BlueCross BlueShield of South Carolina

Employee Savings and Salary Reduction Plan Columbia, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes To Financial Statements

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the BlueCross BlueShield of South Carolina Employee Savings and Salary Reduction Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

BlueCross BlueShield of South Carolina (the "Company") established the Plan as a defined contribution plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company maintains the Plan through participation in the National Tax-Favored Savings Program (National Program) maintained by Blue Cross and Blue Shield Association's National Employee Benefit Committee (the "Committee").

The Committee serves as the named fiduciary and Program Administrator of the individual programs that comprise the National 401(k) Program (the "Program"). Each individual program that comprises the National Program maintains its own separate trust.

The Program is intended to provide the eligible employees of the Plan with tax deferred investment options that will allow them to construct individual investment portfolios that reflect their long-term goals and are consistent with their individual risk preferences. It is the Committee's intent to provide participants with an array of investment choices and to otherwise comply with ERISA Section 404(c) guidelines and Department of Labor (DOL) Regulation Section 2550.404c-1.

The Committee, operating through the services of the Trustee and custodian and such registered investment advisors and other professionals as it deems appropriate, will maintain the assets of the Program in compliance with applicable laws governing the operation of the individual retirement programs, including ERISA, as amended.

The Committee has supervisory responsibility for the design and structure of the Program and the allocation of duties concerning Program investments. The Committee has delegated ministerial responsibility for the overall management of the investment program to the staff of the National Employee Benefit Administration (NEBA). The Committee may seek and rely upon the advice and assistance of various service providers in carrying out its responsibilities.

Fidelity Management Trust Company (the "Trustee") holds title to the Program assets. Ordinarily the Trustee will be subject to directions from investment managers appointed by the Committee regarding its handling of such assets. Thus, except for assets held in an investment fund managed by the Trustee as an investment manager, the Trustee will act as a custodian of the assets it holds.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

General (Continued)

The Committee has a record keeping agreement (the "RKA") with Fidelity Workplace Services, LLC ("Fidelity"). Fidelity is responsible for:

1. Participant record keeping and administrative services.
2. Preparation and submission of program data and reports to NEBA upon request.
3. Compliance testing and required form filing services.
4. Participant services including quarterly statements, VRU access, phone representatives' access, and Web access to participant account information and transactions.
5. Participant communications and advice services.
6. Notification to the Committee of any concerns or issues with respect to such services or any other matters.

Eligibility

Employees of the Company who have reached 21 years of age are eligible to participate in the Plan upon date of hire. Employees are automatically enrolled with a 2% participant contribution deducted from their wages. Effective January 1, 2007, the Plan was amended to automatically increase the participant's deferral by 1% annually to a maximum of 10% unless affirmatively changed by the participant. The month following the participant's scheduled annual review, an additional 1% will be deferred from the employee's paycheck.

The participant does have the option to change their deferral percentage at any time. Participants may change their contribution and make various investment choices in the Plan through Fidelity Institutional Retirement Services Company via telephone or on the Fidelity website.

Contributions

Participants in the Plan may elect to defer up to 50% of their compensation each year as pre-tax 401(k) or Roth contributions. These deferrals are limited to the total dollar amount set by the IRC. The limit for 2024 is \$23,000. Participants who are age 50 or older may elect to defer additional amounts under a "catch-up contribution" provision provided by the IRC. The "catch-up contribution" limit for 2024 is \$7,500.

Each Plan year, the Company determines a percentage of the participant's voluntary contribution to be matched by the Company. For the year ended December 31, 2024, the matching contribution was 50% of the first 6% that a participant contributed to the Plan.

The Company may also make discretionary contributions into the Plan for certain divisions of the Company not covered by the defined benefit pension plan and effective April 1, 2014, with respect to employees hired or rehired on and after this date. In 2024, the Company elected to make a discretionary contribution of 6% of the participant's compensation. The participant must be actively employed at the end of the year to receive this contribution, and the Company must fund this one-time contribution no later than 60 days after year end.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan was amended to accept rollovers from a qualified group plan on or after August 17, 2012.

The Plan records employer and employee contributions receivable when compensation is paid.

Payment of Benefits

Payment of benefits from the participant accounts may be made only for the following reasons: termination of employment, financial hardship, retirement, death or disability. Upon occurrence of one of these events and upon election of the participant, the Plan will distribute to the participant 100% of the participant's vested balance. Distributions are made only in lump-sum payments. The Program allows for in-service distributions if a participant reaches age 59 1/2 or becomes disabled. In addition, rollover contributions may be withdrawn while the participant is employed. Also, hardship distributions are subject to the Plan provisions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (1) the Company's matching and/or discretionary contribution and (2) Plan investment results and charged with an allocation of administrative expenses. Allocations are based on participant account balances or earnings, as defined.

Participants' Investment Options

Participants may direct their voluntary contributions to selected investments as made available and determined by the Plan. Participants may change their investment options on a daily basis. Company contributions are invested based on the allocation chosen by the participant. If a participant does not select an investment option, the default is the State Street Target Retirement Securities Lending Series Funds – Class IV, based on the birth date and assuming retirement at age 65.

The Committee has elected to provide tiers of investment options:

1. The Lifecycle Funds consisting of passively-managed State Street Target Retirement Securities Lending Series Funds – Class IV.
2. The Core Investment Funds consisting of actively managed and passively managed individual funds.
3. The self-directed brokerage account option makes a broad range of investment products available to participants who want to manage their accounts more actively.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. All Company contributions, both bi-weekly match and year-end discretionary contributions plus actual earnings thereon, are 100% vested after two years of service. Effective January 1, 2018, participants who satisfy the following requirements are 100% vested in his or her match and any discretionary contribution: he or she worked for the PGBA Divisions, his or her employment was terminated in 2018 due to the loss of a contract and he or she remained with the Company until their employment release date.

Notes Receivable from Participants

The participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balances reduced by their current outstanding loan balance and must be for amounts that are multiples of \$100. Loan terms range up to five years unless the loan is used to acquire the principal residence of the participant, in which case the loan may be repaid over a period up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined monthly based on the prime rate published by Reuters on the last business day of the month plus 1% and applied to new loans beginning in the following month. Principal and interest are paid ratably through bi-weekly payroll deductions. Effective January 1, 2006, loans may be for any purpose. Only one new loan may be made to a participant in a twelve-month period. For new loans as of January 1, 2006, a participant may have no more than two outstanding.

If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Forfeited Accounts

During 2024, employer contributions were reduced by \$1,304,142 from forfeited nonvested accounts. Forfeited nonvested accounts totaled \$252,911 and \$848,872 at December 31, 2024 and 2023, respectively. These accounts will be used to reduce future employer contributions.

Amendments to Plan Service Agreements

Effective June 15, 2023, the RKA was amended to restate section 13.8 Non-Solicitation of Participating Programs.

Amendments to BlueCross and BlueShield Association Tax-favored Savings Program

Effective April 3, 2023, the Program was amended to provide for changes in the core investment fund selection and to provide for automatic increases for employees of Karna, LLC on and after January 1, 2023.

Effective April 1, 2024, and September 30, 2024, the Program was amended to provide for changes in the core investment fund options.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting with the exception of benefits which are recorded when paid in conformity with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. Investments are reported at fair value. See Note 3 for discussion of fair value measurements and disclosures.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology that are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds and Money Market Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed Brokerage Accounts

Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Common/Collective Trust Funds

Valued at the NAV of units of the common/collective trusts. The NAVs, as provided by the Trustee, are used as a practical expedient to estimate fair value. The NAVs are based on the fair value of the underlying investments held by the funds less its liabilities. The practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Participant withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2024 and 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 130,393,617	\$ -	\$ -	\$ 130,393,617

Total investments at fair value	\$ 162,166,155	\$ -	\$ -	\$ 1,243,517,129

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

NOTE 4. INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

	2024	2023
Statements of net assets available for plan benefits:		
Cash	\$ -	\$ 28,962
Investments at fair value	1,402,193,664	1,243,517,129
Notes receivable from participants	37,599,455	34,610,908
Statement of changes in net assets available for plan benefits:		
Net appreciation in fair value of investments	\$ 166,974,056	
Interest and dividends	6,620,749	
Interest income on notes receivable from participants	2,660,151	
Supplemental schedule: All investment balances and information in the supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year).		

NOTE 5. EXPENSES

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Substantially all costs of administering the Plan that are paid by the Company are excluded from these financial statements. Investments related expenses are included within net appreciation of fair value of investments.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE 7. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated April 5, 2016, stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is operating in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

NOTE 7. TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as market and credit risks. Due to levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments.

NOTE 10. EXCESS PARTICIPANT CONTRIBUTIONS PAYABLE

The Plan failed to pass the IRC Section 402(g) Annual Deferral Limit Test for the 2023 Plan year. Excess contributions of \$75,212 were recorded as a liability in the accompanying statement of net assets available for benefits as of December 31, 2023. There were no excess contributions as of December 31, 2024.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2024	2023
Net assets available for plan benefits per the financial statements	\$ 1,460,862,717	\$ 1,296,074,196
Excess participants contributions payable	-	75,212
	<u>\$ 1,460,862,717</u>	<u>\$ 1,296,149,408</u>

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Net increase	\$ 164,788,521
Net excess participants contributions payable	(75,212)
Net increase per Form 5500	<u>\$ 164,713,309</u>

NOTE 12. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 23, 2025, the date the financial statements were available to be issued and has determined that no significant events occurred after December 31, 2024, but prior to the issuance of these financial statements that **would** have a material impact on its financial statements.

Schedule H, Line 4(l) – Has the plan failed to provide any benefit when due under the plan?

No. For administrative purposes, we do not consider delays in payment of a participant's benefit (including administrative mistakes and delayed payments, which happen infrequently) as a failure to pay a benefit when due. Further, in reliance on an IRS clarification of the intent of this question, we do not consider benefits payable to missing participants to be a failure to pay a benefit when due because of the diligence of our efforts to locate missing participants.
