INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
Solomon Schechter Day School
of Bergen County 403(b) Plan
New Milford, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Solomon Schechter Day School of Bergen County 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Solomon Schechter Day School of Bergen County 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Solomon Schechter Day School of Bergen County 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Solomon Schechter Day School of Bergen County 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Solomon Schechter Day School of Bergen County 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Solomon Schechter Day School of Bergen County 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan

The following description of Solomon Schechter Day School of Bergen County 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Solomon Schechter Day School of Bergen County (the Organization) that have met the Plan's eligibility requirements. All employees are immediately eligible to defer a portion of their pay into the Plan. An employee becomes eligible for employer contributions after he or she has completed two years of service, from the date of hire, with at least 1,000 hours of service in each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of the Organization is responsible for oversight of the Plan. The 403(b) Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's management.

SECURE Act

The Plan has adopted certain provisions under the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE 2.0 Act). The Plan intends to formally execute the required Plan amendments for these provisions by December 31, 2026.

The following descriptions of the Plan below have been updated with the provisions of the SECURE 2.0 Act that impact the Plan.

Contributions

All employees (whether part of full time) are eligible to enter the Plan immediately. Employees may elect to make a contribution to the Plan by authorizing their compensation to be reduced by a whole dollar amount. No employee is permitted to make a basic contribution in excess of the dollar limitation specified by the Internal Revenue Code at the beginning of the Plan year. Participants are also permitted to make Roth Deferrals and may rollover amounts representing distributions from other qualified defined contribution plans (rollovers).

Employer contributions to the Plan are made on behalf of each participant who is eligible for such contribution. Once an employee meets the eligibility requirements, as defined by the Plan, the Organization will contribute a percentage of the employee's contracted annual salary to the Plan as follows:

- After two years of service, 3.0% of contracted annual salary
- After four years of service, 4.5% of contracted annual salary
- After six years of service, 6.0% of contracted annual salary

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan (continued)

Participant accounts

Each participant's account is credited with the participant's and the Organization's contribution, as well as allocation of Plan earnings. Participants accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in employer contributions once they become eligible for employer contributions. These amounts cannot be forfeited.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Repayments of principal and interest are credited to the participant's account. Outstanding loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through bi-monthly payroll deductions. Participants may not have more than one loan outstanding at any time.

Payment of benefits

A participant who ceases to be an employee for any reason other than death shall be entitled to receive a benefit payment. Participants may only receive the payout as a lump sum distribution.

In the event of a participant's death, any death benefit will be distributed to the beneficiary or beneficiaries that were designated by the participant. If the participant was married, the spouse will be treated as the beneficiary unless an alternative beneficiary was elected to receive death benefit payments. If the participant does not have a spouse at the time of death, the benefits will be distributed equally to the participant's children (if any) or to the participant's estate. Hardship distributions are also permitted by the Plan.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. Summary of accounting policies (continued)

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Investments in fully benefit-responsive fixed annuity contracts are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a tax deferred annuity plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and from the Employer are recorded in the year in which participant compensation is earned.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payments of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

3. Tax status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The Plan Administrator believes that the terms of the Plan have been prepared to conform with the requirements of the Code, and is currently being operated in conformity with the applicable requirements of the Code and, therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. As of December 31, 2024, the Plan Administrator believes that based on evaluation of the Plan's tax positions that any liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Plan's tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as part of the income tax provision. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Risks and uncertainties

The Plan invests in various investment securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The Plan maintains its investments with an investment manager. Exposure to credit risk is reduced by placing such investments in high quality financial institutions and by following an investment strategy which utilizes a wide range of diversified funds.

5. Certified investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (FMTC) and Delaware Charter Guarantee and Trust Company D/B/A Principal Trust Company (Principal Trust Company) (the trustees of the Plan).

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

6. Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the entire account balance will be distributed to the participants, including distribution of contract, if the participant is invested in an annuity contract.

7. Related party and party-in-interest transactions

Certain Plan investments are managed by Principal Trust Company and FMTC. Principal Trust Company and FMTC are the custodians and recordkeepers for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Organization pays for professional fees relating to services provided to the Plan. Fees paid on behalf of the Plan during the years ended December 31, 2024 and 2023 were \$16,000 and \$12,500, respectively.

Administrative expenses relating to the maintenance of the Plan are paid from the Plan's assets. Direct fees paid by the Plan to the trustees during the fiscal years ended December 31, 2024 and 2023 were \$50,607 and \$30,909, respectively.

8. Fair value measurement of investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable.

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

8. Fair value measurement of investments (continued)

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Plan. The Plan considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

Registered investment company (mutual funds) are valued at quoted market prices that represent the net asset value of shares held by the Plan at year end. The change in market value of these investments is reflected in the statement of changes in net assets available for benefits as net appreciation or in fair value. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments consist of the following as of December 31, 2024 and 2023:

	December 31, 2024			
	Fair market value			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 7,099,593	\$	\$	\$ 7,099,593
	<u>\$ 7,099,593</u>	<u>\$</u>	<u>\$</u>	<u>\$ 7,099,593</u>
	December 31, 2023			
	Fair market value			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 7,376,603	\$	\$	\$ 7,376,603

SOLOMON SCHECHTER DAY SCHOOL OF BERGEN COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

9. Investment contract with insurance company

The Principal Fixed Income Guaranteed Option (PFIGO) is a benefit-responsive single group annuity contract issued by the Principal Life Insurance Company. By definition, the Principal Fixed Income Guaranteed Option group annuity contract is an insurance contract. The account is credited with contributions and actual earnings and charged for participant withdrawals. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The PFIGO is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value Fund. As a result, the average yield earned by the Plan is the yield (i.e. interest credited) on the group annuity contract.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Changes in future interests crediting rates will not affect the amount reported as an adjustment from fair value to contract value on the statement of net assets available for benefits for the portion of net assets attributable to fully benefit-responsive investment contracts. The contract does have a surrender charge if terminated by the contract holder or the plan terminates its interest in such contract within certain time periods.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but cannot be less than zero. Under the terms of the existing contract, the crediting rate is currently reset on a semi-annual basis.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the Plan document (including complete or partial Plan termination or a merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, or (e) premature termination of the contract. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with the Plan participants, is probable.

Investment contracts with insurance companies amounted to \$482,846 and \$453,687 as of December 31, 2024 and 2023, respectively.

10. Subsequent events

Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued. The Plan is not aware of any material subsequent events, except as noted below.

Effective September 1, 2025, Solomon Schechter Day School of Bergen County's Retirement Plan Committee approved an amendment to the Plan to allow automatic deferral equal to 3% of an eligible participant's compensation. This feature is available for employees hired on or after September 1, 2025.
