

8. OTHER INCOME

Effective July 1, 2017, the Plan Sponsor amended its service agreement with the Trustee whereas the Trustee will provide an administrative budget in the amount of approximately $34,000 per year. During the years ended December 31, 2024 and 2023, $31,515 and $34,067, respectively, was provided to the Plan for each of the Plan years and is included in net appreciation in fair value of investments on the accompanying statements of changes in net assets available for benefits. During the years ended December 31, 2024 and 2023, $43,949 and $35,963, respectively, were used to pay administrative expenses of the Plan. The balance in the unallocated revenue sharing account totaled $21,204 and $33,638 as of December 31, 2024 and 2023, respectively.

9. RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31,:

	2024	2023
Net increase (decrease) in net assets available for benefits reported on the financial statements	$ 1,397,995	$ 520,445
Change in mandatory distribution payable	-	(3,535)
Net increase (decrease) in net assets available for benefits on Form 5500	$ 1,397,995	$ 516,910

Success for All Foundation, Inc.

To the Plan Administrator, Board of Directors, 401(k) Committee, and Management
of the Success for All Foundation, Inc. Retirement Plan:

We have audited the financial statements of the Success for All Foundation, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2024, and we will issue our report thereon dated September 24, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by T. Rowe Price Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 6, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year ended December 31, 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimate affecting the financial statements was the valuation of investments. We evaluated the key factors and assumptions used to develop the aforementioned estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of fair value measurements in Notes 2 and 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We are pleased to report that no misstatements were identified in performing and completing our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 24, 2025.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan administrator, Board of Directors, and management of Success for All Foundation, Inc. Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

SC&H Attest Services, P.C.
